that are put forward with an honesty of intention born of sincere conviction Since the days of Purcell England has happily produced many estimable musicians but not one who is more closely allied in spirit to that first and foremost of all native composers than Sir Arthur Sullivan During the present century we have known the facile fecund genius of Michael William Balfe and the finished style of William Sterndale Bennett but in each of these there was a quality lacking and this minimised the value of their compositions as a whole and forbade them that unique place in the Temple of Art which otherwise might have been theirs But in Arthur Sullivan the chief characteristics of these two men are united with the happiest results with the one he shares that marvellous flow of spontaneous melody and with the other that mastery of refined and carefully chosen expression which gives such charm to his various compositions True it is that **Arthur Sullivan** Ian Bradley,2021 This biography reveals how important spiritual factors and influences were to Arthur Sullivan s life and work and explores his rich corpus of sacred pieces which includes the best selling Victorian parlour ballad The Lost Chord and the tune of Onward Christian Soldiers **Worcester Library Bulletin** Free Public Library (Worcester, Mass.),1899 **Lost Chords and Christian Soldiers** Ian Bradley,2013-07-22 Arthur Sullivan is best known as W S Gilbert s collaborator in the Savoy Operas Sullivan was regarded as the nation s leading composer of sacred oratorios on a par with Mendelssohn and Brahms Ian Bradley provides the first detailed comprehensive critical study and review of Sullivan s church and sacred music The Bookseller and the Stationery Trades' Journal, 1899 Official organ of the book trade of the United Kingdom *Roger Quilter* Valerie Langfield,2002 In the remainder of the book Valerie Langfield discusses and contextualises all his music songs chamber orchestral and theatre music and his light opera Julia performed at Covent Garden in 1936 BOOK JACKET

stimulating historical conversations and debates about nineteenth century media while also contributing fresh perspectives on new media and re mediation today Arthur Sullivan Benedict Taylor,2017-08-09 Arthur Sullivan 1842 1900 was Victorian Britain s most celebrated and popular composer whose music to this day reaches a wider audience than that of any of his contemporaries Yet the comic operas on which Sullivan s reputation is chiefly based have been consistently belittled or ignored by the British musicological establishment while his serious works have until recently remained virtually unknown The time is thus long overdue for scholarly re engagement with Sullivan The present book offers a new appraisal of the music of this most notable nineteenth century British composer combining close analytical attention to his music with critical consideration of the wider aesthetic and social context to his work Focusing on key pieces in all the major genres in which Sullivan composed it includes accounts of his most important serious works the music to *The Tempest* the *Irish Symphony* *The Golden Legend* *Ivanhoe* alongside detailed examination of the celebrated comic operas created with W S Gilbert to present a balanced portrayal of Sullivan s musical achievement *Sacred and Secular Intersections in Music of the Long Nineteenth Century* Eftychia Papanikolaou,Markus Rathey,2022-06-21 *Sacred and Secular Intersections in Music of the Long Nineteenth Century* Church Stage and Concert Hall explores interconnections of the sacred and the secular in music and aesthetic debates of the long nineteenth century The essays in this volume view the category of the sacred not as a monolithic attribute that applies only to music written for and performed in a religious ritual Rather the sacred is viewed as a functional as well as a topical category that enhances the discourse of cross pollination of musical vocabularies between sacred and secular compositions church and concert music Using a variety of methodological approaches the contributors articulate how sacred and religious identities coalesce reconcile fuse or intersect in works from the long nineteenth century that traverse an array of genres and compositional styles **Dickens, Journalism, Music** Robert Terrell Bledsoe,2012-02-23 *Dickens Journalism Music* presents the first full analysis of the articles on music published in the two journals conducted by Charles Dickens *Household Words* and its successor *All the Year Round* Robert Bledsoe examines the editorial influence of Dickens on articles written by a range of writers and what it reveals about his own developing attitude to music and its social role in parks community singing groups music halls and on the streets The book also looks at the difference between the two journals and how the greater coverage of classical music and opera in *All the Year Round* reflects the increasing importance of music to Dickens in his later life Literature ,1899 **Silas Bronson Library Bulletin** Silas Bronson Library,1901 **Silas Bronson Library, Waterbury, Conn** Silas Bronson Library (Waterbury, Conn.),1900
