The Hurricane Sisters Dorothea Benton Frank, 2014-06-03 Hurricane season begins early and rumbles all summer long well into September Often people's lives reflect the weather and The Hurricane Sisters is just such a story Once again New York Times bestselling author Dorothea Benton Frank takes us deep into the heart of her magical South Carolina Lowcountry on a tumultuous journey filled with longings disappointments and finally a road toward happiness that is hard earned There we meet three generations of women buried in secrets The determined matriarch Maisie Pringle at eighty is a force to be reckoned with because she will have the final word on everything especially when she's dead wrong Her daughter Liz is caught up in the classic maelstrom of being middle age and in an emotionally demanding career that will eventually open all their eyes to a terrible truth And Liz's beautiful twenty something daughter Ashley whose dreamy ambitions of her unlikely future keeps them all at odds Luckily for Ashley her wonderful older brother Ivy is her fierce champion but he can only do so much from San Francisco where he resides with his partner And Mary Beth her

dearest friend tries to have her back but even she can't talk headstrong Ashley out of a relationship with an ambitious politician who seems slightly too old for her. Actually Ashley and Mary Beth have yet to launch themselves into solvency. Their prospects seem bleak. So while they wait for the world to discover them and deliver them from a ramen-based existence, they placate themselves with a hare-brained scheme to make money, but one that threatens to land them in huge trouble with the authorities. So where is Clayton Liz's husband? He seems more distracted than usual. Ashley desperately needs her father's love and attention, but what kind of a parent can he be to Ashley with one foot in Manhattan and the other one planted in indiscretion? And Liz, who's an expert in the field of troubled domestic life, refuses to acknowledge Ashley's precarious situation. Who's in charge of this family? The wake-up call is about to arrive. The Lowcountry has endured its share of war and bloodshed like the rest of the South, but this storm season we watch Maisie, Liz, Ashley, and Mary Beth deal with challenges that demand they face the truth about themselves. After a terrible confrontation, they are forced to rise to forgiveness, but can they establish a new order for the future of them all? Frank, with her hallmark scintillating wit and crisp insight, captures how a complex family of disparate characters and their close friends can overcome anything through the power of love and reconciliation. This is the often hilarious, sometimes sobering, but always entertaining story of how these unforgettable women became The Hurricane Sisters.

Feminist Activism in the Post-2010s Sinosphere Elisabeth L. Engebretsen, Jinyan

Zeng, 2024-12-12 Bringing together scholars and scholar activists from a wide range of disciplines, this groundbreaking book delves into the diversity and vibrancy of feminist activism in Xi-era China. Feminist Activism in the Post-2010s Sinosphere examines a variety of urgent feminist issues in 21st-century China, including the MeToo movement, online misogyny, feminism in popular media, and the experiences and rights of queer trans and ethnic minority groups. The chapters explore shifting dynamics between state feminism, NGO and grassroots movements, the intersection of academia and intellectual discourse, the interplay of art and activism, the increasing reliance on digital media platforms, and the evolving re-formations of transnational and diasporic alliances alongside their creative strategic practices. Drawing on timely research and situated knowledges, the contributors offer innovative and provocative perspectives supported by nuanced conceptual frameworks and rich empirical data. What are the specific characteristics of feminist activism grounded in the Sinosphere and Chinese contexts today? How is violence analyzed through an intersectional lens, and how do feminist engagements respond to precarity in the context of a pandemic and authoritarian governance? This anthology is an insightful and stimulating read for anyone interested in intersectional feminist mobilizations, contemporary Sinophone and Chinese society and politics, and LGBTQ studies.
