### **Social Work Practice With The Asian American Elderly:**

Social Work Practice with the Asian American Elderly Namkee G Choi, 2018-10-24 This fascinating book addresses the cultures and concerns of five major ethnic groups Chinese Japanese Korean Asian Indian and Vietnamese Social Work Practice with the Asian American Elderly examines the diverse needs of this rapidly growing population It suggests interventions and service delivery models that are culturally sensitive and appropriate for these clients many of whom are first generation immigrants still closely linked with their cultures of origin This comprehensive book serves as a timely resource for both researchers and practitioners concerned with this neglected yet rapidly growing segment of the elderly population Social Work Practice with the Asian American Elderly offers both quantitative and qualitative research on essential topics including migratory grief assimilation depression elderly nutrition programs social support

**Social Work Practice with Ethnically and Racially Diverse Nursing Home Residents and Their Families** Patricia Kolb, 2007-07-06 The first of its kind this volume is a critical companion for service providers who work with African American American Indian Chinese Italian Japanese Korean Mexican American and Puerto Rican elders and their families in nursing homes and other care settings These groups are likely to use nursing homes in larger numbers as cultural shifts such as higher divorce rates and increased outside of home employment for females transform traditional family dynamics Contributors are experience social workers and most belong to the specific ethnic or racial group that is the focus of their chapter and have also provided nursing home services to this group They provide a wealth of demographic historical cultural and practice information crucial to understanding and providing services to older adults and their families Many nursing home residents experience physical and or cognitive debilitation and increased dependence as older adults and cultural and situational differences create variations in how these changes are experienced and addressed In this volume contributors touch upon all of these areas as well as ways in which prejudice and discrimination have shaped intergenerational and other relationships for members of specific ethnic and racial groups Little has been written about the characteristics needs and experiences of racially and ethnically diverse nursing home residents and their families and requirements for culturally competent social work practice Written by social workers for social workers and other service providers this book fills a gap in a rapidly growing area of gerontological service and provides a truly comprehensive examination of cultural and practice phenomena

*Social Work Practice with Immigrants and Refugees* Pallassana R. Balgopal, 2000-11-01 The United States has always been a land of immigrants and a destination for refugees With the increase in immigration in the late 1980s when the number of refugees entering the United States nearly doubled as well the number of clients needing social work services rose dramatically Social Work Practice with Immigrants and Refugees takes an ecological systems perspective on working with these two distinct groups paying special attention to the relationship between individuals and their social environment Focusing on the major immigrant groups who have come to the United States since the 1965 Immigration Act the book

contains chapters on immigrants and refugees from Asia Latin America Europe and Africa Pallassana R Balgopal and contributors explore ideas concepts and skills that will help human service workers social workers helping professionals and policymakers deepen their understanding of cultural attitudes toward newly arrived immigrants and refugees thus strengthening their ability to better serve an ethnically diverse clientele *Handbook of Social Work in Health and Aging* Barbara Berkman, 2006-02-09 The Handbook of Social Work in Health and Aging is the first reference to combine the fields of health care aging and social work in a single authoritative volume These areas are too often treated as discrete entities while the reality is that all social workers deal with issues in health and aging on a daily basis regardless of practice specialization As the baby boomers age the impact on practice in health and aging will be dramatic and social workers need more specialized knowledge about aging health care and the resources available to best serve older adults and their families The volume s 102 original chapters and 13 overviews written by the most experienced and prominent gerontological health care scholars in the United States and across the world provide social work practitioners and educators with up to date knowledge of evidence based practice guidelines for effectively assessing and treating older adults and their families new models for intervention in both community based practice and institutional care and knowledge of significant policy and research issues in health and aging A truly monumental resource this handbook represents the best research on health and aging available to social workers today **Gerontological Social Work Practice** Enid Opal Cox, Rosemary Chapin, Elizabeth Kelchner, 2014-02-25 What are the challenges facing gerontological social workers today and in the near future This book gives you an essential overview of the role status and potential of gerontological social work in aging societies around the world Drawing on the expertise of leaders in the field it identifies key policy and practice issues and suggests directions for the future Here you ll find important perspectives on home health care mental health elder abuse older workers issues and death and dying as well as an examination of the policy and practice issues of utmost concern to social workers dealing with the elderly With Gerontological Social Work Practice Issues Challenges and Potential you ll explore the differences between real situations and what demographics lead one to expect the need for social workers to focus on economic political and social issues in order to promote positive change the long term care insurance issues facing elderly Japanese citizens a Canadian perspective on social work practice with aging people practice techniques to use with aging African Americans strengths based and empowerment oriented ways to work with frail elderly the impact of multiculturalism on social policy and much more **Social Work Practice with the Asian American Elderly** , Printbegr nsninger Der kan printes kapiteltvis **Dementia and Social Work Practice** Carole B. Cox, 2007-04-15 Practical coverage of driving day care support groups and respite is particularly welcome This is a good book to have available not just for social work faculty and students but also for those in the health sciences psychology and sociology It will be a useful resource for professionals coping with the increasing problems for family and community that an aging population and the epidemic of Alzheimer s

disease bring with them Recommended Lower level undergraduate through professionals practitioners Choice Beyond the immediate and devastating effects dementia can have on individuals and their quality of life are the strains that are placed on the families caregivers and communities that support them Social workers are in a unique position to address all these issues at the same time that they provide care for individuals with dementia To facilitate the entrance of social workers into this area of care Carol B Cox has edited a volume of expert articles on the biological psychological and social aspects of dementia Readers will learn the latest assessment instruments as well as how to distinguish between Alzheimer s and non Alzheimer s dementias Intervention strategies for every stage of dementia are presented The effects of culture and diversity on the treatment of persons with dementia are examined including examples of successful programs from several countries The benefits and drawbacks of adult day services community care and residential care are discussed Finally a discussion of the legal financial and psychological stresses faced by caregivers of those with dementia rounds out this much needed text

**Social Work Practice with Culturally Diverse People** Surjit Singh Dhooper, Sharon E Moore, 2000-10-18 The image of society is rapidly changing challenging the social worker to adjust to a more culturally diverse clientele Social workers are dealing with individuals who are from more diverse backgrounds better informed more politically active and more aware of his or her rights How does today s helping professional address the growing gaps in societal needs Social Work Practice with Culturally Diverse People addresses the ambivalent and ambiguous changes in society which have conditioned and constrained the willingness ability and efforts of social workers to provide culturally competent services to those different from mainstream society Dhooper and Moore outline each of the major disadvantaged groups and give a historical overview highlight the major needs identify intragroup differences and discuss intervention at the micro mezzo and macro levels They discuss how the social worker needs self awareness of his or her own culture to treat clients as culturally equal to them This is an essential text for students entering social work at both the direct and community practice levels Additionally it is an excellent reference for the practitioner dealing with these changes in his or her own practice Advancing Gerontological Social Work Education Joanna Mellor, Joann Ivry, 2013-10-23 s your gerontological social work program as comprehensive and as well attended as it could be Advancing Gerontological Social Work Education will help you develop courses that effectively prepare social work students and practitioners to work with the ever increasing older population It clearly presents the rationale for geriatric gerontological preparation and defines the current status of geriatric gerontological education With fascinating case studies detailed curricula and a review of the skills and knowledge competencies necessary for effective geriatric social work practice this book also describes a variety of courses and teaching programs in detail noting the problems that other educators have encountered and offering practical suggestions to help in replicating the programs in other institutions This book is especially useful because it not only examines the issues surrounding and need for increased gerontological education for social workers but because it follows this with specific concrete descriptions of educational

approaches and curricula It provides you with both the framework and the specifics to develop your own gerontological social work education program at the graduate or undergraduate level Helpful charts and tables make the information easy to access and understand Advancing Gerontological Social Work Education is divided into three sections each of which will increase your knowledge and understanding of this vital area of social work education The first section examines the historical development of gerontological social work education the CSWE SAGE SW Competencies Project the importance of interdisciplinary teamwork and the educational basis for interdisciplinary team training highlighting organizational context team structure team process and team outcomes ways to increase students interest in this vital area of social work In the second section of this well referenced book you will examine school based initiatives focusing on the development and implementation of the John A Hartford Foundation Geriatric Social Work Initiative the recruitment of students into geriatric social work with an examination of a fellowship program the relationship between the aging population of the United States and the growing demand for geriatric social workers and how that need can be met through graduate level social work training developing a field training rotation model a doctoral fellowship program and its dissertation support mentorship and leadership development The third section of Advancing Gerontological Social Work Education features an empirical study exploring the potential for a limited curriculum module to enhance MSW and BSW students gerontological practice related knowledge attitudes and interest an overview of the history and rationale of service learning in elder care a description of the varied service learning in elder care programs an experiential exercise that was used successfully to assist graduate students in integrating and applying their knowledge about geriatric assessment the results of interviews with MSW students about the appropriateness of their preparation for medical social work with an aged population conducted at the beginning midpoint and end of their field placements a report on incorporating intergenerational service learning into an undergraduate introductory gerontology course the use of the family study which exposes teams of students for 20 weeks to a family that includes an older adult

Yoo, Wendy Ng, 2009-12-23 This is a revealing compilation of essays on the latest research and debates on Asian Americans a growing and influential ethnic group today *Encyclopedia of Asian American Issues Today* is the first major reference work focused on the full expanse of contemporary Asian American experiences in the United States Drawing on over two decades of research it takes an unprecedented look at the major issues confronting the Asian American community as a whole and the specific ethnic identities within that community from established groups such as Chinese Japanese and Korean Americans to newer groups such as Cambodian and Hmong Americans Across two volumes *Encyclopedia of Asian American Issues Today* offers 110 entries on the current state of affairs controversies successes and outlooks for future for Asian Americans The set is divided into 11 thematic sections including diversity and demographics education health identity immigrants refugees and citizenship law media politics war work and economy youth family and the aged Contributors include leading experts in the

fields of Asian American studies education public health political science law economics and psychology      **Ethnicity in Social Group Work Practice** Larry E. Davis, 1984      **Elder Abuse and Mistreatment** Joanna Mellor, Patricia Brownell, 2013-04-15 Provide the most effective service possible to help victims of this growing social problem Elder Abuse and Mistreatment is a comprehensive overview of current policy issues new practice models and up to date research on elder abuse and neglect Experts in the field provide insight into elder abuse with newly examined populations to create an understanding of how to design service plans for victims of abuse and family mistreatment The book addresses all forms of abuse and neglect examining the value issues and ethical dilemmas that social workers face in providing service to elderly abuse victims and their families Elder abuse and neglect is a social problem of increasing concern to policymakers practitioners and researchers in the United States and around the world Elder Abuse and Mistreatment incorporates health mental health and social service perspectives that assist social work and health care professionals with interdisciplinary teamwork The book examines the Elder Justice Act the Madrid 2002 International Plan of Action on Ageing new and emerging practice modalities and international models such as shelter programs and support groups and the latest research on practice methods elder abuse with special populations and interventions with victim abuse dyads Topics examined in Elder Abuse and Mistreatment include abuse reporting statutes the roles of agencies involved in abuse investigations service commonly needed by victims funding sources common impediments to service delivery adult protective services APS local state and federal policies social and economic inclusion self determination long term care and nursing homes consumer fraud and financial abuse dependency and compliance and much more Elder Abuse and Mistreatment Policy Practice and Research is an essential resource for educators and students of social work nursing and public health and for social work practitioners

Religion, Spirituality, and Aging Harry R Moody, 2012-12-06 Learn how to make a more positive impact with your social work with the aged Religion is an important coping mechanism for many aging adults Religion Spirituality and Aging A Social Work Perspective presents the latest research that shows how religion and spirituality can improve quality of life for elders Respected social work researchers and scholars provide insight and practical methods for fostering positive aging while also considering how spirituality and religion can affect practitioners themselves The full range of advantages and ethical implications are discussed in clear detail from a social work viewpoint Case studies plainly illustrate the positive impact that the inclusion of spirituality and religion in an aging person's life may have on their physical and mental welfare Organized social work in the early twentieth century actively tried to distance itself from its roots as a form of religious charity in favor of becoming a scientific and professional endeavor Religion Spirituality and Aging once again bridges the gap between social work and spiritual matters by presenting penetrating articles that discuss the issues of the aging soul while examining ways to improve care Creative strategies are offered to contribute to the spiritual side of aging while considering every implication and ethical question The compilation is extensively referenced and includes helpful figures and tables to clearly

illustrate data and ideas Religion Spirituality and Aging discusses the latest social work trends and attitudes toward spirituality prayer meditation and acts of altruism as interventions an empirical study of how social workers use religion and spirituality as an intervention ethical considerations and best practices religion and spirituality during long term care the Postcards to God project dreams and their relationship to the search for meaning in later life a spiritual approach to positive aging through autobiography dementia and spirituality creating new rituals for sacred aging spiritual master Henri Nouwen's principles of aging and his approaches to caring for older people an interview study on elders spirituality and the changes manifested in their views of religion Religion Spirituality and Aging is a remarkable reminder that elders are our future selves This erudite well reasoned examination of aging and spirituality from a social work perspective is crucial reading for social workers human service professionals who work with the aged and gerontology scholars

**Psychosocial Aspects of the Asian-American Experience** Namkee G Choi, 2021-02-25 Discover intervention strategies for issues affecting Asian Americans This important book examines the childhood adolescence young adulthood and aging stages of Asian Americans to help researchers and practitioners offer better services to this ethnic group Psychosocial Aspects of the Asian American Experience will help you understand the ethnic and cultural diversity within the Asian American population and offers both quantitative and qualitative research that may impact social policies and social services for Asian Americans Representing Chinese Japanese Filipinos Koreans Asian Indians Vietnamese Hmong Cambodians and native born Hawaiians this helpful book covers a wide span of individual ethnic identities in order to represent the scope of the Asian American subculture The topics and problems examined in Psychosocial Aspects of the Asian American Experience include ethnic identity acculturation and cultural orientation psychological adjustment of adoptees attitudes and behavior of adolescents regarding academic achievement social network composition depression and other mental health problems dating violence and domestic abuse substance abuse aging In addition to analyzing these problems this book also presents culturally competent intervention strategies to assist human services practitioners in offering their clients relevant services that are appropriate for their ethnic backgrounds beliefs and experiences This book is also a valuable resource for researchers policymakers and graduate students and faculty members in the areas of social work sociology psychology and ethnic studies

**Multicultural Perspectives In Social Work Practice with Families, 3rd Edition** Manny J. González, 2012-10 Print CourseSmart **Group Work Practice in a Troubled Society** Roselle Kurland, Robert Salmon, 2013-10-08 This book presents the wide range and diversity of effective group work practice in today's troubled society Representing the best in current practice chapters discuss modern group work and contain rich examples of practice and theory Group Work Practice in a Troubled Society examines the social realities in which group work is now practiced and addresses present day social issues and problems Contributing authors to Group Work Practice in a Troubled Society discuss innovations in practice programs and theory and a wide variety of work with clients in many different settings There is a breadth and strength and

diversity in contemporary group work practice and the authors practitioners and educators from the United States Canada and Hong Kong represent the vitality of current practice and theory Among the many topics they discuss are contextual group work practice latent content in work with groups group work in administration cultural sensitivity and diversity in small group practice group work in other cultures and with immigrant populations feminist group work and unique considerations in work with women s groups group work with sexually abused children with incest survivors and with sexual offenders group work in community centers group work with mentally ill chemical abusers group work use in an innovative 12 step modality Group Work Practice in a Troubled Society provides a wealth of information and ideas for social workers and students of social work who are interested or involved in group work and who wish to learn more about current practice and developments in the field

**Contemporary Clinical Practice with Asian Immigrants** Irene Chung,Tazuko

Shibusawa,2013-07-31 Many first and second generation Asian immigrants experience acculturation challenges to varying extents These challenges such as language barriers racial discrimination underemployment the loss of support networks and changes in family role and structure may exacerbate a myriad of mental health issues In addition their help seeking behaviour as shaped by a general adherence to a collectivistic worldview and indirect communication style often creates challenges for the practitioners who are trained under a Western practice modality Drawing on literature from English speaking countries with sizeable Asian immigrant populations such as the United States Australia New Zealand Canada and the United Kingdom this text is designed especially for clinicians and students working with Asian immigrant populations It discusses the therapeutic process in psychotherapy and counselling with these clients exploring both key psychodynamic constructs and social systemic factors Building on contemporary relational theory which emphasizes the centrality of the helping relationship and sensitivity to the client s subjective realities the book demonstrates how western based concepts and skills can be broadened and applied in an Asiacentric context and can be therapeutic even in social service and case management service settings There are chapters on issues such as domestic violence intergenerational conflicts depression amongst elders and suicide discussing the prevalence and nature of the mental health issues and each containing case vignettes from various Asian ethnic groups to illustrate the application of relational approaches This book is an important cross cultural reference for practising social workers and counsellors as well as for social work students undertaking clinical practice courses

*The Handbook of Social Work Direct Practice* Paula Allen-Meares,Charles D. Garvin,2000 The Handbook of Social Work Direct Practice provides an extraordinarily extensive coverage of all major topics relevant to Clinical Social Work The Contributors to this volume under the leadership of Paula Allen Meares and Charles Garvin guide the reader through discussions about the contexts of social work practice multicultural and diversity issues research as well as assessment and measurement All in all this is the perfect primary text for administration courses in MSW programs BSW programs and doctoral programs Practitioners and professionals in the field will find here all the useful elements a key

reference work can provide      **Ethnicity and Gerontological Social Work** Rose Dobrof, 2014-04-08 Ethnicity and Gerontological Social Work presents a compassionate and illuminating update on ethnicity in this area of social work This fine book looks at such topics as the relationship between white aged clients and non white paraprofessional workers minority elder maltreatment the utilization of social services by the Mexican American Elderly the neglected Asian American Elderly public policies and services in Japan and more      The Encyclopedia of Aging Linda S. Noelker, PhD, Kenneth Rockwood, MD, FRCPC, Richard L. Sprott, Ph.D., 2006-03-17 A COMPREHENSIVE RESOURCE ON GERONTOLOGY AND GERIATRICS Since its inception in 1987 The Encyclopedia of Aging has proven to be the definitive resource for scholars and students across the burgeoning and increasingly interdisciplinary fields of gerontology and geriatrics Like its three esteemed predecessors the fourth edition contains concise readable explorations of hundreds of terms concepts and issues related to the lives of older adults as well as timely coverage of the many new programs and services for the elderly Updated under the distinguished stewardship of editor in chief Richard Schulz to reflect the infusion of new information across the scientific disciplines this new edition brings readers up to the moment significant advances in biology physiology genetics medicine psychology nursing social services sociology economics technology and political science While retaining the format and standard of excellence that marked the first three editions the fourth edition encompasses a wealth of new information from the social and health sciences It contains the most current bibliography of an expanding literature an exhaustive index and extensive cross references This much anticipated update of the field s most authoritative resource will take its place as an indispensable reference for specialists and non specialists across a broad range of disciplines that now comprise the field of aging SPRINGER SERVING THE HEALTHCARE AND HELPING PROFESSIONS FOR MORE THAN 55 YEARS

## Social Work Practice With The Asian American Elderly Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Work Practice With The Asian American Elderly has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Work Practice With The Asian American Elderly has opened up a world of possibilities.

Downloading Social Work Practice With The Asian American Elderly provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Work Practice With The Asian American Elderly has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Work Practice With The Asian American Elderly. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Work Practice With The Asian American Elderly. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal

distribution of content. When downloading Social Work Practice With The Asian American Elderly, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Work Practice With The Asian American Elderly has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Social Work Practice With The Asian American Elderly Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility.
