**VCs Passchendaele 1917** Stephen Snelling, 2012-02-29 Of all the costly campaigns fought across the Western Front during the First World War none strikes a more chilling chord than Passchendaele Even now more than ninety years on the very mention of the name is enough to conjure up apocalyptic images of desolation and misery on a quite bewildering scale humanity drowning in a sea of mud Passchendaele has come to serve as a symbol of the folly and futility of war chiefly remembered for its carnage and profligate waste of human lives It also stands as testament to the endurance and extraordinary courage displayed by men of all ranks and nationalities During the 3 1 2 month long struggle which claimed the lives of more than 60 000 British and Commonwealth servicemen 61 men were adjudged to have performed deeds worthy of the Empire s highest award for valour the Victoria Cross Men from Australia Canada New Zealand and South Africa were among their number alongside men from England Ireland Scotland and Wales They came from all walks of life counting humble privates and for the first time a general among their ranks This is a lasting memorial to a body of men who deserve to be numbered among the bravest of the brave

*Heroes of the Skies* Michael Ashcroft, 2012-09-13 Since the dawn of aerial combat in the First World War the heroism of the men who put their lives at risk in the air has known no bounds There were no more heroic airmen than the fighter pilots and bomber crews of the Second World War men who sacrificed their own lives in order to save their crew or who although in extreme pain managed to get their aircraft home rather than risk becoming PoWs In telling the stories of more than eighty such men *Heroes of the Skies* paints a picture of aerial combat from the First World War right through to Afghanistan and allows us to celebrate the extraordinary feats of our flying heroes

**VCs of the First World War: The Air VCs** Peter G. Cooksley, Peter F. **Billy Bishop VC: Lone Wolf Hunter** Peter Kilduff, 2014-10-19 A superb look at one of the Great War s most storied combat pilots and his legendary solo missions with never before published photos Barrett Tillman William Avery Bishop is recognized as the British Empire s highest scoring WWI ace credited with seventy two combat victories Overall he ranked behind only Manfred von Richthofen and Ren

Fonck This remarkable man's story his personal courage daring and superior marksmanship has been detailed in books and articles but here author Peter Kilduff investigates the untold story bringing new light to missions and kills that have been previously steeped in controversy through evenhanded thorough research and forensic evidence As so many of Bishop's victories were achieved during solo combat the author examines and scrutinizes German British and Canadian archival sources Bishop's private correspondence and accounts by friends and foes Such an approach provides as complete an account as possible in a valuable work featuring many previously unpublished photographs Kilduff is not the first to conduct such an inquiry into Bishop's claim of 72 victories but his book is by far the best researched expertly laid out with photos of the aircraft mentioned by Bishop particularly the German types Kilduff has done a marvelous and subtle job of showing how a real hero became larger than life *Aviation History*
