Sociology A Brief Introduction With Reel Society Interactive Movie 10 Cd Rom And Powerweb:

Sociology Richard T. Schaefer, 2004 Three basic premises guide this highly successful introductory text first that theory and research must be both comprehensive and clear second that the text must show how sociology is relevant both to the study of society and to students lives and third that sociology can play a valuable role in teaching critical thinking skills To that end this solid well respected text combines a balanced three perspective approach with excellent student oriented examples and distinctive social policy sections in a concise presentation that offers an alternative to full length books

Reel Society Interactive Movie CD-ROM Version 2.0 WILL Interactive, 2005-01-05 This unique interactive movie on two CD ROMs demonstrates the sociological imagination using actors and scenarios involving campus life Taking on the role of one of the characters each viewer takes part in key plot turns by making choices for the character Through it all a wide variety of issues and perspectives are addressed reinforcing major sociological concepts and theories relating them to students lives and sparking debate One college town many kinds of people imagine yourself as a student at Pineville University What social forces affect the choices you make in life Reel Society is the interactive movie that gives you the chance to find out Society isn't just one person's story So take a different perspective Think differently Live your life as someone different Should you stay home and hit the books Or spend the evening relaxing with friends What's more important your education or your family You decide Experience how cultural differences stratification political systems norms religion and the media affect your life Spark your sociological imagination Learn differently Reel Society 2.0 is the learning tool for bridging the classroom and real life In addition to the interactive movie explanatory text and a glossary this enhanced two CD set includes quizzes and discussion questions to test your knowledge of sociology Plus there are links to the McGraw Hill sociology websites A perfect complement to any introductory sociology textbook Reel Society 2.0 is available in discounted packages with selected McGraw Hill texts

Sociology Richard T. Schaefer, 2003 Like its predecessors the fifth edition of this concise text reflects Rick Schaefer's mission to bring readers a comprehensive up to date presentation that teaches them how to think critically about society and their own lives from a wide range of classical and contemporary perspectives Combining balanced coverage of theory with current research findings distinctive social policy sections examples and issues of interest to students and abundant learning aids and exercises this text will help students develop a sociological imagination In the aftermath of September 11 2001 sociology has been called on to explain the social consequences of the attacks The introductory sociology class provides the ideal laboratory in which to study our own society and those of our global neighbors Sociology can help students to better understand the workings of their own lives as well as of their society and other cultures Richard T Schaefer **Sociology** Schaefer, 2005-03 **Sociology: A Brief Introduction** Richard T. Schaefer, 2010-09-23 The ninth edition of Richard T Schaefer's *Sociology A Brief Introduction* provides students with a comprehensive up to date presentation of sociology Students learn to think critically about society and their own lives from a

wide range of classical and contemporary perspectives Combining balanced coverage of theory with current research findings examples that students can relate to and abundant learning aids and exercises the new edition continues to encourage the development of sociological imagination New to the edition is the inclusion of an adaptive diagnostic tool and interactivities to help students master key concepts *Sociology* Richard T. Schaefer, 2001-08 Three basic premises guide this highly successful introductory text first that theory and research must be both comprehensive and clear second that the text must show how sociology is relevant both to the study of society and to students lives and third that sociology can play a valuable role in teaching critical thinking skills To that end this solid well respected text combines a balanced three perspective approach with excellent student oriented examples and distinctive social policy sections in a concise presentation that offers an alternative to full length books
