## Sir John Moore:

*The Life of Lieutenant-General Sir John Moore, K.B.* James Carrick Moore, 1834      *The Life of Lieutenant-General Sir John Moore, K.B. By His Brother. [With Letters. With a Portrait After Sir Thomas Lawrence.]* James Carrick MOORE, 1833

*The Life and Letters of Sir John Moore* Sir John Moore, 1923      *The life of lieutenant-general sir John Moore* James Carrick Moore, 1834      **The Life of Sir John Moore** Roger Day, 2008-10-30 Sir John Moore organized and trained the British light infantry during the Napoleonic wars and thus is regarded as the father of all subsequent British special warfare units This biography is the first to draw on papers in the archives of the Dukes of Hamilton and Argyll which shed new light on Moore's upbringing and the shaping of his revolutionary approach to the art and science of warfare      *Monody on the Death of Lieut. General Sir John Moore, with Notes ... To which is Prefixed, a Sketch of the Life of General Moore* Thomas PAINE (Poet., afterwards Robert Treat), 1811      **The Life of Lieutenant-General Sir John Moore, K. B.** James Carrick Moore, 1834      **The life of Lieutenant-General sir John Moore** James Carrick Moore, 1834      **Sir John Moore** Janet Macdonald, 2016-10-14 Sir John Moore is perhaps the second most famous British soldier of the Napoleonic Wars after the Duke of Wellington yet his remarkable career has been neglected in comparison to his celebrated contemporary His death in battle at Corunna overshadows the wide range of his earlier campaigns and his achievements as an innovative soldier Janet Macdonald's fluently written and insightful biography focuses on the development of his character as well as his career as a commander From it emerges a many-sided portrait of a fascinating man and an outstanding soldier a key figure in the history of the British army Admired by his peers but distrusted by his political masters Moore was a controversial figure He is best known for saving the British army in Spain by leading the retreat to Corunna but he is also credited with developing the training system that enabled Wellington's army to beat the French in Spain and at Waterloo Janet Macdonald's account will rekindle interest in a leading actor in the struggle against the French revolutionary and Napoleonic armies      **The Diary of Sir John Moore** Sir John Moore, 1904      *Life of Sir John Moore* Sir John Moore, 1811      **The Life Of Lieutenant-General Sir John Moore, K.B. By His Brother, James Carrick Moore** James Carrick Moore, 2015-11-06 Sir John Moore died at the height of his glory having just defeated Marshal Soult's French forces at the Battle of Corunna in 1809 during the Peninsular War On his lips as he died he hoped that the British Public would remember him and that they would be proud that he had done his duty However his Peninsular glory was only the swansong to a remarkable career in the British Army born in 1761 to Dr John Moore a well-known Glasgow doctor his achievements and service span some thirty years He first saw action during the American War of Independence in 1778 and was to see much more in the limited campaigns around the world before the Wars of the French Revolution and the rise of Napoleon in campaigns in Corsica the West Indies and Ireland By 1799 he was a Major General and part of a new breed of British Officer more humane in his treatment of the troops under his command and a stickler for training In 1808 he was sent to take over command of the British forces in Spain and Portugal

knowing that he had been given command of the only field army that Britain possessed he was initially cautious However being given false evidence of stout Spanish resistance he marched his men into Spain however in reality he was the only formed body of troops standing in the way of all of Napoleon s armies Determined to do some good and perhaps escape intact Sir John led his men against the outlying corps of Marshal Soult although he was forced to run full tilt toward Corunna as Napoleon sent all of his mighty legions after him To Moore s eternal credit he was able to win the Battle of Corunna embark the majority of his soldiers for further battles and give Spain Portugal and Britain time to engineer the successes of later years A fitting biography of one of Britain s unsung heroes **The Life of Lieutenant-General Sir John Moore, Volume**
