Hanuman's Tale Philip Lutgendorf, 2007-01-11 Hanuman the devoted monkey helper of Rama and Sita has long been recognized as a popular character in India's ancient Ramayana epic. But more recently he has also become one of the most beloved and worshiped gods in the Hindu pantheon enshrined in majestic new temples but equally present in poster art, advertising and mass media. Drawing on Sanskrit and vernacular texts, classical iconography and modern TV serials and extensive fieldwork and interviews, Philip Lutgendorf challenges the academic cliché of Hanuman as a minor or folk deity by exploring his complex and growing role in South Asian religion and culture. This wide-ranging study examines the historical evolution of Hanuman's worship, his close association with Shiva and goddesses, his invocation in tantric ritual, his physical immortality and enduring presence in sacred sites and his appeal to devotees who include scholars, wrestlers, healers, politicians and middle-class urbanites. Lutgendorf also offers a rich array of entertaining stories not previously available in English, an expanding epic cycle that he christens the Hanumayana. Arguing that Hanuman's role as cosmic middle man is intimately linked to his embodiment in a charming and provocative simian form, Lutgendorf moves beyond the Indian subcontinent to interrogate the wider human fascination with anthropoid primates as boundary beings and as potent signifiers of both Self and Other.

The Origins of Evil in Hindu Mythology Wendy Doniger, Wendy Doniger O'Flaherty, 1988 This work deals at length with various theories about religion prevalent at the time when Megasthenes visited India. Very interesting and scholarly views have been put forth regarding investigations of Megasthenes, their reliability and the reliability of his reporters.

The Star-Touched Queen Roshani Chokshi, 2016-04-26 A lush and vivid story steeped in Indian folklore and mythology, Roshani Chokshi's *The Star-Touched Queen* is a novel that no reader will soon forget. An instant New York Times bestseller, *Fate and Fortune* is a story of power and passion. What does it take to be the queen of a kingdom when you're only seventeen? Maya is cursed with a horoscope that promises a marriage of Death and Destruction; she has earned only the scorn and fear of her father's kingdom. Content to follow more scholarly pursuits, her whole world is torn apart when her father, the Raja, arranges a wedding of political convenience to quell outside rebellions. Soon Maya becomes the queen of Akaran and wife of Amar. Neither role is what she expected. As Akaran's queen, she finds her voice and power. As Amar's wife, she finds something else entirely: Compassion, Protection, Desire. But Akaran has its own secrets: thousands of locked doors, gardens of glass and a tree that bears memories instead of fruit. Soon Maya suspects her life is in danger. Yet who besides her husband can she trust? With the fate of the human and Otherworldly realms hanging in the balance, Maya must unravel an ancient mystery that spans reincarnated lives to save those she loves the most, including herself.
