Social Work With Groups A Process Model

Kevin J. Corcoran, Albert R. Roberts

Social Work With Groups A Process Model:

Social Work with Groups Joseph Anderson, 1997 *Social Work with Groups* provides a highly accessible skills and theory based framework for facilitating social work practice with groups The field tested skill model of Trust Autonomy Closeness Interdependence and Separation shows students how to facilitate a group process suitable for diverse client populations and problems *Social Work with Groups* Joseph Anderson, Simon & Schuster, 1996-09 **Working with Older Adults: Group Process and Technique** Barbara Haight, Faith Gibson, 2005-03-30 Beginning with an overview of the changing world of aging this book goes on to address practical principles and guidelines for group work *A Mutual-Aid Model for Social Work with Groups* Dominique Moyse Steinberg, 2014-02-24 Group work is a popular and widely used social work method Focusing particularly on the central role of mutual aid in effective group work this text presents the theoretical base outlines core principles and introduces the skills for translating those theories and principles into practice A Mutual Aid Model for Social Work with Groups will help readers to catalyze the strengths of group members such that they become better problem solvers in all areas of life from the playroom to the boardroom Increased coverage of evaluation and evidence based practice speaks to the field's growing concern with monitoring process and assessing progress The book also includes worker based obstacles to mutual aid their impact and their antidotes pre group planning including new discussion on curriculum groups group building by prioritizing certain goals and norms in the new group the significance of time and place on mutual aid and the role of the group worker maintaining mutual aid during so called individual problem solving an expanded discussion of anti oppression and anti oppressive practice unlocking a group's potential to make difference and conflict useful special considerations in working with time limited open ended and very large groups Case examples are used throughout to help bridge the gap between theory and practice and exercises for class or field help learners to immediately apply conceptual material to their practice All resources required to carry out the exercises are contained in over 20 appendices at the end of the book Key points at the end of each chapter recap the major concepts presented and a roster of recommended reading for each chapter points the reader to further resources on each topic Designed to support ethical and successful practice this textbook is an essential addition to the library of any social work student or human service practitioner working with groups

Social Work with Groups Sue Henry, Jean East, Cathryne L. Schmitz, 2002 *Social Work with Groups Mining the Gold* examines a wide array of varieties of social group work practice from corrections through empowerment and international issues It explores ways to deal with youth violence following the shootings at Columbine High School issues of social exclusion empowerment practice groups in correctional settings group work practice with seniors gender diversity multicultural groups teleconferencing groups and education for social work group practice Every chapter of this timely and important volume reflects the gold to be mined in the use of groups in social work **Crossing Boundaries and Developing Alliances Through Group Work** Jocelyn Lindsay, Daniel Turcotte, Estelle Hopmeyer, 2023-06-14 Knock down

cultural walls to build a foundation for successful social group work Crossing Boundaries and Developing Alliances Through Group Work examines how changing technological economic and social conditions require social workers to create alliances to better serve their clients The book addresses how the basic principles and techniques of group work can transcend geographical and cultural boundaries when dealing with issues such as HIV AIDS parenting adoption and sex offenses A distinguished panel of practitioners researchers and educators details the strategies used to establish cultural and linguistic border crossings that help reduce the limits social workers face Crossing Boundaries and Developing Alliances Through Group Work addresses the multicultural dimension of social work and the benefits of a junction between research and intervention including how the convergence with other fields of knowledge music drama the arts etc can contribute to a more effective intervention methodology The book examines partnerships between research teams and agencies field placements collaborations between schools and practice settings building a learning community service education the arrival of new technologies teleconferencing the Internet reasserting group work fundamentals and how mixing and matching methodologies can produce a more effective intervention strategy Topics examined in Crossing Boundaries and Developing Alliances Through Group Work include working with AIDS patients in early recovery from substance abuse integrating group work with mutual aid to treat male sex offenders using teleconferencing groups with families involved in organ donation conducting group interventions with mentally ill parents working with families dealing with failed adoptions developing a mediating group for birth parent self assessment and much more Crossing Boundaries and Developing Alliances Through Group Work is an essential tool for dealing with cross cultural conflicts It s equally valuable as a professional guide for clinicians and therapists policy developers supervisors and administrators and as a textbook or supplemental text in courses dealing with clinical international and intercultural group work advanced group work support groups and mental health services

Social Group Work with Cardiac Patients Maurice Scott Fisher, 2012-12-06 Develop a comprehensive

understanding of cardiac disease process Cardiovascular problems are on the rise in America Care providers need to understand the overall clinical and statistical significance these life changing events have to patients and families alike Social Group Work with Cardiac Patients is a pragmatic guide that helps social workers and other psychosocial professionals develop and apply cardiac group work in a proactive and directed manner This valuable text explores social group work with patients immediately recovering from a cardiac event heart attack or failure transplants and implantable cardiac devices as well the secondary effects of such events Social Group Work with Cardiac Patients helps social work and healthcare professionals develop a comprehensive understanding of the psychosocial aspect of cardiac care In addition to examining the correlation between cardiac disease and depression and anxiety looking at the emotional aspects of heart disease and providing an overview of social work group care this unique text details the four core social groups cognitive behavioral psychoeducational skill development and interpersonal Both fundamental and state of the art this comprehensive approach

serves to enhance practice skills for immediate and constructive implementation Important topics discussed in Social Group Work with Cardiac Patients also include understanding adherence to cardiac health and psychosocial variables suggestions for using basic social groups and their development adherence issues associated with care stress management management of anger among patients holistic affects of cardiac disease on patients and families compliance follow up and follow through substance abuse human sexuality differences between support groups and social group work models group leadership and co leadership skills and many more Social Group Work with Cardiac Patients is an asset as a pragmatic relevant guide for development and actuation of both general social groups and specialty group treatment An accessible and practical stand alone text Social Group Work with Cardiac Patients is ideal for mental health and substance abuse social workers counselors cardiac nurse specialists cardiac treatment staff and students of social work Social Workers' Desk Reference Kevin J. Corcoran,Albert R. Roberts,2015 In the first and second editions of the Social Workers Desk Reference the changes that were occurring in social work practice education and research were highlighted and focused upon This third edition continues in the same tradition and continues to respond to the changes occurring in society and how they are impacting the education research and practice of social work as a whole Theory & Practice in Clinical Social Work Jerrold R. Brandell,2010-02-16 Today s clinical social workers face a spectrum of social issues and problems of a scope and severity hardly imagined just a few years ago and an ever widening domain of responsibility to overcome them Theory and Practice in Clinical Social Work is the authoritative handbook for social work clinicians and graduate social work students that keeps pace with rapid social changes and presents carefully devised methods models and techniques for responding to the needs of an increasingly diverse clientele Following an overview of the principal frameworks for clinical practice including systems theory behavioral and cognitive theories psychoanalytic theory and neurobiological theory the book goes on to present the major social crises problems and new populations the social work clinician confronts each day Theory and Practice in Clinical Social Work includes 29 original chapters many with carefully crafted and detailed clinical illustrations by leading social work scholars and master clinicians who represent the widest variety of clinical orientations and specializations Collectively these leading authors have treated nearly every conceivable clinical population in virtually every practice context using a full array of treatment approaches and modalities Included in this volume are chapters on practice with adults and children clinical social work with adolescents family therapy and children s treatment groups other chapters focus on social work with communities affected by disasters and terrorism clinical case management cross cultural clinical practice psychopharmacology practice with older adults and mourning and loss The extraordinary breadth of coverage will make this book an essential source of information for students in advanced practice courses and practicing social workers alike Encyclopedia of Social Work with Groups Alex Gitterman,Robert Salmon,2009-06-02 What do you have to know today to be an effective group worker and what are the different group work approaches With 110 articles and entries this book provides a comprehensive overview of

social work with groups from its initial development to its astounding range of diverse practice today with many populations in different places The articles have been written by social workers trained in the group approach from the United States Canada England Australia Spain and Japan and all involved are well known group workers acknowledged as experts in the area The book covers all aspects of social work with groups including its history values major models approaches and methods education research journals phases of development working with specific populations and ages plus many more Each article includes references which can be a major resource for future exploration in the particular subject area Both editors have many years of productive work in group work practice and other areas and are board members of The Association for the Advancement of Social Work with Groups The Encyclopedia of Social Work with Groups will be of interest to students practitioners social work faculty novice and experienced group workers Handbook of Group Counseling and Psychotherapy Janice L. DeLucia-Waack, Cynthia R. Kalodner, Maria Riva, 2013-12-02 The most comprehensive and thoroughly researched text available on this topic Handbook of Group Counseling and Psychotherapy Second Edition underscores the notion that group work is improved through increased collaboration between researchers and practitioners Edited by renowned leaders in the field this thoroughly updated and revised Second Edition explores current literature and research and offers suggestions for practice in psycho educational counseling and therapy groups The Handbook is divided into five main sections current and historical perspectives best practices multicultural and diverse groups groups in special settings and an introduction to special topics The Routledge Handbook of Social Work Practice Research Lynette Joubert, Martin Webber, 2020-04-13 The Routledge Handbook of Social Work Practice Research is the first international handbook to focus on practice research for social work Bringing together leading scholars in the field from Europe the USA and the Asia Pacific region it provides an up to the minute overview of the latest thinking in practice research whilst also providing practical advice on how to undertake practice research in the field It is divided into five sections State of the art Methodologies Pedagogies Applications Expanding the frontiers The range of topics discussed will enhance student development as well as increase the capacity of practitioners to conduct research develop coordinating and leadership roles and liaise with multiple stakeholders who will strengthen the context base for practice research As such this handbook will be essential reading for all social work students practitioners and academics as well as those working in other health and social care settings

Social Workers' Desk Reference Lisa Rapp-McCall, Al Roberts, 2022 The Social Worker's Desk Reference fourth edition remains the definitive resource for social work students and professionals Expanded sections on current hot topics such as white nationalism gaming disorder substance abuse LGBTQ populations suicide sexual violence in the military and vulnerable populations make the fourth edition a fully updated and essential reference **Generalist Social Work Practice** Charles H. Zastrow, Sarah L. Hessenauer, 2020-12-30 Charles Zastrow a leader in the field for over forty years combines the key components of traditional and contemporary approaches to teaching social work practice into one comprehensive volume in

Dimensions of Human Behavior Elizabeth D. Hutchison, 2008 What is it about the multiple dimensions of person environment and time that social workers need to understand How do diversity and inequality play a role in human behavior How does our biology spirituality and psychology impact behavior And finally what can we learn about how social institutions families groups organizations and communities impact the vast range of human behaviors The Third Edition of this powerful text aims to examine these dimensions by expanding on these important questions In this text you will meet social workers and clients from a variety of work settings and situations who bring the passion and power of social work to life through engaging case studies found throughout the text These case studies help apply the latest theory and research to real life practice situations The Third Edition offers new case studies and is thoroughly updated and revised to reflect recent census data developing trends and cutting edge research on human behavior New to the Third Edition Added coverage of international issues Human behavior is put in global context throughout the book Increased focus on social justice and diversity More content has been added on human diversity related to gender race and ethnicity culture sexual orientation and disability Engages the reader through a variety of illustrative features New case studies exhibits photos throughout and Web resources have been added to provide the most up to date information High Quality Ancillaries Student Study Website Help your students succeed with this new companion student study site at <http://www.sagepub.com/pandestudy> Students can review chapter highlights and summaries take practice quizzes and study via student flash cards on the Web In addition students can download podcasts which contain important highlights presented by the author Expanded Instructor's Resource CD New to this edition instructors can create tests using a new electronic test bank In addition this resource cd contains powerpoint slides teaching tips suggested classroom activities and more and is available to qualified adopters IRCDs are available for qualified instructors only To request an IRCD for this book please contact Customer Care at 1 800 818 7243 6 am 5 pm Pacific Time or by emailing info@sagepub.com with course name and enrollment and your university mailing address to expedite the process Intended Audience This text was developed for advanced undergraduate and graduate courses on Human Behavior in the Social Environment in departments of social work and psychology Together with its companion volume *Dimensions of Human Behavior The Changing Life Course* ISBN 978 1 4129 4126 6 students will receive the most comprehensive coverage available on Human Behavior The two volumes are also available at a discounted price as a bundle ISBN 978 1 4129 4128 0

Group Processes in Social Work Tom Douglas, 1979

Social Work: the Social Psychological Approach Glynis M. Breakwell, 2012-12-06 This book was

created to describe the social psychological approach SPA to the social work process It has long been asserted that social workers need to understand and use social psychology in their practice Yet the literature available to social workers has been limited There have been no texts on social psychology specifically designed for social workers Instead social workers have been presented with various forms of individual psychology and macrosociology There is however an important contribution which social psychology the study of the individual in a social context can make to the social work process This contribution is the central concern of this book Consequently the book is seen as filling a fundamental gap in the existing social work literature The structure of the book is dictated by the belief that social workers and social psychologists should collaborate in evolving a social psychological model of social work practice Such a model the result of collaboration between a social worker and a social psychologist is presented here The book is addressed not simply to teachers and students of social work but also specifically to social work practitioners and to social psychologists besides all those who deal with social work problems In addressing a wide audience it is important to establish a lingua franca social workers need to understand the basics of social psychology and social psychologists must understand the basis of social work practice Groupwork Practice in Social Work Trevor Lindsay, Sue Orton, 2008-01-18 Both the new social work degree and Post Qualifying Award in social work require that students are competent at working with groups and such skills are also valuable in interprofessional practice partnership working and within the social care workforce This accessible book introduces the practicalities of planning establishing facilitating and evaluating social work projects and contains common sense guidance on setting up facilitating and closing small helping interprofessional and other groups The reader is introduced to the relevant skills stages and decisions in groupwork and guided through what to do when things seem to be going wrong Social Work Visions from Around the Globe Anna Mettler, 2005 Increase the effectiveness of the services you provide to clients Social Work Visions from Around the Globe examines the fundamental principles and dilemmas of social work with people whose health is under threat This valuable resource was compiled from material presented at the Third International Conference on Social Work in Health and Mental Health in Tampere Finland The book explores key issues in social work in health and mental health from the early historical roots of social work in health to developing a human rights perspective on the lives of men who face capital punishment Using tables figures case studies and interviews the text will help you provide holistic client based care to children men women and families Social Work Visions from Around the Globe is divided into two sections the first half discusses the position of individuals and families as users of health and mental health care services Specific cases in the book include social work situations for children with disabilities the mentally ill the elderly cancer and HIV AIDS This text includes research and findings on the challenges and solutions faced by social workers in North America Australia Europe Asia and Africa In the second half Social Work Visions from Around the Globe focuses on various approaches to social work in health and mental health that address the diversity of societies strengthening the voice of the social worker and service user

the expertise of service users development of methods family life and childhood in global comparison human rights issues in social work **Generalist Social Work Practice** Janice Gasker, 2023-02-10 Generalist Social Work Practice provides students with the foundational skills and knowledge needed to serve clients across micro mezzo and macro areas of practice Author Janice Gasker engages students through evidence based pedagogy self reflection opportunities application and reinforcement of concepts and an abundance of critical thinking sections including profession practice standards such as the 2018 NASW Code of Ethics and 2022 EPAS Updates to the Second Edition include an emphasis on Critical Race Theory greater coverage of issues related to race and intersectionality and a new section on institutional racism in social work Included with this title LMS Cartridge Import this title s instructor resources into your school s learning management system LMS and save time Don t use an LMS You can still access all of the same online resources for this title via the password protected Instructor Resource Site Learn more

Social Work With Groups A Process Model Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Work With Groups A Process Model has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Work With Groups A Process Model has opened up a world of possibilities. Downloading Social Work With Groups A Process Model provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Work With Groups A Process Model has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Work With Groups A Process Model. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Work With Groups A Process Model. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Work With Groups A Process Model, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Social Work With Groups A Process Model has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Social Work With Groups A Process Model Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
