Ma, 2010-04-01 What would happen when the Christian message is introduced to various groups of people How would their contexts and worldviews influence their responses to the message To this age old missiological question the study takes the readers to a narrowed and concerted question What is the effect of Pentecostal messages on animistic people or in other words What are results when the Holy Spirit meets the spirits of the tribal people Julie Ma chose the Kankanaey tribe in the northern Philippines to prove that the Pentecostal type of Christian has invited a very positive response from the Kankanaeys She approaches the matter from historical anthropological and theological

perspectives This may challenge the readers to look more closely at the phenomenal Pentecostal movement especially with their potential for mission She also urges her fellow Pentecostals to be more appreciative of their heritage and to fully appropriate it to reach the end of the earth

Subject Guide to Books in Print ,1971 **The British National Bibliography** Arthur James Wells,2001 Minutes, ... Biennial Convention of the Lutheran Church in America Lutheran Church in America. Convention,1978 The Workers are Few J. Alexander Rutherford,2025-01-31 By all indications the Western Church is facing a crisis of pastoral ministry Pastoral ministry is on a trajectory of decline despite the fact that God has opened a massive mission field on our doorstep a mission field that requires workers Moreover we continue to export the same model of ministry to the global Church inviting them to join us in the state of crisis In Matthew 9 37 38 Jesus invites his disciples to consider the vast harvest of souls God has prepared a harvest awaiting workers If we want to see our churches healthy and our neighbours come to know Jesus we must be interested in God s work to prepare workers for the harvest This book is an attempt to repair what is broken to contribute to the repair of pastoral ministry I am convinced that no problem is more urgent to the church globally than this one yet I am also convinced the solution to this problem is quite simple This book argues that our crisis is the result of swapping the biblical vision of pastoral ministry for a poor substitute and our failure to raise disciples in our local church Part 1 identifies significant reasons why we are in a crisis Part 2 lays a biblical foundation for rebuilding a biblical model of pastoral ministry and Part 3 shows how this foundation can be built upon in the life of a local church
