Social Group Work And Alcoholism:

Social Group Work Today and Tomorrow Benjamin L. Stempler, Marilyn Glass, 2013-10-18 A comprehensive introduction to policy and planning approaches methods models ways of thinking and techniques Social Group Work Today and Tomorrow is presented in a reader friendly fashion for persons with no prior formal training in this area The book teaches social workers group counselors educators and students and practitioners how to apply group work theory to practice in an increasingly time limited and managed care oriented society Social Group Work Today and Tomorrow converts sophisticated policy and planning concepts and techniques into a form which even non experts can understand relate to and apply in their own practice Chapters reflect the work of the giants of social group work and also recognize contributions being made by the current generation of educators and practitioners The contributors chapters span many topical areas among them an interactionist theoretical perspective on creative uses of groups a moving look at the second decade of the AIDS epidemic creative use of dance with group work creative group work with ill elderly practice groups for students to prepare them for professional work with groups women s issues and empowerment creative ways to use groups to educate among homosexual men on safe sexual practices the use of one session groups to respond to job related trauma Chapters strike a strong note for social group work s base in an interactionist perspective and for the overall efficacy and uniqueness of the method Throughout the text readers learn and explore group types and formats ranging from verbal to activity from one session to beyond a year from education to support and from developmental to rehabilitation Ethics self esteem identity and empowerment themes are prominent throughout this work s pages Social Group Work Today and Tomorrow is an accurate reflection of the quality creativity and energy that made up the Fourteenth Annual Symposium on Social Work With Groups The creativity and innovativeness reflected in these pages offers new ideas and direction to all of social workers counselors and educators who choose the experience of working with groups

Ethnicity in Social Group Work Practice Larry E. Davis, 1984

Research in Social Group Work Sheldon D. Rose, Ronald A. Feldman, 1987 A broad range of critical concerns in group work research reflect not only the important advances and strengths in group work research but also some of the deficiencies and gaps that characterize contemporary research in the field

Collectivity in Social Group Work Norma C. Lang, Joanne Sulman, 1987 A concise and comprehensive examination of the theory of collectivity in social group work Experts explore the impact of collectivity theory on social work practice and provide descriptions of practice in collectivity

Stories Celebrating Group Work Roselle Kurland, Andrew Malekoff, 2012-11-12 Stories Celebrating Group Work It s Not Always Easy to Sit on Your Mouth celebrates the 25th anniversary of the esteemed journal Social Work with Groups with a collection of 21 narratives from group work practitioners and educators These highly personal stories from a range of social workers young and old famous and not so famous reflect each author s development and experience serving as both instruction and inspiration for practitioners and educators This unique collection by turns humorous moving profound

and down to earth gets to the heart of what it means to be a member of the social work community Each chapter of *Stories Celebrating Group Work* draws on its contributors' area of expertise and interest in a specific topic chronicling the development of the author's understanding, appreciation, and skill Authors address the everyday concerns of social work professionals such as maximizing mutual aid, promoting positive norms, maintaining authority in group work, managing conflict, dealing with taboo subjects, building a group work culture in a human services organization, working with a co-leader, tapping the strengths of group members, and addressing social change The individual stories of working with men, women, and children suffering through abuse, homelessness, addiction, and teenage pregnancy in places as diverse as East Harlem, Maine, Canada, Nebraska, Long Island, Haiti, Uruguay, help form a collegial spirit as group workers gain insight from the theory and practice of those who went before The personal stories you'll find in *Stories Celebrating Group Work* include *How I Became a Social Worker*, *The Power of Group Work with Kids*, *How the Relational Model of Group Work Developed My Love Affair with Stages of Group Development*, *But I Want to Do a Real Group*, *Racial Difference and Human Commonality*, *The Worker-Client Relationship*, and many more *Stories Celebrating Group Work: It's Not Always Easy to Sit on Your Mouth* is a one-of-a-kind collection of stories at once entertaining and educational It's an essential read for beginning and seasoned human services practitioners and educators involved with or interested in working with groups [Group Workers at Work](#) Paul H. Glasser, Nazneen Sada Mayadas, 1986 To find more information about Rowman and Littlefield titles, please visit www.rowmanlittlefield.com [Group Work With Populations at Risk](#) Geoffrey L. Greif, Paul H. Ephross, 2011 *Group Work With Populations at Risk*, Third Edition, is a fundamental resource for practitioners in health and mental health settings and a comprehensive guidebook of group work skills Geared toward students and professionals gaining a beginning understanding of groups, this volume describes how to work with vulnerable populations that include returning war veterans, Latino and Latina immigrants, women and men who were abused as children, children of divorce, and people struggling with substance abuse, AIDS, cancer, or chronic mental illness Each chapter describes the population and reviews the relevant literature, identifies themes, and presents practice principles, presents a case illustration, provides evaluation guidance, and refers readers to key references and web resources Each one is designed to stand alone for easy reference and overviews of skill building and evidence-based practice make this a timely, comprehensive resource for group leaders regardless of specialty [Social Work With Multi-Family Groups](#) D. Rosemary Cassano, 2014-02-04 Here is a remarkable new volume for understanding the interrelatedness of the primary family group and the formed therapeutic group Multiple family therapy is a special type of group practice that involves the members of several families meeting together with a professional to work on common family concerns Rosemary Cassano, acclaimed for her qualitative research on multiple family group therapy, has produced an exciting volume that reflects the diversity of client populations and patterns and processes in these groups *Social Work With Multi-Family Groups* reveals to the professional what actually goes on in the process of group interactions and practitioner

interventions In this state of the art volume social workers set forth a specific and careful definition of multiple family practice and examine the successful use of multi family groups with families with child labeled problems institutionalized elderly suffering from physical and cognitive impairments and their family members patients with life threatening illness and their families and several other support groups Each of the practical examples illustrates how professionals can design helping systems for their clients that combine both professional and peer help and activate the help that is embedded in each client s own family

Groupwork Allan Brown,2017-07-05 This highly successful book on groupwork practice first published in 1979 has become a standard introductory text on most social work training courses It is very popular with social workers whatever their agency setting and is also used by health visitors youth workers and the voluntary sector All key sections from previous editions have been retained and updated while those on group composition open groups co working and consultation have been extended and revised to give more comprehensive coverage

Group Work With the Emotionally Disabled Baruch Levine,2014-04-04 Here is an exciting and informative volume on the use of social group work in psychiatric settings As it affirms the significance of social group work s clinical potential Group Work With the Emotionally Disabled fosters further development in this highly specialized area of human service Baruch Levine a prestigious social group worker and clinical theorist has edited this exceptional volume that emphasizes the coexistence of mental illness and mental health in effective group experiences for treating mental disability Readers are treated to a comprehensive history of the development of the use of social group work practice with the emotionally disabled in psychiatric settings Other authoritative chapters focus on the practice aspect and explore the problems and issues in group work with the emotionally disabled the settings for group treatment of the chronically ill and psychiatrically at risk and the development of comprehensive approaches to the treatment and rehabilitation of persons with severe mental illness

Gerontological Social Work Practice in the Community George S. Getzel,M. Joanna Mellor,1985 Here is an extremely useful book one which will help social workers understand the needs of special populations of older people the nature of practices in the community and some of the policy and practice issues which they confront in their work

Making Joyful Noise Andrew Malekoff,Robert Salmon,Dominique Moyse Steinberg,2014-01-02 This diverse collection of articles by group work professionals who work in the classroom and in the field captures not only the art and science of social work with groups but also its soul highlighting practice teaching and writing ideas that promote the power of group work and the people who do it Making Joyful Noise reinforces the value and uniqueness of group work as a positive optimistic empowering and affirming way of working with people The articles presented here cover a wide range of age groups populations and settings and include examples on the use of activity and discussion in groups a poetry club for children the meaning of camp for preadolescents a boxing group for adolescents who live in the inner city self defense classes for adults and caregiver support for the elderly The book also steps into the classroom to promote the teaching of social group work and the education of

advanced group work practitioners and to encourage practitioners to write about their group work practice Finally the book presents and illustrates a number of concepts that are unique to group work and that encourage front line practitioners to be bold and to stay in the mess While organized as a tribute to the late Dr Roselle Kurland Making Joyful Noise is in and of itself an important collection of articles and essays on social group work and one that is certain to provide all practitioners who are interested in group work with a spark a smile and some needed inspiration for their important work Making Joyful Noise includes essentials for preserving promoting and portraying group work practice the critical relationship between human and professional ethics in group work six common mistakes that practitioners make in regard to group purpose using organizational analysis to improve group work practice creatively blending activity and discussion in diverse settings cultivating collegiality to reduce isolation and enhance practice developing a capacity to stay in the mess in group work with people of all ages skills for effectively working with transitions separation and loss in group guidelines for practitioners wishing to write for publication and much more This book is a rich and diverse collection that is required reading for anyone working to promote social work with groups Social Groups Mr. Rohit Manglik,2023-09-23 In this book we will study about the subject of Social Groups exploring its key themes developments and importance in the broader context of the discipline The book offers foundational and in depth understanding tailored to build academic insight and critical thought

Strategies for Work with Involuntary Clients Ronald H. Rooney,Rebecca G. Mirick,2018-05-01 Often in their careers social workers will encounter clients who are either legally required to attend treatment services or are otherwise coerced or pressured into those services Practitioners in settings from prisons to emergency rooms to nursing homes to child protection agencies will find themselves with involuntary clients In an update to this classic text social workers Ronald H Rooney and Rebecca G Mirick explore the best ways to work with unwilling clients While work with involuntary clients is common it can be challenging frustrating and unproductive unless practitioners are well trained for it This book provides a theoretical framework for understanding the legal ethical and practical concerns when working with involuntary clients offering theory treatment models and specific practice strategies influenced by the best available knowledge Animated by case studies across diverse settings these resources can be used by practitioners to facilitate collaborative effective working relationships with involuntary clients **Alcohol Resources** ,1985 *Social Group Work* Joseph Lassner,Kathleen Powell,Elaine Finnegan,2013-12-16 Here is an exciting and stimulating book featuring expert evaluations and descriptions of current social work group practice with an overall focus on competence and values The contributors give detailed information on group work theory group structure gender and race issues in group work group work in health care settings and the use of groups for coping with family issues that will be invaluable for all professionals in their daily practice This thorough and inspiring overview of the state of the art in social group work today contains the published proceedings of a recent Symposium for the Advancement of Social Work With Groups Social Groupwork and Alcoholism Marjorie Altman,Ruth Crocker,1982-01-01

Social Groupwork and Alcoholism discusses the multiple and intergenerational reverberations of the disease of alcoholism at all levels of society and the successful use of groups in treatment and preventive services Chapters describe a variety of groups that advance by interpersonal means the goals of sobriety for alcoholics and a corresponding return to health for family members and all significant others **Groupwork in Social Care** Julie Phillips,2001 studies with a variety of groups

Theory and Practice of Social Group Work in Indian Society Pallassana R. Balgopal,Suresh Pathare,Meena M. Balgopal,2024-10-26 This book describes relevant theories such as task centered and strength perspective interventions for the practice of social group work within contemporary India These two theories are complemented by additional theories including Gestalt Therapy Spirituality and Raja Yoga These theories fill the gap in the literature to indigenize social group work interventions The book is divided into four parts History of Social Group Work and Introduction in India The Indian Family Structural Properties of Group Work Using Case Studies in Social Group Work Education In addition there are two separate chapters on leadership leadership in social work groups and leader interventions relevant to Indian society At the end of each chapter a summary and applicable practice principles are presented It explicitly presents the value of short and task oriented group work It mobilizes the group members strengths to work through problems that Indian children parents working adults and the elderly experience The group process is presented with a focus on the present day Indian cultural context which is relevant for a range of practitioners in the helping professions This important book is a valuable resource for students and scholars of social work community practitioners voluntary organizations and social activists Principles and Practice of Group Work in Addictions Robert Hill,Jennifer Harris,2011-04-20 How can the group setting be used to treat those with drug and alcohol problems Many professionals working across a variety of addictions settings find themselves working in groups and tackling complex issues however there is often very little initial training or on the job support to help them in this challenging task Principles and Practice of Group Work in Addictions has been written with the aim of addressing the key areas in working with drug and alcohol misuse while providing practical solutions to the more common problems that emerge in group work Drawing on the expertise of clinicians who work in the field of addictions this book offers readers practical advice for everyday practice Divided into three sections it covers core group work in addictions practical issues and solutions to common problems specific issues within the field of addictions Principles and Practice of Group Work in Addictions is illustrated throughout with practical case examples providing the reader with an insight into group work in this area The book will supply guidance for mental health professionals including clinicians psychologists nurses and medical staff who encounter group work in addictions for the first time as well as providing further knowledge and support to those who already work in the field
