

The Latvian Orthodox Church

Lei Huang

The Latvian Orthodox Church:

The Latvian Orthodox Church Alexander Cherney, 1985 The Russian Orthodox Church, 1917-1948 Daniela Kalkandjieva, 2014-11-20 This book tells the remarkable story of the decline and revival of the Russian Orthodox Church in the first half of the twentieth century and the astonishing U turn in the attitude of the Soviet Union's leaders towards the church. In the years after 1917 the Bolsheviks' anti religious policies, the loss of the former western territories of the Russian Empire and the Soviet Union's isolation from the rest of the world and the consequent separation of Russian emigrants from the church were disastrous for the church which declined very significantly in the 1920s and 1930s. However when Poland was partitioned in 1939 between Nazi Germany and the Soviet Union Stalin allowed the Patriarch of Moscow Sergei jurisdiction over orthodox congregations in the conquered territories and went on later to encourage the church to promote patriotic activities as part of the resistance to the Nazi invasion. He agreed a Concordat with the church in 1943 and continued to encourage the church especially its claims to jurisdiction over migrant Russian orthodox churches in the immediate postwar period. Based on extensive original research the book puts forward a great deal of new information and overturns established thinking on many key points.

Latvia Paul Brummell, 2024-07-23 The new sixth and thoroughly updated edition of Bradt's Latvia remains the only standalone guide to this fascinating ever changing Baltic nation. This small enchantingly varied country will appeal to culture vultures, history buffs, outdoors enthusiasts and foodies alike. Connections to the US abound. Prime Minister Krišjānis Kariņš was born in Delaware while famous US based Latvians include tailor Jacob Davies credited with inventing jeans and abstract Expressionist Mark Rothko. Latvia is best known internationally through its capital city Riga whose centre is a UNESCO World Heritage site combining a medieval core providing testimony of its importance as a port of the Hanseatic League and an outer area containing the most extensive assemblage of Art Nouveau buildings in Europe. Latvia is larger than West Virginia yet with a population of under two million is one of Europe's most verdant countries. A low lying landscape of forests, lakes and marshes offers an increasing range of rural tourism options facilitated by recent EU infrastructural investments. Why not go hiking or kayaking in Gauja National Park, go cycling or explore Latgale's lakes. In summer Latvia's Baltic Sea coast comes into its own over 300 miles long, much comprising pristine sandy beaches backed by dunes. Seaside options range from cosmopolitan Jūrmala, once a favoured holiday destination of the Soviet elite, to out of the way idyllic spots the visitor will have to themselves. Latvia's complex history results in tourist attractions ranging from medieval castles to the Baroque splendour of Rundāle Palace and from Daugavpils's Mark Rothko arts centre to a once secret Soviet nuclear bunker. Latvian culture and identity reaches peak expression in the five yearly Song and Dance Festival involving forty thousand performers, but some prefer to relax in a combination of traditional saunas and modern spas. For something completely different you could even visit Karosta, former military prison where the intrepid can book a night in a cell sleeping on an iron bunk. Balancing coverage of the country's cultural attractions with guidance on where and how to

enjoy its natural environment Bradt's Latvia is the perfect guidebook to inform and inspire your visit *Russia and Latvia* Andis Kudors, 2023-11-17 This book explores Russia's relations with Latvia arguing that Latvia with a higher proportion of Russian speakers than other Baltic states is especially vulnerable to Russia's sharp power The book highlights how authoritarian and totalitarian regimes are unable to exercise soft power based on the attractiveness of the country's culture and values which would help them gain the favour of the audience of the target countries but instead as in the case of Russia use public diplomacy compatriot policy media policy propaganda and disinformation to produce a destructive effect distorting the democracies of target countries and increasing national security risks The book provides in depth detail on how Russia is making use of this sharp power in Latvia examines the consequences and assesses the dangers for the future The Blackwell Dictionary of Eastern Christianity Ken Parry, David J. Melling, Dimitri Brady, Sidney H. Griffith, John F. Healey, 2000-11-08 Containing over 700 articles this Dictionary allows the reader to explore Eastern Christian civilization with its cultural and religious riches The articles are written by a team of 50 international contributors including leading historians theologians linguists philosophers patrologists musicians and scholars of liturgy and iconography **The Ecumenical Patriarchate** Demetrius Kiminas, 2009-03-01 This is the first attempt to provide comprehensive annotated lists of the Ecumenical Patriarchs and the Metropolitans and Archbishops under the jurisdiction of Constantinople for an English language audience Kiminas meticulously delineates the history of each archdiocese and provides detailed succession catalogs in both English and Greek of the hierarchs of each see as well as indicating their years of birth and death when known and their previous and later ecclesiastical posts Every serious student of the history of Eastern Orthodoxy will want a copy of this carefully annotated work A stunning achievement of scholarship Michael Burgess author of *The Eastern Orthodox Churches* **The Concise Encyclopedia of Orthodox Christianity** John Anthony McGuckin, 2014-02-03 Based on the acclaimed two volume *Encyclopedia of Eastern Orthodox Christianity* Wiley Blackwell 2011 and now available for students faculty and clergy in a concise single volume format An outstanding reference work providing an accessible English language account of the key historical liturgical doctrinal features of Eastern Orthodoxy including the Non Chalcedonian churches Explores the major traditions of Eastern Orthodoxy in detail including the Armenian Byzantine Coptic Ethiopic Slavic Romanian Syriac churches Uniquely comprehensive it is edited by one of the leading scholars in the field and provides authoritative articles by a team of leading international academics and Orthodox figures Spans the period from Late Antiquity to the present encompassing subjects including history theology liturgy monasticism sacramentology canon law philosophy folk culture architecture archaeology martyrology and hagiography Structured alphabetically and is topically cross indexed with entries ranging from 100 to 6 000 words **The Cyberunion Handbook** Arthur B. Shostak, 2002 In his original *CyberUnion* the author presented a bold plan for unions to develop a more significant role in the 21st century by adopting four strategic aids futuristics innovations services and traditions F I S T knit together by cutting edge Info Tech resources CyberUnions in

Action expands on the F I S T model and looks at gains and setbacks in pioneering efforts to create CyberUnions It highlights relevant websites and features interviews with key CyberUnion advocates and some critics Shostak reviews overseas union efforts for transferable lessons and pays special attention to the AFL CIO campaign to ensure Labor s advances in the use of computer networks the Internet wireless devices and more Eastern Christianity and Politics in the Twenty-First Century Lucian N. Leustean,2014-05-30 This book provides an up to date comprehensive overview of Eastern Christian churches in Europe the Middle East America Africa Asia and Australia Written by leading international scholars in the field it examines both Orthodox and Oriental churches from the end of the Cold War up to the present day The book offers a unique insight into the myriad church state relations in Eastern Christianity and tackles contemporary concerns opportunities and challenges such as religious revival after the fall of communism churches and democracy relations between Orthodox Catholic and Greek Catholic churches religious education and monastic life the size and structure of congregations and the impact of migration secularisation and globalisation on Eastern Christianity in the twenty first century *Historical Dictionary of Latvia* Aldis Purs,Andrejs Plakans,2017-05-02 Latvia is located on the eastern shore of the Baltic Sea After a brief period of independence between the two World Wars Latvia was annexed by the USSR in 1940 It reestablished its independence in 1991 following the breakup of the Soviet Union Although the last Russian troops left in 1994 Latvia continues to revamp its economy for eventual integration into various Western European political and economic institutions Since May 2004 Latvia is a member of the European Union This third edition of Historical Dictionary of Latvia contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Latvia
