Socioeconomic Democracy:

The Global Debt Crisis and Its Socioeconomic Implications Mohamed Rabie, 2017-10-31 This fascinating and ambitious book proposes a new strategy the Ramo Plan to tackle the current global socioeconomic crisis Issuing a direct challenge to the status quo the author lays out a bold set of policies to overcome the West East divide and lead us to a more successful and secure future Alongside the presentation of a new economic approach this book provides a thorough survey of the major forces behind the decline in economic growth rates It examines the state of the major world economies explores the impact of the global debt crisis identifies the income and wealth gaps in the United States and other countries and explains the relationship between these issues and the spread of alienation radicalism and terrorism Imaginative and refreshing this is valuable and original reading for students and academics interested in international political economy economic development sustainable development and social economics as well as global policy area studies globalization studies and international relations

A Research Agenda for Social Capital in Economic Development İbrahim S. Akçomak, Jesús Peiró-Palomino, 2025-05-14 This innovative Research Agenda investigates the complex relationship between social capital and economic development Expert authors review existing research alongside recent trends emphasizing the nuanced context specific effects of social capital on economic outcomes

Anarchism and Social Revolution Brian Williams, 2023-09-30 This monograph provides an update to anarchist philosophy advocating for a paradigm shift beyond neoliberalism and liberal democracy The book s central thesis has two components First it is argued that the maximization of equal liberty requires historical progress beyond the sovereign state system In contrast to Fukuyama s 1992 argument that liberal democracy is the end of history it is argued that liberalism contains two contradictions socioeconomic inequality and the shortcoming in equal liberty inherent to state power with the potential to propel history further This book s argument libertarian social democracy provides a framework to guide that final stage of history Second while anarchist philosophy offers a vision beyond the sovereign state it can be rendered more suitable as an alternative paradigm Specifically it is argued that anarchism is hampered by its traditional adherence to prefigurative strategy according to which the state cannot be used as a means to achieve a free and equal society By contrast libertarian social democracy incorporates a role for a democratic transitional state described here as gradualist anarchism thus addressing mainstream Hobbesian concerns about bad anarchy where decentralization yields a net loss in equal liberty In so doing the book reveals the full spectrum of anarchist strategy from prefigurative to gradualist

The Oxford Handbook of International Political Theory Chris Brown, Robyn Eckersley, 2018 The essential volume for all those working on International Political Theory and related areas

Democratization and Research Methods Michael Coppedge, 2012-06-25 Democratization and Research Methods is a coherent survey and critique of both democratization research and the methodology of comparative politics The two themes enhance each other the democratization literature illustrates the advantages and disadvantages of various methodological

approaches and the critique of methods makes sense of the vast and bewildering democratization field Michael Coppedge argues that each of the three main approaches in comparative politics case studies and comparative histories formal modeling and large sample statistical analysis accomplishes one fundamental research goal relatively well thickness integration and generalization respectively Throughout the book comprehensive surveys of democratization research demonstrate that each approach accomplishes one of these goals well but the other two poorly Chapters cover conceptualization and measurement case studies and comparative histories formal models and theories political culture and survey research and quantitative testing The final chapter summarizes the state of knowledge about democratization and lays out an agenda for multi method research Socio-economic and Political Vision of Dr. B.R. Ambedkar S. N. Mishra,2010

Democratic Governance and Social Inequality Joseph S. Tulchin, Amelia Brown, 2002 Contributors examine challenges that social inequities present to democratic governments arguing that issues of poverty and inequality are becoming more important in the global environment They consider the effects of globalization on the distribution of income and wealth within state borders the impact of inequality on the stability and quality of democratic governance and the future of vulnerable democracies in light of the decline in the ability of governments to reduce inequality Tulchin is director of the Latin American Program at the Woodrow Wilson International Center for Scholars Annotation copyrighted by Book News Inc Portland OR **Contemporary Socio-Cultural and Political Perspectives in Thailand** Pranee Liamputtong, 2014-01-13

This volume examines contemporary Thailand It captures aspects of Thai society that have changed dramatically over the past years and that have turned Thailand into a society that is different from what most people outside the country know and expect The social transition of Thailand has been marked by economic growth population restructuring social and cultural development political movements and many reforms including the national health care system The book covers the social cultural and economic changes as well as political situations It discusses both historical contexts and emerging issues It includes chapters on social and public health concerns and on ethnicity gender sexuality and social class Most chapters use information from empirical based and historical research They describe real life experiences of the contributors and Thai people who participated in the research **Routledge Encyclopedia of International Political Economy** R. J. Barry

Jones, 2002-09-11 This three volume Encyclopedia offers the first comprehensive and authoritative survey of the rapidly developing field of international political economy Its entries cover the major theoretical issues and analytical approaches within the field The set also provides detailed discussion of the contributions of key individuals and surveys a wide range of empirical conditions and developments within the global political economy including its major institutions The Encyclopedia has been designed to be eclectic in approach and wide ranging in coverage Theoretical entries range from discussions of the definition and scope of the field through core methodological questions such as rationalism and the structure agent problem to surveys of the major theories and approaches employed in the study of the international political economy **Routledge**
