

THE LIFE AND MESSAGE
OF
GEORGE FOX
1624-1924

RUFUS M. JONES

Author of "Spiritual Energies in Daily Life," "The World Within," etc.

"GEORGE FOX stands forth a true specimen of an apostolic man and heroic reformer, absolutely sincere, honest, brave, uncompromising, and with an eye single for the light of God in his soul. His place in religious history is among the spiritual Reformers of the sixteenth and seventeenth centuries."

Dr. Jones gives a most sympathetic account of Fox's life; he describes him as a mystic and yet a very practical Christian, and shows how he pronounced against social evils which had gone unchallenged for centuries and with the same sure insight suggested a new way of action.

The author's account of the beginning of Fox's religious movement, and the gradual development of the Society of Friends is followed by a striking summary of Fox's mission and its meaning for the present age.

THE
LIFE AND MESSAGE OF
GEORGE FOX
1624-1924

(Continued from front)

"THE Quaker religion which he (George Fox) founded is something which it is impossible to overpraise. In a day of shams it was a religion of veracity rooted in spiritual inwardness, and a return of something more like the original gospel truth than men had ever known in England. So far as our Christian sects to-day are evolving into liberality, they are simply reverting in essence to the position which Fox and the early Quakers so long ago assumed. No one can pretend for a moment that in point of spiritual sagacity and capacity, Fox's mind was unsound. Every one who confronted him personally, from Oliver Cromwell down to county magistrates and jailers, seems to have acknowledged his superior power."
