Social Crisis Preaching The Lyman Beecher Lectures 1983:

Social Crisis Preaching Kelly Miller Smith, 2000-09 **Social Crisis Preaching** Tyshawyn Gardner, 2023-02-01 This book provides a theology for social crisis preaching by arguing that Christian proclamation is the best prescription for the social crises in our world Social Crisis Preaching positions the pastor as a sacred anthropologist one who is aware of both the crises in one's community but also as one who has a firm understanding of the people in the pews It also equips the preacher with both the hermeneutical and homiletical tools to confront social crisis with biblical integrity Lastly this book argues that social crisis preaching develops Christians disciples and congregations as those who care about and confront the social crisis in their neighbor's community following the biblical mandate to love your neighbor as yourself *The Sacred Art* Johnny Turner, 2007-06 Dr Johnny Turner's *The Sacred Art Growing Faithful Disciples in the 21st Century* is a fresh approach for guiding Christians to reclaim the sacred art of discipleship Turner combines scholarly research and practical insights and stresses the need for discipleship training It is critical because discipleship is a sacred art It is sacred because discipleship is part of the Great Commission Dr Turner describes how growing faithful disciples can be accomplished in the church and he invites the church to become totally involved in the process of growing disciples After reading you will discover too that discipleship is truly *The Sacred Art* Pastor Johnny Turner has given us a practical first things first approach to deeply important spiritual matters It is both thought provoking and inspirational Jim Cymbala Senior Pastor The Brooklyn Tabernacle *Rhetoric, Religion and the Civil Rights Movement, 1954-1965* Davis W. Houck, David E. Dixon, 2006 V 2 Building upon their critically acclaimed first volume Davis W Houck and David E Dixon's new *Rhetoric Religion and the Civil Rights Movement 1954-1965* is a recovery project of enormous proportions Houck and Dixon have again combed church archives government documents university libraries and private collections in pursuit of the civil rights movement's long buried eloquence Their new work presents fifty new speeches and sermons delivered by both famed leaders and little known civil rights activists on national stages and in quiet shacks The speeches carry novel insights into the ways in which individuals and communities utilized religious rhetoric to upset the racial status quo in divided America during the civil rights era Houck and Dixon's work illustrates again how a movement so prominent in historical scholarship still has much to teach us Publisher **Weary Feet, Rested Souls: A Guided History of the Civil Rights Movement** Townsend Davis, 1999-02-17 *Weary Feet Rested Souls* is a valuable and beautiful road map to a landscape we must not forget Marian Wright Edelman president of the Children's Defense Fund Thirty years after the Civil Rights Movement transformed America *Weary Feet Rested Souls* brings the landscape of this compelling period of history back to life Logging 30 000 miles of research and more than 100 hours of interviews with Civil Rights veterans Townsend Davis has written both a history of the struggle and an indispensable traveler's guidebook to Civil Rights in the Deep South Ranging from Martin Luther King Jr's childhood neighborhood to Philadelphia Mississippi where three Civil Rights workers were murdered to Selma and

Birmingham and scores of other sites *Weary Feet Rested Souls* is a uniquely inspiring and deeply commemorative guide to the Movement and its heroes

Preaching on Social Suffering Jeremy Kangsan Kim, 2023-03-01 In this book Jeremy Kim criticizes current Korean and Asian American homiletical strategies for their lack of a theological point of view on social suffering He argues that preachers must develop an alternative theological homiletical viewpoint on social suffering one that has pastoral and prophetic approaches These two approaches offer people a refuge and a voice not only in the church community but also in the larger social community Thus the author suggests that preachers adopt the biblical lament highlighting its dual tasks of compassion the pastoral dimension and resistance the prophetic dimension The author who is a non Western Asian American preacher also incorporates East Asian philosophical and hermeneutical research on ren a positive element of Confucianism into his argument He applies this core concept of Confucianism to the preacher's homiletical strategy toward social suffering Thus the author proposes that Korean preachers should recover ren which contains sincere compassion for others as well as a voice of resistance that reveals unjust social structures as the cause of social suffering and expresses both within Uri we the community

Sacred Anthropology Tyshawn Gardner, 2022-10-25 Pastors are often ill equipped in preparing churches to be sacred advocates and activists in the communities most affected by social injustice and neglect *Sacred Anthropology* aims to inform and equip pastors in discipling the body of Christ to effect social transformation in times of social crisis Tyshawn Gardner envisions the pastor as a sacred anthropologist as one who understands the cultures of other image bearers for the sake of promoting the justice of God in the world As a pastoral mandate the sacred anthropologist challenges churches to be engaged in the political and social transformation of their community The social anthropologist employs both secular and theological tools for an effective contextualized ministry This book posits prophetic radicalism as a pastoral theology and the pastoral office as the center of prophetic radicalism yet it does not limit prophetic radicalism to the pastoral office *Sacred Anthropology* is written with pastors and parishioners from any ethnic group in mind but draws heavily on the prophetic pastoral and preaching tradition of African American pastors and churches Using this foundation and tradition sacred anthropologists can lead their congregations in a way that challenges them to be involved engaged and transformative

Expository Preaching in a World of Spiritual Nominalism R. T. Johnson Raih, 2021-10-06 The spiritual decay of nominalism threatens the established church worldwide While spiritual lethargy is often addressed from the perspective of theology and discipleship little attention has been given to the role of homiletics in revitalizing a congregation's spiritual health In this study Dr Johnson Raih explores the impact of preaching on members of Baptist churches in Imphal Manipur India from 2000 to 2015 He utilizes interviews and questionnaires from pastors church leaders and lay members to assess the presence of nominalism within church congregations along with the effects of various preaching methods on increasing or decreasing spiritual vitality Combining this qualitative research with scriptural and theological insight Raih suggests that expository preaching has the power to confront and even eradicate nominalism within the church He draws on biblical examples along with the methodology of John Stott and Timothy Keller to offer ten practical recommendations for countering nominalism homiletically whether in Imphal India or around the world

Horizons, 1966 **Prophetic Preaching** Leonora Tubbs Tisdale, 2010-01-01 Where have all the prophets gone And why do preachers seem to shy away from prophetic witness Astute preacher Leonora Tisdale considers these

vexing questions while providing guidance and encouragement to pastors who want to recommit themselves to the task of prophetic witness With a keen sensitivity to pastoral contexts Tisdale s work is full of helpful suggestions and examples to help pastors structure and preach prophetic sermons considered by many to be one of the most difficult tasks pastors are called to undertake Singing in a Strange Land Nick Salvatore,2007-10-15 A prizewinning historian pens this biography of C L Franklin the greatest African American preacher of his generation father of Aretha and civil rights pioneer *The Divided Mind of the Black Church* Raphael G Warnock,2023-11-21 An altar call to action from the U S senator and senior pastor at Atlanta s Ebenezer Baptist Church Publishers Weekly What is the true nature and mission of the church Is its proper Christian purpose to save souls or to transform the social order This question is especially fraught when the church is one built by an enslaved people and formed from its beginning at the center of an oppressed community s fight for personhood and freedom Such is the central tension in the identity and mission of the Black church in the United States For decades the Black church and Black theology have held each other at arm s length Black theology has emphasized the role of Christian faith in addressing racism and other forms of oppression arguing that Jesus urged his disciples to seek the freedom of all peoples Meanwhile the Black church even when focused on social concerns has often emphasized personal piety rather than social protest With the rising influence of white evangelicalism biblical fundamentalism and the prosperity gospel the divide has become even more pronounced This book traces the historical significance of the rise and development of Black theology as an important conversation partner for the Black church Calling for honest dialogue between Black and womanist theologians and Black pastors this fresh theological treatment demands a new look at the church s essential mission An informative work for historians theologians and humanities scholars interested in debating what the Black Church needs to be doing in the 21st century *Journal of African American History* As a person who is not Black reading this book provided a learning experience for me I could also see this book serving as a way to spark discussion involving all ethnic groups as to how we can all as fellow Christians blend the goals of saving lost people and moving the culture toward equality for everyone *Ministry* Well written and meticulously researched *The Christian Century* *Light* ,1984
