learners can succeed in today's more rigorous classrooms but how Unlocking English Learners Potential is all about the how How to scaffold ELs instruction across content and grade levels How to promote ELs oral language development and academic language How to help ELs analyze text through close reading and text dependent questions How to build ELs background knowledge How to design and use formative assessment with ELs Along the way you'll build the collaboration advocacy and leadership skills that we all need if we're to fully support our English learners After all any one of us with at least one student acquiring English is now a teacher of ELs Schools are not intentionally equitable places for English learners to achieve but they could be if the right system of support were put in place Diane Staehr Fenner and Sydney Snyder recommend just such a system Not only does it have significant potential for providing fuller access to the core curriculum it also provides a path for teachers to travel as they navigate the individual needs of students and support their learning journeys Douglas Fisher Coauthor of Visible Learning for Literacy

Making Disability Modern Bess

Williamson, Elizabeth Guffey, 2020-07-23 Making Disability Modern Design Histories brings together leading scholars from a range of disciplinary and national perspectives to examine how designed objects and spaces contributes to the meanings of ability and disability from the late 18th century to the present day and in homes offices and schools to realms of national and international politics The contributors reveal the social role of objects particularly those designed for use by people with disabilities such as walking sticks wheelchairs and prosthetic limbs and consider the active role that makers users and designers take to reshape the material environment into a usable world But it also aims to make clear that definitions of disability and ability are often shaped by design *IJER Vol 2-N1* International Journal of Educational Reform, 1993-01-01 The mission of the International Journal of Educational Reform IJER is to keep readers up to date with worldwide developments in education reform by providing scholarly information and practical analysis from recognized international authorities As the only peer reviewed scholarly publication that combines authors voices without regard for the political affiliations perspectives or research methodologies IJER provides readers with a balanced view of all sides of the political and educational mainstream To this end IJER includes but is not limited to inquiry based and opinion pieces on developments in such areas as policy administration curriculum instruction law and research IJER should thus be of interest to professional educators with decision making roles and policymakers at all levels turn since it provides a broad based conversation between and among policymakers practitioners and academicians about reform goals objectives and methods for success throughout the world Readers can call on IJER to learn from an international group of reform implementers by discovering what they can do that has actually worked IJER can also help readers to understand the pitfalls of current reforms in order to avoid making similar mistakes Finally it is the mission of IJER to help readers to learn about key issues in school reform from movers and shakers who help to study and shape the power base directing educational reform in the U S and the world

Academic Vocabulary Level 3--Adding Decimals Christine Dugan, 2014-02-01 This lesson integrates academic

vocabulary instruction into content area lessons Two easy to implement strategies for teaching academic vocabulary are integrated within the step by step standards based mathematics lesson **Inventors and Inventions** Lorraine Hopping Egan,1997 Presents reproducible cross curricular activities for grades four through eight on historic and modern inventions and inventors and includes ideas for student inventions *Engaging the Families of ELLs* Renee Rubin,John Sutterby,Michelle Abrego,2013-07-23 Learn how to involve the diverse families of English language learners with the effective practical approaches in this book This must have resource for teachers and school leaders is packed with fresh ideas geared toward building a partnership between school communities and ELL families The authors begin each chapter with realistic scenarios that commonly arise with ELL families They offer activities designed to assess current practices investigate family perceptions and expectations overcome challenges and improve communication The strategies in this book help you engage families at school and at home in innovative and successful ways Organized with the busy educator in mind the book can be read straight through or section by section to best fit your specific needs As a bonus every chapter concludes with a wealth of useful resources on every topic As the demographics of America s schools continue to grow and change this book guides you to building a school community in which every family can thrive The Bonds of Brotherhood Bob Mitchell,2023-08-15 The Bonds of Brotherhood begins with an act of vandalism at a prestigious English private school A statue in honor of the school s founder is defaced sparking the curiosity of a group of perceptive ninth graders Was this a routine property crime or a political statement gone wrong This is a fresh take on the classic boarding school novel Stimulating critical thinking for teenagers in an age of cancel culture the tale is told with gentleness and plenty of humor The British boarding school setting is the perfect environment to critique elitism and pomposity and to revisit some of the darker shadows of history Underneath this story is the biblical notion of our shared value and humanity Important motifs about inequality slavery exclusion and bullying pervade the text Strong Christian voices come from the main protagonist Edwin Fothergill and the school s chaplain goodness generosity and kindness prevail Disciplinary: Functional Linguistic and Sociological Perspectives Frances Christie,Karl Maton,2011-02-03 Disciplinary knowledge is under threat in the modern world Claims abound that we are entering a landscape in which the division of disciplines is obsolete implying a commitment to outdated values in scholarship Notions of discipline are critiqued as reflecting social power and representing the worldview of dominant social groups By addressing and challenging such claims this edited collection argues that proclamations of the death of disciplines have been greatly overstated Not only are the notions of disciplinarity still important for understanding how we come to know the world but this volume demonstrates how significant disciplinarity is to understanding different forms of knowledge if we wish to improve the building of knowledge and educational practice Using analytical tools from systemic functional linguistics theory and social realist sociology this volume illustrates how different disciplines can collaborate and cross fertilize successfully without losing their distinctive insights and disciplinary

integrity The subsequent theory developed will thereby extend both linguistic and sociological approaches to the topic and make a major contribution to educational theory
