The Legend of Grey Ghost and Other Tales from the Maine Woods Thomas K. Remington, Steven T., 2003-05-01

The Legend of Grey Ghost and Other Tales from the Maine Woods Thomas Remington, 2015-03-18 Spending countless hours in the woods was all an integral part of growing up in rural Maine. Bound within these covers are the true life accounts of two generations: a father and his son. Each of them takes turns weaving their stories of family traditions, learning to hunt, and the search for Grey Ghost. The adventures move from E. Bethel to the Albany hunting camp, with many stops in between. You will laugh. You will cry. You will escape to a world only a few are privileged to ever know. Join us for that journey. Classic Deer Camps Robert Wagner, 2008-07-21 Classic Deer Camps is a trip through time back to the core of America's deer hunting heritage. In this unique book, you will revisit 19th-century deer camps through a spectacular collection of writings, historical biography of famous deer camps, and nostalgic artwork. Plus, you'll rediscover the freedom, solitude, and camaraderie of this shared rite of passage. Short of providing the faint smell of beans and backstraps cooking on the fire, this book brings you to the heart and soul of this American institution. **Legends, Lore & True Tales in Mormon Country** Monte
