## **Social Learning Practice In Residential Child Care:**

**Social Learning Practice in Residential Child Care** Barrie Brown, Marilyn Christie, 2014-05-20 Social Learning Practice in Residential Child Care aims to identify the theoretical and methodological basis for social learning practice to describe examples of the practical applications of the social learning model and to consider some of the issues and problems in implementing these practices with children in care Organized into 10 chapters this book first discusses the social learning practice including its model environment and basic principles Subsequent chapters focus on observing and recording behavior a social learning approach to assessment an example of assessment practice methods and reinforcers A case study example of social learning practice in a group setting is then shown The last chapters explain extending a social learning program to the family and preparing and supporting staff using social learning practices **Current Catalog** National Library of Medicine (U.S.), **National Library of Medicine Current Catalog** National Library of Medicine (U.S.),

Residential Child Care in Practice Smith, Mark, Fulcher, Leon, Peter Doran, 2013-02-13 This highly practical book written by experienced practitioners and academics is a core text about the practice of residential childcare where workers and children share a common lifespace *Existentialism and Social Work* Neil Thompson, 2017-09-29 Existentialism and Social Work provides a clearly expressed and well argued exposition of Sartrean existentialism as a theory base for social work practice It introduces the key concepts and themes of the philosophy and relates them to social welfare theory and practice Existentialism is a valuable means of making sense of many of the complexities contradictions and dilemmas which social work staff encounter The book explores the relationship between theory and practice and examines how existentialism can help to bridge the gap A number of theoretical perspectives are evaluated from an existentialist perspective and links are drawn between Sartre's philosophy and aspects of commonly used theories and methods But this is not simply a theoretical analysis Neil Thompson also explores the use of existentialism as a guide to day to day practice and draws up a set of Principles for Practice The ultimate aim is to present existentialism as a concrete philosophy of praxis *Residential and Boarding Education and Care for Young People* Ewan W. Anderson, 2005 Based on the latest research and reflecting the national drive towards evidence based standards this book offers a model which can be readily applied to training assessment of standards inspections and research and development Family Matters Alfred White Franklin, 2013-10-22 Family Matters Perspectives on the Family and Social Policy covers the proceedings of the Symposium on Priority for the Family The book examines how a family might be strengthened and how any stresses society imposes on the family might be lightened The text consists of 20 chapters and discusses several issues concerning the family as a social unit such as environmental factors socio economic stress housing conditions poverty unemployment and the lack of options The book will be of great interest to readers concerned with the implications of social norms and standards for the family as a social unit

**Disruptive Pupil Management** Delwyn Tattum, 2022-05-29 First published in 1986 Disruptive Pupil Management

presents a comprehensive overview of the disruptive behaviour in schools in the light of the Elton Report The emphasis of this book is that a preventative approach to the problem is a more valid response than this crisis management approach which results in pupils being sent to special units The book therefore stresses the importance of schools managing their own techniques and interpersonal skills rather than schools importing solutions This book is a must read for all educationists teachers and researchers of primary and secondary education
