Social Work And The Third Way Tough Love As Social Policy:

Social Work and the Third Way Bill Jordan, 2000-10-23 This lively book critiques New Labour assumptions and implementation of policies related to citizenship communities and welfare reform and the implications of current developments for social work Focusing explicitly on the UK the book nevertheless draws on examples and comparisons from other countries including notably Australia and the US but also countries in the EU and Central and Eastern Europe and some of the concerns and arguments will be appreciated by readers elsewhere International Social Work This book is a well written contribution to both the British Third Way debate and the welfare state literature The book will appeal to upper level undergraduates as well as scholars of British politics and the welfare state Political Studies Jordan begins by establishing New Labour's suspicion of local government framing its policy on welfare Fundamentally there exists a need for social workers to educate themselves as to the nature of this social experiment which New Labour has embarked upon It challenges social workers to be aware This is an interesting and at times challenging book reiterating the history and roots of current ideology within government The work is grounded in a contemporary context of social services and social work practice challenging the withdrawal of social work behind a barrier of managerialism budget control form filling into office based assessment and rationing Finally it offers a satisfying critique to the dominant hegemonic of evidence based practice arguing for research at the level of means rather than the technical Jordan similarly argues in his conclusion that all of the government white papers guidelines etc indicate a lack of clarity of purpose and method social work should retain its belief in a human and creative activity which engages with people's emotions as well as their rights and obligations British Journal of Social Work The New Labour government in the UK is committed to a programme of reform of the welfare state that will pull away safety nets and replace them by trampolines to bounce citizens back into active participation Its regime of tough love will make more demands on those claiming benefits and services as well as clamping down on dependency fraud and crime This will be done by changing the culture of welfare agencies towards promoting achievement and independence as well as meeting genuine need In *Social Work and the Third Way* Bill Jordan provides an accessible and lively analysis of the tensions between toughness and love in the Third Way's political philosophy and the problems of implementing New Labour's programme He looks at the government's reliance on face to face methods for activating citizens and changing their behaviour in many of its initiatives On the one hand New Labour places a surprising amount of faith in the ability of counsellors and advisers to bring about the changes it requires yet it is highly suspicious of the public sector in general and local authorities in particular as part of the forces of conservatism in the UK Hence it spawns new agencies and projects often with a strong enforcement ethos and regulates the whole implementation process through strict top down surveillance In all this professional social work and local authority social services are relegated to a tightly circumscribed role in social care The author argues for a new more generous and expansive approach to practice which can do justice to the challenges

of change under New Labour's regime and in doing so Social Work and the Third Way provides an important and topical contribution to the debate on the future of the Welfare State and will be essential reading for students and researchers in social work social policy and politics *Social Work and Social Policy under Austerity* Bill Jordan, Mark

Drakeford, 2012-12-14 What has the contemporary financial context meant for social policy social work and the relationship between them Examining the role of political economic and societal forces this lively book uses a full range of supportive features to encourage reflection on the impact of austerity on different social groups social work and social care

Reclaiming Social Work Iain Ferguson, 2007-12-12 Reclaiming Social Work is a thought provoking and innovative book which examines how social work's commitment to social justice has been deepened and enriched by its contact with wider social movements It explores the tensions between social work values and a market driven agenda and locates new resources of hope for the social work profession in the developing resistance to managerialism The book discusses pertinent social work issues such as inequality and risk the voluntary sector and service user involvement examines values such as democracy solidarity accountability participation justice equality liberty and diversity is written in an accessible style drawing on diverse examples to illustrate theoretical concepts Reclaiming Social Work is an accessible yet challenging book and will be essential reading for all social work students and practitioners wanting to think outside the boundaries of their profession The book will be particularly helpful to students taking courses in anti oppressive practice social work values social work theories and concepts and international social work Iain Ferguson is a Senior Lecturer in Social Work at the University of Stirling Previous publications include Rethinking Welfare A Critical Perspective SAGE 2002 co authored with Michael Lavalette and Gerry Mooney Globalisation Global Justice and Social Work Routledge 2004 co edited with Michael Lavalette and Elizabeth Whitmore and International Social Work and the Radical Tradition Venture Press 2007 co edited with Michael Lavalette *Doing Radical Social Work* Colin Turbett, 2014-01-27 This is the first book to provide social workers with an applicable model for radical practice Through examining the current state of social work in the UK and looking at the radical approaches that have developed over the years this book explores some of the opportunities that exist for a radical social work

Social Work Patricia Higham, 2006-03-23 Comprehensive and user friendly The book is helpfully constructed around a number of key themes starting with a good attempt to define social work from historical and international perspectives and moving on to address key issues concerning the practice knowledge values and skills required from contemporary social work in the UK I believe social work students newly qualified and experienced social workers will find this a valuable resource especially when one is confronted by challenges in practice Professional Social Work Social Work is a good overview that should refresh learner and tutor alike Practice assessors may find this book a useful update for their work with students and also a neat refresher It is a well written and up to date text with a good sense of where future challenges lie for the social work profession in the UK Higham is confident enough to voice the profession's uncertainties as well as

mapping the changing organisational landscape that social workers might populate This book is likely to appear on many social work reading lists It has the potential to provide good learning opportunities for post qualifying as well as pre qualifying training Health and Social Care in the Community The unique aspect of this book which distinguishes it from other competitors is that it is constructed explicitly around the key roles and benchmark statements this book will offer something new and interesting to the growing field of social work education literature and is likely to be relevant to both students and practitioners in the UK and elsewhere Dr Caroline Skehill Queens University Belfast What is the role of social work What does it mean to be a social worker What are the changes affecting social work training Social Work Introducing Professional Practice addresses these questions and provides an understanding of the knowledge values and skills requirements of professional social work The author has played a key role in constructing the subject benchmarks for the social work degree and offers a reflective and thoughtful commentary upon training education and practice Written in a lively and readable style the book captures the essence of the changes sweeping through social work and engages the reader in these debates Key features of this book include Comprehensive content structured around the guidelines for training and practice Bridges the gap between theory and real life practice Student friendly features such as case studies discussion questions further reading and a glossary This exciting publication will be a core textbook for trainee social workers as they progress through the qualifying social work degree or as they begin their practice as newly qualified workers seeking to consolidate their learning

Organisations and Management in Social Work Mark Hughes, Michael Wearing, 2012-11-12 The second edition of *Organisations and Management in Social Work* examines the complex organisational settings in which social workers practice and identifies opportunities for taking action for positive change A robust critique of organisational practices is encouraged throughout the book with an emphasis on active participation in the everyday life of organisations The new edition covers Leadership and supervision Inter agency and inter disciplinary working Ethical practice and decision making Communication and the emotional life of organisations Each chapter includes updated practice examples and reflective questions so readers can apply the knowledge learned to real life practice It will be essential reading for undergraduate and postgraduate students of social work The book will also be a valuable text for front line practitioners and managers wishing to understand the organisational context of social work

Professional Social Work Jonathan Parker, Mark Doel, 2013-11-08 If social work students are to flourish in their careers and go beyond a basic sense of competence in practice it is essential to develop a sense of Professional Self This book will help students develop critical understanding of their own social work practice and the tools and skills required to become a professional social worker It includes Chapters on practising Reflexivity and the importance of Relationships in social work Contributions from leading social work academics A focus on building a professional identity through learning and practice The emphasis is on developing your professionalism and how that journey translates into everyday practice To help this growth there are further chapters on

getting the best from continuing professional development challenging poor practice and professionalism and ethics
Professor Jonathan Parker is Deputy Dean for Research and Enterprise and Director of the Centre for Social Work and Social Policy at Bournemouth University He is currently conducting cross cultural research on learning and practice with colleagues in Southeast Asia Professor Mark Doel is Professor Emeritus in the Centre for Health and Social Care Research at Sheffield Hallam University and a registered social worker Mark's research experience is in the fields of practice education social work practice methods and service user involvement
Reflecting on Social Work - Discipline and Profession Karen Lyons, 2017-03-02 Social work has always been a contested activity and its status as an academic discipline remains uncertain There is currently renewed interest in the theoretical and research dimensions of social work at a time when significant changes in the broad social political and economic context in which practice takes place require a re evaluation of social work's role and a re examination of its identity This timely book brings together leading social work academics to examine the state of social work at the beginning of the 21st century With their focus on the relationships between research theory and practice they reflect critically on the nature of social work as a discipline in higher education and the importance of this to the profession as a whole The book represents an exploratory conversation among social work academics about the current state and future aspirations of the discipline and the profession It aims to stimulate wider debate about the dominant constraints and opportunities for social work in the 21st century
The Post-qualifying Handbook for Social Workers Wade Tovey, 2007 In October 2007 the post qualifying PQ framework for all social workers in England will be transformed and this handbook will supply fundamental guidance for all practising social work professionals and the staff who support them

Social Work Practice with Adults Di Galpin, Natalie Bates, 2009-10-09 Based on the experiences of social work practitioners this book provides a detailed account of contemporary practice issues that can influence social work with adults Written by different authors each chapter covers a range of topical debates from the assessment of needs rights and risk in learning disability services to direct payments and the implementation of individual budgets This book is a useful resource for social work students completing the Consolidation and Preparation for Specialist Practice CPSP programmes and those embarking on the Post Qualifying Specialist Award in Social Work with Adults
Social Work Theories and Methods Mel Gray, Stephen Webb, 2012-12-14 The second edition of this celebrated book by two of the world's leading researchers in social work introduces readers to the main theories theorists and perspectives that contribute to the debate on social work theory and social work methods It brings together some outstanding international researchers in social work to challenge the reader to critically question how they think about social work The new edition includes a focus on the psychosocial perspective with three new chapters on Cognitive behavioural approaches Attachment theory and psychoanalytic social work Ecological approaches Each chapter allows the reader to relate the theories and methods discussed to their own personal experiences This reader friendly book includes student questions glossaries and recommended reading so that students and practitioners

can reappraise and expand the knowledge they have learned This book will be valuable for undergraduate and postgraduate students taking courses in social work theory and research methods social work interventions and perspectives as well as post qualifying students and researchers in social work **The State of Feminist Social Work** Vicky White,2006-09-27

Social work is currently undergoing major change in its policies organization and day to day practice and much has been written about the feminist presence in social work In particular feminist social work has focused on the role of women social workers in developing distinctive forms of practice rooted in a commitment to egalitarian relationships with women service users The State of Feminist Social Work challenges the limitations of this perspective Tracing key ideas in feminist social work from the 1970s through to the present day and using data from interviews with female social workers this book draws out tensions between the literature and the actual experience of female social workers In doing so it highlights the significance for feminists of social work s location in the state enables the experiences of women social workers to be explored and placed within their structural context opens up the possibility of diverse identities identifications and stances amongst women social workers critically examines the current state of feminist social work The State of Feminist Social Work provides an important appraisal of the subject and is essential reading for all those with an interest in feminism and social work theory practice and education Vicious Evil! Virtuous God? Lee Thai,2024-04-30

If God is good and virtuous why is there so much vicious evil in this world Why does God let pain and evil fall on innocent little children Why does he not intervene Where is God when it hurts This groundbreaking book solves an enigma that has plagued humanity since times immemorial Using the concept of tough love Vicious Evil Virtuous God untangles the age old Epicurus s riddle resolves the contemporary problems of evil and provides some practical means to manage the evils in our lives and help others in their suffering Vicious Evil Virtuous God answers our many heart wrenching questions in this vale of suffering brings us comfort in our tribulations and equips us to make a defense for the hope that we share in Christ **The Welfare State and Social**

Work Josefina Figueira-McDonough,2007 Presents an assessment of the historical sociopolitical and economic factors that have influenced social work policy and practice in the United States **Newly Qualified Social Workers** Steven

Keen,Keith Brown,Jonathan Parker,Ivan Gray,Di Galpin,2012-11-08 The first year of practice can be a particularly challenging time for newly qualified social workers This book is therefore essential reading not only for NQSWs entering the workplace but for students on qualifying programmes who wish to develop their skills beyond graduation This new edition draws upon recommendations from the Social Work Reform Board and includes material on the Assessed Year in Practice and how new practitioners working in both Adults and Children and Families settings can get the very best out of supervision

Putting Professional Leadership into Practice in Social Work Peter Scourfield,2018-09-29 The ability to demonstrate professional leadership is a core requirement for social work students and social workers operating at all levels This comprehensive textbook is ideal for any student on a social work course from undergraduate to postgraduate study and will

go onto serve as a useful reference for more experienced social work professionals this book engages in the essential discussion of what professional leadership means in the context of contemporary social work and why this is considered to be important for the future of the profession Each chapter contains illustrative case studies a range of interactive activities a summary of key point and suggestions for further reading that enable students and qualified social workers to understand the knowledge skills and attributes required in practicing professional leadership in real life contexts **Religion, Belief and Social Work**

Furness, Sheila, Gilligan, Philip, 2009-11-18 This book examines how religion and related beliefs have varied impacts on the needs and perceptions of practitioners service users and the support networks available to them The authors argue that social workers need to understand these phenomena so that they can become more confident in challenging discriminatory and oppressive practices The centrality of religion and associated beliefs in the lives of many is emphasised as are their potentially liberating and potentially negative impacts In line with the Social Work in Practice series style the book allows readers to explore issues in depth It focuses on knowledge transmission and the encouragement of critical reflection on practice Each chapter is built around real life case scenarios using a problem based learning approach This book is the first to deal with social work and religion so comprehensively and will therefore be essential reading not only for social work students but also for practitioners in a range of areas social work academics and researchers in the UK and beyond *The McDonaldization of Social Work* Donna Dustin, 2016-02-17 Based upon George Ritzer's McDonaldization of Society thesis and incorporating aspects of social theory this book examines the introduction of care management to social work practice Donna Dustin analyzes care management as an example of the managerial application of efficiency calculability predictability and control to social work practice These principles put to good use in organizations that produce tangible outputs at a profit are being increasingly applied in non profit public sector organizations where the outcomes require intangibles such as professional relationships The author examines whether the McDonaldization process heightens dilemmas such as cost versus rights for professionals working in the social services Using social theory to frame her research with care managers and their managers in the UK the author examines the day to day implications of care management for social work practice and questions whether the construction of service users as customers contributes to empowering practice The book's in depth analysis of the policy background implementation and practice of care management will resonate with social workers in other national contexts such as the US where the care management model has been introduced *Social Work* Sally Holland, Jonathan Scourfield, 2015 In this Very Short Introduction Sally Holland and Jonathan Scourfield explain what social work is and the range of cases it deals with Looking at its history and main debates as well as the theories and methods of social work they include a range of case studies from around the world

Management and Organisations in Social Work Trish Hafford-Letchfield, 2009-04-17 This fully revised and updated second edition looks at the study of social work management and organisations focusing on relationships with crucial

partners such as central government agencies local partners and other social care organisations Through an examination of current research and practice the author explores the relationships between ideology professional and personal values and decision making in organisational culture Included in the text are case studies activities and further reading lists to aid learning

Social Work And The Third Way Tough Love As Social Policy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Work And The Third Way Tough Love As Social Policy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Work And The Third Way Tough Love As Social Policy has opened up a world of possibilities. Downloading Social Work And The Third Way Tough Love As Social Policy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Work And The Third Way Tough Love As Social Policy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Work And The Third Way Tough Love As Social Policy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Work And The Third Way Tough Love As Social Policy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Work And The Third Way Tough Love As Social Policy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Work And The Third Way Tough Love As Social Policy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous

learning and intellectual growth.

FAQs About Social Work And The Third Way Tough Love As Social Policy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
