

Social Policy - Crime Control in the US

- A criminal justice system may draw on four approaches to punishment:
 - **Deterrence** – emphasizes intimidation, using threat of punishment to discourage crime.
 - **Retribution** – criminals pay compensation equal to their offenses against society.
 - **Incarceration** – removes criminals from society.
 - **Rehabilitation** – attempts to resocialize criminals.

Comparing the Social Policy Experience of Britain and Taiwan Catherine Jones Finer, 2018-10-24 This title was first published in 2001 This is a seminal collection For the first time leading scholars and practitioners from Taiwan join with counterparts from Britain to offer comparable commentary on key social policy and social service issues affecting their respective countries The result is as thought provoking as it is informative The approach adopted of encouraging writers to speak for themselves virtually without restriction could well provide a model in itself for encouraging and easing contributions from previously unrepresented countries into the mainstream of comparative cross national social policy debate Concluding papers on the prospects for East West comparative social policy in general confirm the significance of this collection by emphasizing its contribution to broader social and political debates

The Politics of Crime, Punishment and Justice Stephen Farrall, Emily Gray, 2024-05-17 This book explores the impact of right wing political ideology on crime the criminal justice system and attitudes towards punishment in Britain Grounded in a rigorous analysis of repeated cross sectional surveys such as the British Social Attitudes Survey and the British Crime Survey as well as individual level cohort data such as the 1958 National Child Development Study and the 1970 British Cohort Study it examines changes in long term crime rates criminal justice policies and their integration with social and economic policies in Britain over four decades It offers a detailed discussion of how radical social and economic changes affected the fear of crime and attitudes to punishment and how well Thatcherite social and economic values were embedded in contemporary British society Drawing on a wide literature across criminology political science sociology and social policy this book demonstrates how a thorough understanding of crime cannot take place without an examination of the wider social policies enacted the life courses of the individuals affected and their communities and the political environment in which they live It is essential reading for criminologists sociologists political philosophers and social theorists alike since it combines thinking from political sciences life courses theories and detailed analyses of the outcomes of social policy change The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY 4.0 license

Criminal Policy in Transition Penny Green, Andrew Rutherford, 2000-11 This work arrives at a time when the literature in criminology is short of global perspectives It aims to help fill that gap while it presents important new insights into changing penal policy and practice The authors write knowledgeably about their home societies without being prematurely bounded by comparative criteria As a result they develop a complex and uneven image of similarities and differences of divergence and convergence through time In this sense the collection offers a model of how international collaborative work should proceed
