Social Policy in a Developing World Rebecca Surender, Robert Walker, 2013-01-01 This volume makes a valuable contribution to the dynamic and expanding field of scholarship on social policy in developing countries In combining analytical frameworks used in comparative social policy analysis with an examination of key areas of policy and provision in selected countries it will be a key resource for anyone interested in current debates in international social policy and welfare Nicola Yeates Open University UK There is increasing interest in the significance of social policy in the management of welfare and risk in the developing world This volume provides a critical analysis of the challenges and opportunities facing social protection systems in the global south and examines current strategies for addressing poverty and welfare needs in the region In particular the text explores the extent to which the analytic models and concepts for the study of social policy in the industrialised North are relevant in a developing country context The volume analyses the various institutions actors instruments and mechanisms involved in the welfare arrangements of developing countries and provides a study of the contexts development and future trajectory of social policy in the global South The book s comparative and interdisciplinary approach will be of interest to anyone involved in social policy research and analysis and current welfare debates **A**

Handbook of Comparative Social Policy, Second Edition Patricia Kennett, 2013-01-01 This extensively revised edition of A Handbook of Comparative Social Policy provides up to date and valuable insights on key concepts and issues such as globalization crime diversity housing child poverty gender inequality and social policy regimes To write about these topics editor Patricia Kennett has gathered an excellent team of researchers who deal with both the developing and the advanced industrial world Students of comparative social policy would benefit from engaging with this illuminating Handbook Daniel Bland Johnson Shoyama Graduate School of Public Policy Canada The current context of social policy is one in which many of the old certainties of the past have been eroded The predominantly inward looking domestic preoccupation of social policy has made way for a more integrated international and outward approach to analysis which looks beyond the boundaries of the state It is in this context that this Handbook brings together the work of key commentators in the field of comparative analysis in order to provide comprehensive coverage of contemporary debates and issues in cross national social policy research Organized around five themes this thoroughly revised and updated second edition explores the contextual conceptual analytical and processual aspects of undertaking comparative social research The contributions highlight specific areas of comparative social policy including child poverty and well being patterns of housing provision and housing

inequalities and social protection in East Asia as well as crime and criminology in a global context The authors of the Handbook explore continuing and emerging themes as well as issues which are of particular relevance to understanding the contemporary social world International in scope this authoritative Handbook presents original cutting edge research from leading specialists and will become an indispensable source of reference for anyone interested in comparative and international social research It will also prove a valuable study aid for undergraduate and postgraduate students from a range of disciplines including social policy sociology politics urban studies and public policy

Development and Social Policy Christian Aspalter, Kenny Teguh Pribadi, 2016-12-19 In recent years government and policymakers around the world have shifted their attention away from money oriented supply side economics to institutional economics and people oriented social and economic development Issues such as poverty reduction win win solutions and strategies in social policy and their implementation universalization and a variety of new large scale conditional cash transfers programs have become ever present in the global discussion about development and social policy This book provides win win strategies for social policies on the ground as developed and put forward by the normative theoretical paradigm of Developmental Social Policy DSP Taking the state of the art general development theory as a starting point of reference and discussion it goes on to discuss in detail the key win win strategies that form the basis and core of the DSP paradigm It examines key related issues such as the performance of provident fund systems the performance of conditional cash transfer systems especially their elements that are based on asset and means testing universalism and extension in social security provision in the context of especially developing countries and non economically targeted social welfare benefits and services Providing fully fledged theoretical guidance paired with key social policy strategies and solutions it will be highly valuable for students and scholars of social policy development studies and Asia Pacific studies

Social Welfare for a Global Era James Midgley, 2016-02-03 Written by internationally renowned author and scholar James Midgley Social Welfare for a Global Era provides a comprehensive framework for examining social welfare from a global perspective Drawing on a large body of literature and his own extensive knowledge of the field Dr Midgley offers students scholars and practitioners an up to date account of the complex ways social well being is enhanced in the global era including the major welfare institutions that provide a cultural context for social welfare policy and practice

Social Development James Midgley, 2013-11-13 Walking through social development s key theoretical principles and practice strategies this book shows how it promotes peoples wellbeing not only in the Global South where it first emerged but in the Western countries as well It covers Definitions and an historical evolution of social development Key theoretical debates around social well being human rights and social justice Social development practice such as human capital interventions community development and cooperatives asset building employment creation policies and programmes microenterprises and social planning among others Future challenges global poverty international aid and trade and global inequality conflict and injustice Complete with international examples drawn from around the world Social

Development Theory and Practice demonstrates how social development theory translates into practical application This book is essential reading for students in development studies social policy public administration and social work and for policymakers and development practitioners everywhere James Midgley is the Harry and Riva Specht Professor of Public Social Services at the School of Social Welfare University of California Berkeley [Social Policy and Change in East Asia](#) James Lee,Yapeng Zhu,James Midgley,2013-12-11 Social Policy and Change in East Asia is a collection of essays from a group of indigenous East Asian social policy researchers who met bi annually to discuss social development issues The book s focus is the policy responses of respective East Asian government since the 2008 financial tsunami struck the region Together the essays in Social Policy and Change in East Asia argue that traditional social policy approach has failed to account for the problem of economic volatility and to devise policy measures that can promote long term stability Avoiding a static and Eurocentric approach the authors of this book seek to unravel the meaning of the social development approach in various policy contexts This book supports a dynamic understanding of social policy formulation that does not neglect the problem of economic turbulence in policy and planning **Social Policy In A Non-democratic Regime** Gil Shidlo,2019-07-11 This book had its origins in my doctoral research at the London School of Economics It developed more rapidly than expected thanks to the good will and collective efforts of various people and institutions who provided help and support material intellectual and moral throughout four years at the LSE and two years at Tel Aviv University I am most grateful to George Philip and Patrick Dunleavy who have patiently read the many drafts and offered their comments and suggestions at various stages of this work I would also like to thank Peter Dawson who during my early days at the LSE as a research and MSc student supervised advised and above all encouraged my intentions to carry out research on developing countries Henrique Rattner of the Fundacao Getulio Vargas provided me not only with technical support but also introduced me to the complex Brazilian bureaucracy Gabriel Bolaffi of the Faculty of Architecture and Urbanism at the University of Sao Paulo made it possible for me to gain access to the otherwise restricted public housing agencies I also extend my gratitude to the officials at COHAB SP CODESPAULO INOCOOP and the BNH in Rio de Janeiro and Sao Paulo who spared precious time to be interviewed and supplied me with published and unpublished documents The IPT Sao Paulo Institute of Technological Research provided the primary material on Itaquera and enabled me to use their computing facilities and process the data Special thanks are due to Ros Mari Kaupatez The friends we made in Sao Paulo whose welcome and warmth surpassed all expectations made a long stay more bearable This project could not have been carried out without the moral and financial support of both my grandfather and my parents who took a deep interest in my studies and encouraged me during difficult periods A debt of thanks is also owed to the Publication Committee of the London School of Economics especially P C Davis Anthony Hall s comments were very valuable Thanks are due to the Faculty of Social Sciences and the Department of Political Science at Tel Aviv University for financial help in preparing this work for publication Finally this study is dedicated

to my wife Sarah who interrupted her studies to accompany me to Brazil and helped me in ways I cannot adequately acknowledge

International Encyclopedia of Social Policy Tony Fitzpatrick, Huck-ju Kwon, Nick Manning, James Midgley, Gillian Pascall, 2013-07-04 Available in paperback for the first time this milestone work offers an in depth treatment of all aspects of the discipline and practice of social policy globally Supported by a distinguished international advisory board the editors have compiled almost 900 000 words across 734 entries written by 284 leading specialists to provide authoritative coverage of concepts policy actors welfare institutions and services along a series of national regional and transnational dimensions Also included are biographical entries on major policy makers and shapers The editors have particularly striven to provide strong coverage of differing geographical and cultural traditions so that the variety of social policy as both an academic discipline and a domain of governance is reflected Contributors draw in and make the necessary connections with social policy s associated disciplines to provide a rich picture of this vast and highly diverse field Comprehensive and authoritative the Encyclopedia has sought to open up rather than to foreclose the numerous areas in which there is on going research debate and sometimes serious disagreement and divergence in theory and practice To this end entries attempt to introduce a core or common ground of understanding before moving on to a wider discussion of debates regarding different conceptual and geographical approaches The whole is integrated by cross referencing and each entry includes a bibliography for further reading There is a full index The International Encyclopedia of Social Policy provides the most substantial mapping of the international study and practice of social policy to date and will stand as a vital storehouse of knowledge for many years to come

[Advanced Introduction to Social Protection](#) Midgley, James, 2022-03-08 Written by James Midgley a leading authority on international social policy and social development this Advanced Introduction offers a concise readable and wide ranging overview of how protection schemes such as social assistance social insurance employer mandates and social allowances promote social welfare by meeting peoples income needs and improving their living standards It defines the field traces its historical evolution discusses the contribution of theories and ideologies and examines its impact on poverty

Wisdom, Knowledge, and the Postcolonial University in Thailand Zane Ma Rhea, 2016-12-08 This book examines Thai knowledge and wisdom from the perspective of postmodern postcolonial globalization Ma Rhea explores the ways in which the Thai university system attempts to balance old knowledge traditions Buddhist and rural with new Thai and imported knowledge It traces the development of Thai university partnerships with outsiders focusing on the seventy year relationship between Thailand and Australia In comparison it analyses the old Thai Buddhist wisdom tradition and in the final chapters proposes its worthiness as a pedagogical pathway for universities globally

Constructing and Reconstructing Childhood Allison James, Alan Prout, 2015-05-08 When the first edition of this seminal work appeared in 1990 the sociology of childhood was only just beginning to emerge as a distinct sub discipline Drawing together strands of existing sociological writing about childhood and shaping them into a new paradigm the original

edition of this Routledge Classic offered a potent blend of ideas that informed even inspired many empirical studies of children's lives because it provided a unique lens through which to think about childhood. Featuring a collection of articles which summarised the developments in the study of childhood across the social sciences including history psychology sociology anthropology feminist and developmental studies scholars and professionals from developed and developing countries world wide shared their knowledge of having worked and of working with children. Now with a new introduction from the editors to contextualise it into the 21st century this truly ground breaking text which helped establish childhood studies as a distinctive field of enquiry is being republished.

Politics of Occupation-Centred Practice Nick Pollard, Dikaïos Sakellariou, 2012-03-29
POLITICS OF OCCUPATION CENTRED PRACTICE Reflections on occupational engagement across cultures
Politics of Occupation Centred Practice Reflections on occupational engagement across cultures addresses the cultural aspects of occupational identity and draws out the implications for practice moving beyond the clinical environment to include the occupational therapist's work in the wider community. It explores the development of individual occupational narratives community traditions and their roots in everyday experiences offering a range of examples from distinctive populations to demonstrate approaches to forming sustainable occupational engagements. Chapters span such key areas as Experiences of Disaster Social Inclusion Disability and Participation and Sexuality Disability Cultures and Occupation. This cutting edge text coordinated by two distinguished researchers and educators in the global field of occupational therapy and science is designed to meet the needs of students studying the conceptual foundations of occupational therapy occupational science role emerging practice occupational justice community development and community based rehabilitation. The book will also be of interest to academics and practitioners exploring new practice contexts created by the drive to address the diversity and inclusion agenda.

Global Crossroads in Social Welfare Élieth P. Éyébiyi, Peter Herrmann, Veronica Sheen, 2010
This volume brings together a cross section of papers presented at the 33rd International Council of Social Welfare ICSW conference in Tours France in July 2008. The contributions raise important topics offering great insight into the multiplicity of ways that nations and communities are responding to the challenges of globalisation as well as internal demands for greater social justice and equality as well as mechanisms for civil society. Social Work and Social Welfare Yearbook Pam Carter, Mark K. Smith, Tony Jeffs, 1989
Social Welfare in Global Context James Midgley, 1997-03-26
James Midgley provides a broad overview of social welfare outlining key institutions terminology historical research and approaches. He also details reasons for the existence of international social welfare and the challenges that arise from it. The author includes an important section on applied international social welfare that addresses the concerns of practitioners concerns that have been neglected in much of the literature in the field. An entire section of the book is devoted to issues of social work practice social development the activities of international agencies and their collaborative efforts. While practical application is an

important focus of the book several chapters deal with key theoretical debates in the field The author also includes descriptive chapters that provide comprehensive accounts of world social conditions and social welfare institutions As a textbook on international social welfare Social Welfare in Global Context is primarily intended for students and practitioners of social work social administration and social policy But it is also relevant for students of sociology public policy and economics

Colonialism and Welfare James Midgley, David Piachaud, 2011-01-01 The British Empire is part covered three centuries five continents and onequarter of the world s population Its legacy continues shaping the societies and welfare policies of much of the modern world In this book for the first time this legacy is explored and analysed Colonialism and Welfare reveals that social welfare policies often discriminatory and challenging to those colonised were introduced and imposed by the mother country It highlights that there was great diversity in rationales and impacts across the empire but past developments had a major impact on the development of much of the world s population Contributions from every continent explore both the diversity and the common themes in the imperial experience They examine the legacy of colonial welfare a subject largely neglected by both historians of empire and social policy analysts This original book shows that social welfare today cannot be understood without understanding the legacy of the British Empire Academics specialised students with an interest in comparative social policy history of social policy imperial history colonialism and contemporary third world social policy will find this book invaluable to their studies
