Sociology David M. Newman, 2016-08-16 Adapted from David M Newman's best selling *Sociology Exploring the Architecture of Everyday Life* this briefer streamlined version continues to show students how to see the unfamiliar in the familiar inspiring them to think critically about their own lives and social contexts As in the full text the author's approachable writing style and lively personal anecdotes make the Brief Edition a text that reads like a real book It uses the metaphors of architecture and construction to help students understand that society is not something that exists out

there independently of themselves it is a human creation that is planned formed maintained or altered by individuals Rather than surveying every subfield in sociology the Brief Edition focuses on the individual and society the construction of self and society and social inequality in the context of social structures [Sociology](#) David M.
