Social World Of Formative Christianity And Judaism Essays In Tribute To Howard Clark Kee

James R. Harrison

Social World Of Formative Christianity And Judaism Essays In Tribute To Howard Clark Kee:

The Social World of Formative Christianity and Judaism Jacob Neusner, 1988 **When Judaism and Christianity Began (2 vols)** Alan Avery-Peck, Daniel Harrington, Jacob Neusner, 2004-04-01 Top scholars celebrate the enduring heritage in learning bequeathed by Anthony J Saldarini 1941 2001 Twenty nine essays focus on the areas of Christianity and Judaism to which Dr Saldarini was devoted earliest Christianity Judaism in late antiquity and the interchange between Judaism and Christianity then and now **The Origins of Mark** Dwight Peterson, 2021-10-11 The book observes and calls into question the scholarly practice of constructing a community behind the Gospel of Mark and by implication other Gospels as well and using that community to control appropriate interpretation of Mark It presents and critiques particular exemplars of this practice and briefly suggests other ways to ground the interpretation of Mark After an introduction chapters are devoted to the work of Werner Kelber Howard Clark Kee and Ched Myers Critical conclusions are then drawn after which the recent work of Joel Marcus is discussed A final chapter briefly suggests ways forward Constructing communities behind Gospels and using those communities as interpretive keys in Gospel interpretation is a widespread scholarly practice To date no full length critique of the practice has been published This book fills that lacuna **Excavating Q** John S. Kloppenborg, 2000 In this tour de force the author offers a comprehensive introduction to the study of Q the collection of Jesus sayings long hypothesized as the source for the canonical gospels of Matthew and Luke Part I deals with the methods for studying Q their presuppositions and a survey of current research Part II addresses more theological and theoretical issues relevant to the Synoptic Problem Q as a document its redaction and its social setting *A New Vision for Israel* Scot McKnight, 1999 The most important development in historical Jesus studies is the recent attempt to understand the ministry of Jesus in political terms In calling the nation of Israel to repentance Jesus served as a national prophet concerned with the salvation of Israel This excellent study by Scot McKnight furthers this line of inquiry by showing how Jesus teachings are to be understood in relation to his role as a political figure McKnight looks closely at Jesus teachings on God the Kingdom and ethics demonstrating in each case how Jesus mission to restore Israel brings these teachings into a bold new light Book Cover

Orality and Literacy in Early Christianity Pieter Botha, 2012-11-01 The history of the Jesus movement and earliest Christianity requires careful attention to the characteristics and peculiarities of oral and literate traditions Understanding the distinctive elements of Greco Roman literacy potentially has profound implications for the historical understanding of the documents and events involved Concepts such as media criticism orality manuscript culture scribal writing and performative reading are explored in these chapters The scene of Greco Roman literacy is analyzed by investigating writing and reading practices These aspects are then related to early Christian texts such as the Gospel of Mark and sections from Paul s letters

Paul's Language of Grace in its Graeco-Roman Context James R. Harrison, 2017-01-03 Paul s Language of Grace in Its Graeco Roman Context was originally published by Mohr Siebeck in 2003 and is now reprinted by Wipf and Stock with a

new introduction by its author James R Harrison The book was the first major investigation of charis grace favor in its social political and religious context since G P Wetter s pioneering 1913 monograph on the topic Focusing on the evidence of the inscriptions papyri philosophers and Greek Jewish literature Harrison examined the operations of the eastern Mediterranean benefaction system probing the dynamic of reciprocity between the beneficiary and benefactor whether human or divine Before Paul s converts were first exposed to the gospel they would have held a variety of beliefs regarding the beneficence of the gods The apostle therefore needed to tailor his language of grace as much to the theological and social concerns of the Mediterranean city states in his missionary outreach as to the variegated traditions of first century Judaism In terms of human grace although Paul endorses the reciprocity system he redefines its rationale in light of the gospel of grace and transforms its social expression in his house churches The explosion of grace language that occurs in 2 Corinthians 8 9 regarding the Jerusalem collection is unusual in its frequency in comparison to the honorific inscriptions underscoring the apostle s distinctive approach to giving Regarding divine beneficence Paul accommodates his gospel to contemporary benefaction idiom But he retains a distinctiveness of viewpoint regarding divine charis it is non cultic it is mediated through a dishonored and impoverished Benefactor it overturns the do ut des expectation I give so that you may give regarding divine blessing in antiquity Harrison s book still remains the authoritative coverage of the Graeco Roman context of charis Paul and the Creation of Christian Identity William S. Campbell, 2008-06-03 An examination of how the church eventually became a gentile movement exploring how this was as the result of various historical social and cultural factors in which the earliest vision of diversity within the church was lost contrary to Paul s vision in which subgroup identities of Jew and gentile in Christ were recognized The People of the Parables R. Alan Culpepper, 2024-03-26 Drawing from Greco Roman history Second Temple Jewish studies archaeology the social world of the New Testament parable studies and the burgeoning literature on Galilee The People of the Parables describes life in first century Galilee as it was experienced by the characters in Jesus parables R Alan Culpepper assesses both primary literature and recent research on Galilee including important archaeological discoveries and fashions a new and insightful social history of Galilee the people of the parables and the historical context of Jesus ministry Culpepper builds this history by elucidating the lives of first century Galileans featured in Jesus parables children women daughters mothers widows fathers sons landowners tenants day laborers debtors farmers fishermen shepherds merchants travelers innkeepers masters slaves tax collectors judges Pharisees priests Levites Samaritans bandits and finally Jesus Who these people were their place in Galilean society how they lived socialized worshiped and conducted business how they were educated is described in straightforward nontechnical language Culpepper brings new meanings to the parables for today s readers by shedding light on the people of Galilee in the time of Jesus

The New Testament and the People of God N. T. Wright, 1992-01-01 Provides a historical theological and literary study of first century Judaism and Christianity offering a preliminary discussion of the meaning of the word god within those cultures

and explores the ways in which developing an understanding of those first century cultures are of relevance for the modern world

Original Romans: A Social Identity Commentary William S. Campbell, 2023-01-26 William S Campbell provides a comprehensive commentary on Paul's most challenging letter. In conversation with reception history and previous scholarship, he emphasizes the contextuality of Romans as a letter to Rome, using social identity theory combined with historical, literary, and theological perspectives to arrive at a coherent reading of the entire letter. Because Paul has never visited Rome and is not the founder of the Christ movement there, Campbell argues that his guidance and teaching are formulated more cautiously than in his other letters. Yet the long list of people who had previous links with him and his mission to the gentiles demonstrates that Paul is well informed about the situation in Rome and addresses issues that have arisen. With Christ, the Messianic Time is beginning, but there was some lack of clarity in Rome about the implications of this for Jews and gentiles. Rather than ethne in Christ replacing Israel, as some in Rome possibly concluded, Campbell stresses that Paul affirms the irrevocable calling of Israel and that simultaneously the identity of ethne in Christ is also called alongside the people Israel; thus the integrity of the identity of both is affirmed as indispensable for God's purpose now revealed in Christ. Campbell fully demonstrates how Paul in Romans achieves this by the social and theological intertwining of the message of the gospel.

The Shame Factor Robert Jewett, Wayne Alloway, John G. Lacey, 2010-10-15 This volume deals with the varied forms of shame reflected in biblical, theological, psychological, and anthropological sources. Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior, recent scholarship has discovered the crucial relevance of social shame evoked by mental status, adversity, slavery, abuse, illness, grief, and defeat. Anthropologists, sociologists, and psychologists have discovered that unresolved social shame is related to racial and social prejudice, to bullying, crime, genocide, narcissism, post-traumatic stress, and other forms of toxic behavior. Eleven leaders in this research participated in a conference on The Shame Factor sponsored by St. Mark's United Methodist Church in Lincoln, NE, in October 2010. Their essays explore the impact and the transformation of shame in a variety of arenas, comprising in this volume a unique and innovative resource for contemporary religion, therapy, ethics, and social analysis.

Paul and the Vocation of Israel Lionel J. Windsor, 2014-04-01 The Apostle Paul was the greatest early missionary of the Christian gospel. He was also, by his own admission, an Israelite. How can both these realities coexist in one individual? This book argues that Paul viewed his mission to the Gentiles in and of itself as the primary expression of his Jewish identity. The concept of Israel's divine vocation is used to shed fresh light on a number of much-debated passages in Paul's letter to the Romans.

The Old Greek Translation of Daniel 7-12 Sharon Pace Jeanson, 2023-10-31 Investigates whether differences between the OG translation and the Hebrew/Aramaic parent text of Daniel 7-12 are due to intentional theological Tendenz, as has been predominantly proposed in the past, or to errors, or the unintentional cross-linguistic mechanics of translation, or to a combination of these reasons. Jeanson's investigation proceeds in five stages.

Paul against the Nations Neil

Elliott,2023-11-10 Some of the most heated contests around the apostle Paul today concern the effort to understand him wholly within Judaism and the effort to interpret him over against the culture and ideology of the early Roman Empire Here Neil Elliott argues that these two conversations belong together and must be resolved together by understanding Paul as a Jew living out Israel s ancient hopes under the pressures of Roman imperial power Cynic Sage or Son of God? Gregory A. Boyd,2010-10-01 Not since David Strauss Life of Jesus shook European Christianity to its foundations in the nineteenth century has any scholarly discussion of the historical Jesus made the impact on a popular level that the Jesus Seminar is presently making in America Popular magazines have provided a remarkable amount of space for the Jesus Seminar including Time and Newsweek which made their work cover stories At the forefront of the movement lies the work of John Dominic Crossan and Burton L Mack who have popularized the Jesus as Cynic sage view The growing popularity of this new paradigm should be of significant concern for all who hold to the historic Christian faith To date however no thorough evangelical response has been provided to these revisionist views of the historical Jesus This book is written to fill this void It provides a serious critique of the Cynic thesis accessible to laypeople and of interest to thoughtful observers With interest in the quest for the historical Jesus continuing anew Boyd s Cynic Sage or Son of God provides an orthodox defense of the biblical Jesus *The Letter to the Romans* Douglas J. Moo,2018-11-26 For more than twenty years Douglas Moo s NICNT volume on Romans has been providing pastors students and scholars with profound insight into Paul s most famous letter In this thorough revision of his commentary Moo deals with issues that have come into prominence since the first edition 1996 incorporating the latest research and rewriting the text throughout for better comprehension Exegetically astute and theologically minded Moo interacts critically with the new perspective on Paul highlights the emphasis in Romans on practical divinity and traces the theme of the gospel throughout the letter His Letter to the Romans in this second edition will inform and enlighten a new generation of serious Bible readers **The Rhetoric of the New Testament** Duane F. Watson,2019-05-21 A new comprehensive bibliography of books and articles on the rhetoric of the New Testament published since AD 1500 The bibliography is arranged by categories which include Jewish heritage invention arrangement style hermeneutics with specific listings for each book of the NT It is prefaced with a select bibliography of primary and secondary sources on classical and modern rhetoric An invaluable research tool Redefining Ancient Borders Aaron M. Gale,2005-07-26 Matthew s community contrary to what many scholars believe was a cosmopolitan wealthy Jewish Christian community located in Galilee Gale concludes that Matthew s community was a conservative Christian community located in Galilee that still believed the laws of the Torah were valid and required strict adherence Gale s argument contrasts with many scholars who argue that the Matthean church was in the process of or had already abolished the Torah Gale uses material evidence to indicate that Matthew s community was cosmopolitan and wealthy and he argues that the community was also highly learned comprised of many scribes Gale concludes that the Matthean church was located near Sepphoris and

was a wealthy urban and learned community *The New Testament and the People of God* Nicholas Thomas Wright, 1992-01-01 Provides a historical theological and literary study of first century Judaism and Christianity offering a preliminary discussion of the meaning of the word god within those cultures and explores the ways in which developing an understanding of those first century cultures are of relevance for the modern world Original

Whispering the Techniques of Language: An Mental Journey through **Social World Of Formative Christianity And Judaism Essays In Tribute To Howard Clark Kee**

In a digitally-driven earth wherever monitors reign great and instant communication drowns out the subtleties of language, the profound strategies and emotional subtleties concealed within words often get unheard. However, situated within the pages of **Social World Of Formative Christianity And Judaism Essays In Tribute To Howard Clark Kee** a interesting fictional treasure pulsating with natural emotions, lies a fantastic journey waiting to be undertaken. Written by a talented wordsmith, that charming opus encourages visitors on an introspective journey, softly unraveling the veiled truths and profound influence resonating within the very cloth of each word. Within the psychological depths of this touching evaluation, we shall embark upon a genuine exploration of the book is primary styles, dissect their charming writing style, and succumb to the effective resonance it evokes strong within the recesses of readers hearts.
