Smoke Signals Perfection Learning Corporation, Sherman Alexie,2010 Set in Arizona Smoke Signals is the story of two Native American boys on a journey Victor is the stoic handsome son of an alcoholic father who has abandoned his family Thomas is a gregarious goofy young man who lost both his parents in a fire at a very young age Through storytelling Thomas makes every effort to connect with the people around him Victor in contrast uses his quiet countenance to gain strength and confidence When Victor s estranged father dies the two men embark on an adventure to Phoenix to collect the ashes Along the way Smoke Signals illustrates the ties that bind these two very different young men and embraces the lessons they learn from one another **Smoke Signals** ,2016 Consists chiefly of poetry alongside photocopied photographs of performing punk musicians and of carnivals at night **Sherman Alexie** Jeff Berglund,Jan Roush,2011-10-31 A collection of critical essays on the writing and films of American Indian author Sherman Alexie *Sovereignty, Separatism, and Survivance* Benjamin D. Carson,2009-01-14 This collection broad in its scope explores rich and multi faceted literary works by and about Native Americans from the long early American period to the present What links these essays is a concern for the ways in which Native Americans have navigated negotiated and resisted dominant white ideology since the founding of the Republic Importantly these essays are historically situated and consider not only the ways in which indigenous peoples are represented in American literature and history but pay much needed attention to the actual lived experiences of Native Americans inside and outside of native communities By addressing cross cultural protest resistance to dominant white ideology the importance to Natives of land and land redress sovereignty separatism and cultural healing Sovereignty Separatism and Survivance contributes to our understanding of the discrepancy between ideological representations of native peoples and the real life consequences those representations have for the ways in which indigenous peoples live out their daily lives *Across the Great Divide* Matthew Basso,Laura McCall,Dee Garceau,2013-10-18 In Across the Great Divide some of our leading historians look to both the history of masculinity in the West and to the ways that this experience has been represented in movies popular music dimestore novels and folklore *Mastering the Craft of Diverse and Inclusive Screenwriting* Karla Rae Fuller,2024-12-20 This accessible and informative textbook provides a guide to the craft of screenwriting with an emphasis on diverse perspectives underrepresented groups and their screen stories Readers will learn to master writing a feature length screenplay in a framework that focuses on diversity equity and inclusion With case studies to aid understanding the book explores the screenwriting process in stages explaining how to create a logline as well as character bios writing and choosing a genre differentiating between writing a treatment a synopsis composing an outline

incorporating the formatting process and finally creating a scene and sequence The techniques specific to screenwriting will also be covered in the text such as writing dialogue and action establishing setting and time period and most importantly mastering the craft of visual storytelling At the same time the textbook introduces concepts of content choices that are diverse and inclusive such as stereotypes vs archetypes intersectional characters underrepresented groups and themes such as social justice systemic racism class conflict gender inequity and climate change Due to its subject matter and inclusive approach this textbook will be an essential guide for all aspiring and current screenwriters who want to successfully navigate and complement today's developing industry

The Philosophy of the Western Jennifer L. McMahon, B. Steve Csaki, 2010-05-28 Essays about how stories of the Old West reflect and affect our beliefs and values The solitude of the lone rider the loyalty of his horse and the unspoken code of the West for many Western movies embody America and its values though the view of the country's history they present isn't always accurate In recent years scholars had declared the genre dead but a steady resurgence of western themes in literature film and television has reestablished its importance and influence In The Philosophy of the Western editors Jennifer L McMahon and B Steve Csaki examine philosophical themes in the western genre Investigating subjects of nature ethics identity gender environmentalism and animal rights the essays in this volume draw from a wide range of westerns including the more recent popular and critical successes *Unforgiven* *All the Pretty Horses* *3:10 to Yuma* and *No Country for Old Men* as well as literature and television serials such as *Deadwood* The Philosophy of the Western reveals the powerful role of the western in the American psyche

Adaptation Theory and Criticism Gordon E. Slethaug, 2014-06-19 Traditional critics of film adaptation generally assumed a that the written text is better than the film adaptation because the plot is more intricate and the language richer when pictorial images do not intrude b that films are better when particularly faithful to the original c that authors do not make good script writers and should not sully their imagination by writing film scripts d and often that American films lack the complexity of authored texts because they are sourced out of Hollywood The faithfulness view has by and large disappeared and intertextuality is now a generally received notion but the field still lacks studies with a postmodern methodology and lens Exploring Hollywood feature films as well as small studio productions Adaptation Theory and Criticism explores the intertextuality of a dozen films through a series of case studies introduced through discussions of postmodern methodology and practice Providing the reader with informative background on theories of film adaptation as well as carefully articulated postmodern methodology and issues Gordon Slethaug includes several case studies of major Hollywood productions and small studio films some of which have been discussed before *Age of Innocence* *Gangs of New York* and *Do the Right Thing* and some that have received lesser consideration *Six Degrees of Separation* *Smoke Signals* *Broken Flowers* and various *Snow White* narratives including *Enchanted Mirror* *Mirror* and *Snow White and the Huntsman* Useful for both film and literary studies students Adaptation Theory and Criticism cogently combines the existing scholarship and uses previous theories to engage readers to
