Krishna in History, Thought, and Culture

Lavanya Vemsani, 2016-06-13 Krishna is a central figure in Hinduism a religion that has been a fundamental force for thousands of years This accessible encyclopedia covers texts practices scholarship and arts related to Krishna from the earliest known sources on As Eastern religions and related practices such as yoga become increasingly popular there is a need for resources that explain where these practices come from and what they mean This is one of those works Krishna is central to Hindu philosophy theology art architecture and literature and an understanding of Krishna will give students greater understanding of the role of Hinduism around the world Yet this isn't just a book on religion The encyclopedia also provides insights into Indian and world history and into contemporary concerns fostering respect for religious and cultural diversity Entries on a wide range of subjects related to Krishna cover India and other places where major Krishna religious centers and temples are established worldwide Articles draw from classical Indian sources dating back as far as 1300 BCE and from folk and worldwide literature including mythology from Jainism and Buddhism The book's alphabetical organization cross references in each entry that highlight related entries and further readings and topical and thematic lists will facilitate in depth research

Dattatreya: The Immortal Guru, Yogin, and Avatara Antonio Rigopoulos, 1998-04-02 Presents the multi faceted Hindu deity Dattatreya from his Puranic emergence to modern times This book presents the multi faceted Hindu deity Dattatreya from his Puranic emergence up to modern times Dattatreya's Brahmanical portrayal as well as his even more archaic characterization as a Tantric antinomian figure combines both Vaisnava Saiva motifs Over the course of time Dattatreya has come to embody the roles of the immortal guru yogin and avatara in a paradigmatic manner From the sixteenth century Dattatreya's glorious characterization emerged as the incarnation of the trimurti of Brahma Visnu and Siva Although Maharashtra is the heartland of Dattatreya devotion his presence is attested to throughout India and extends beyond the boundaries of Hinduism being met with in Sufi circles and even in Buddhism and Jainism via Nathism The scarce attention which most Western scholars of Indian religions have paid to this deity contrasts with its ubiquitousness and social permeability Devotion to Dattatreya cuts through all social and religious strata of Indian society among his adepts we find yogis Brahmins faqirs Devi worshippers untouchables thieves and prostitutes This book explores all primary religious dimensions myth doctrine ritual philosophy mysticism and iconography The comprehensive result offers a rich fresco of Hindu religion as well as an understanding of Marathi integrative spirituality precisely this complexity of themes constitutes Dattatreya's uniqueness I learned a great deal from this book Although I had known about Dattatreya as an important figure in Hinduism I had never realized the richness and complexity of this truly Protean deity As Rigopoulos notes Dattatreya has been largely neglected by scholars and this book makes you wonder why since he is so intriguing I suspect that this will become a classic in its area since there really is no comparable work which does so much relating to Dattatreya In a way to

read the history of Dattatreya as presented by Rigopoulos is to engage the history of Hinduism Virtually all of the major historical phases and issues are there from the Vedic period up to the last decade Glen Hayes Bloomfield College **The Poet-saints of Mahārāshṭra**, 1926 *Bhikshugita, the Mendicant's Song* Ekanātha, 1928 *The Life of Eknāth* Justin E. Abbott, 1997-01-01 [A Comprehensive History of Medieval India](#) Salma Ahmed Farooqui, 2011 Presents a consolidated timeline of medieval India by taking into account the period that marked the end of ancient India and focusing on the importance of the transitory centuries when Delhi had begun to surface as the new power center triggering prominent trends in thought and institutions This book analyzes the nature of social forces complexity of causation and the interdependence of change and continuity in the light of the crucial transition from ancient to early medieval India with the emergence of the Delhi Sultanate and the Vijayanagar Bahmani kingdoms Proceeding to detail the most effervescent period in Indian history the era of the great Mughals the text provides an insight into the ideological philosophical basis of the times focusing on the Sufi and Bhakti movements and culminates with the rise of the Marathas the advent of European companies and the eventual establishment of the British in Bengal keeping in mind that the history of medieval India has not moved in a linear fashion and that much of the period saw phases of expansion and realignment of political attributes this book contributes to a deeper understanding of the much misread period of Indian history with a view that takes into account the resultant interface between the political social economic religious and cultural elements and devotes to this crucial period the attention it deserves *Tradition and Modernity in Bhakti Movements* Lele, 2022-03-28 **Sanathana Sarathi English Volume 04 (1990 to 1999)** Sri Sathya Sai Media Centre, 2022-11-10 Started in 1958 Sanathana Sarathi is a monthly magazine devoted to Sathya Truth Dharma Righteousness Shanti Peace and Prema Love the four cardinal principles of Bhagawan Baba's philosophy It is published from Prasanthi Nilayam the Abode of Highest Peace and acts as a mouthpiece of Baba's Ashram as it speaks of the important events that take place in His sacred Abode besides carrying Divine Messages conveyed through Divine Discourses of Bhagawan Sri Sathya Sai Baba The word meaning of Sanathana Sarathi is the Eternal Charioteer It signifies the presence of the Lord in every being as the atma guiding their lives like a charioteer It implies that he who places his life the body being likened to a chariot in an attitude of surrender in the hands of the Lord will be taken care of by the Lord even as a charioteer would take the occupant of his chariot safely to its destination The magazine is an instrument to disseminate spiritual knowledge for the moral physical and mental uplift of humanity without any discrimination as the subject matter discussed therein is always of common interest and of universal appeal The fifteen Vahinis streams of sacredness known as the Vahini Series comprising annotation and interpretation of the Upanishads and other scriptures Itihasas like the Ramayana the Bhagavatha and the Mahabharata and authentic explanations on Dhyana Dharma Prema etc have been serially published in this magazine as and when they emanated from the Divine pen of Bhagawan Baba This magazine is published in almost all Indian languages English and Telugu from Prasanthi Nilayam and others from respective

Lineages of Brahman Power Rosalind O'Hanlon,2025-07-01 Traces the role that western India s influential Brahman communities played in shaping India s modern caste system Western India s Brahman communities have played a key role in the shaping of India s modern caste system In Lineages of Brahman Power Rosalind O Hanlon focuses on their rise to power between the seventeenth and nineteenth centuries exploring the ways in which some Brahman intellectuals sought to defend the hierarchies of caste against the social changes of the early modern era while others looked for compromise Drawing on Marathi vernacular sources O Hanlon also examines the household family and lineage as key sites for Brahman accumulation of skills and cultural capital This approach also reveals Brahman identity itself as contested as Brahman subcastes competed with each other not only for service positions and state patronage but also to define who could actually be considered a Brahman and of what kind This focus on Brahman social history is novel in that most historians focus on Brahman power as emerging out of their religious prestige and dominance of intellectual and literary cultures The emphasis on Brahman identity itself as complex and internally contested also helps to avoid essentializing Brahman power as always and

everywhere the same **Talks, Volume 3** Swami Paramatmananda Puri, Amma, Sri Mata Amritanandamayi Devi, 2014-11-09
Since 1968 Swami Paramatmananda Puri has lived the life of a renunciate in India moving there at the age of nineteen. It has been his good fortune to have kept the company of many saints and sages over the years culminating in his meeting with his guru Mata Amritanandamayi Amma in 1979. As one of her senior disciples he was eventually asked to return to the U S to serve as head of the first ashram in the west and did so from 1990 to 2001. Many of the residents and visitors to the center have shared that one of the high points in programs were Swami's talks with wit and humor. He has synthesized east and west and created a forum for spiritual learning. Contents: Questions and answers, the greatness of the sages, patience and discipline, persistence and devotion, mother on Advaita, the self is bliss, the world is unreal, selfishness. Published by the disciples of Mata Amritanandamayi Devi. Affectionately known as Mother or Amma, the hugging saint.
