insurrection and its foreign allies determined to relieve the besieged beastfolk population and put an end to the civil war But the frantic Lady Lydia Leinster races ahead burning her way through every obstacle in her desperation to learn the fate of her missing partner Allen As she spirals out of control her growing power threatens to incinerate her humanity along with her enemies Only the combined efforts of Lydia s friends and Allen s students stand a chance of restoring the rampaging swordswoman to her senses before it s too late but their undertaking won t amount to much if the rebellion s last gasp destroys the city with them in it The upheaval in the kingdom is drawing to a close and it will take the birth of a new legend to make its end anything but tragic

Art of Shadows Chris Tirrell,2021-03-30 Art of Shadows is set after a great war that ended in the Kingdom of Tokai The kingdom is currently experiencing a time of peace but in an age of kings that are determined to keep power all are skeptical of one another Soldiers that fought bravely in the Talarian War now that the war has ended find themselves without a steady income and many have turned into swords for hire These men and women are champions to the people but are often looked down upon by the ruling families of the land Our story follows Michael Starr and his companions as they adjust to a life of mercenary work after returning home from war Their friendships and loyalties will be tested as Lord Vermidius rises to power and seeks to claim the Serenity Palace as his own Old friendships are renewed and new friendships are made in the struggle to hold the dark lord at bay And an old power long forgotten that brings nothing but chaos and destruction is waiting in the darkness for the right time to be awakened and unleashed once again onto the world The art of shadows waits for the one to be joined with the Blood Empress so darkness can once again reign supreme over the lands
