Qiuyugong,2019-12-30 He has no sturdy figure no handsome face and no dazzling family property so he is not surprised that he is despised by some girls but he doesn t care For him saving his tribe is the most important thing Although he is just a humble guard he firmly believes that he has the ability to help the tribe get out of trouble He sought a solution from a fairy

and she told him that in order to save the people he must first purify and conquer the negative emotions in his heart and accept the trials given to him by God He resolutely embarked on this destined arduous and long journey About the Author Chun Qiu Yu Gong an outstanding online novelist has authored many novels with various styles and his representative works include Security Guard s Romance and so on His novels are welcomed by everyone for his fascinating storyline German Anti-Nazi Espionage in the Second World War Jonathan Gould,2018-09-03 This book tells the dramatic story of the recruitment and training of a group of German communist exiles by the London office of the Office of Strategic Services for key spy missions into Nazi Germany during the final months of World War II The book chronicles their stand against the rise of Hitler in 1930s that caused them to flee Germany for Czechoslovakia and then England where they resettled and awaited an opportunity to get back into the war against the Nazis That chance would arrive in late 1944 when the OSS recruited them for these important missions which became part of the historic German Penetration Campaign Some of the German exiles carried out successful missions that provided key military intelligence to the Allied armies advancing into Germany while others suffered untimely deaths immediately upon the dispatch of their missions that still raise troubling issues And based on declassified East German government files this book also reveals that notwithstanding the US military alliance with the Soviet Union a few of the German communist exiles betrayed the trust that the OSS had placed in them by working with a secret spy network in England that enabled its agents to receive top secret mission related information and OSS sources and methods That spy network was run by the GRU the Red Army military intelligence service This is the same intelligence service that has just been cited by US law enforcement officers as having hacked into computers run by the Democratic National Committee and launched a social media campaign in order to influence the outcome of the 2016 U S presidential election While the dual loyalties of the German exiles later became known to the United States military such knowledge did not prevent it from posthumously awarding military decorations to the men who led these missions Until that day no German national had ever been presented with such medals for their service to the Allied armies in World War II
