Black Women and Breast Cancer Elizabeth A. Williams,2018-11-16 Christian theology at its core is a story about someone being in trouble In response to this trouble the triune God intervenes God identifies with those in trouble walking with them through the experience Yet the God of Christian theology goes a step further God prevails over trouble God is an overcomer Black women with breast cancer identify with this God They also see themselves in this theological narrative They see themselves in the midst of troubles troubles like racism poverty and environmental exposures that create the disease affecting their bodies They see the troubles of breast cancer their biological disposition towards more aggressive cancers later stage diagnoses poorer prognoses diminished quality of care and worse outcomes Black women also palpably feel the troubles breast cancer brings like fear physical disfigurement social isolation being stereotyped for treatment decisions abandonment and even death Black women feel the myriad troubles breast cancer brings But Black women also know God in their troubles They know an active God who identifies with and prioritizes their needs They know this God through scripture and experience as God who puts them front and center And because they know God as an overcomer and creative force they know themselves as overcomers For with God their troubles do not last always Black women with breast cancer construct a cultural theology of breast cancer out of knowing God Borne out of experiences of the Black Church womanist theology and their intersectional identities of race class and gender this theological investigation informed by anthropology examines how Black women construct an ontology of who God is and how God operates and gain a God consciousness that shapes their response to the disease Using pain faith and testimony as tools to struggle against breast cancer Black survivors theology transforms them from victims of breast cancer to change agents Out of their lives as survivors comes a theology of complex hope one cognizant of Black women s breast cancer disparities yet oriented towards Black women s achievement of health in the present and the future a sufficient hope to sustain Black women through it all **Jesus Listens** Sarah Young,2021-10-05

What Christians Believe Anna Wierzbicka,2019-02-28 Many people today both Christians and non Christians are confused about or unaware of the essentials of Christian faith In this book Anna Wierzbicka takes a radically new approach to the task of communicating what Christians believe to the widest possible audience The Story of God and People the heart of the book sets out the core tenets of Christian faith in narrative form using simple language that is accessible to anyone even those with no familiarity with Christianity or Christian vocabulary The Story is not only simple but also universal though

written in English it is not phrased in full English English as we know it today shaped by history culture and tradition but in Minimal English Minimal English contains only those 400 or so English words that can be translated into any other language essentially it corresponds to the shared core of all languages In the introduction to the book Wierzbicka explains Minimal English and minimal languages in general and in *The Story of God and People* that follows she demonstrates the effectiveness of Minimal English as a tool for global understanding At the same time the use of Minimal English allows her not only to retell the Christian story in a strikingly new way but also to rethink its meaning bringing into relief its internal cohesion logic and beauty *Promised Land: Whose Land? Whose Promise?* Plammoottil Cherian, 2019-06-13 Biblical interpretation of the Abrahamic Covenants and his descendants often present a bias against the Arabs and Ishmaelites perhaps due to lack of full knowledge of God's covenantal promises and blessings to humanity Dr Cherian presents clear evidences that God has no partiality and that Jews Christians Arabs Muslims Hindus and all people are equally called to be the partakers of the Kingdom of God Ishmael was not rejected but he and his generations were abundantly blessed and they have a continuous role to play in the end stages of the world As a skilled detective the author examines the Scriptures and calls all people to unlock the Bible and fight for the Eternal Promised Land The book presents A complete history of God and humanity *The Living Church*, 1953 Westminster Dictionary of Theological Terms Donald K. McKim, 1996-01-01 Defines 6 000 terms on such topics as the Bible worship theology ministry ethics church history and spirituality

Answering Jewish Objections to Jesus : Volume 4 Michael L. Brown, 2006-12-01 A Jewish person has different objections to Jesus than an atheist yet most apologetics books are geared toward conversing with non religious people about the gospel Michael L Brown a Jewish believer in Jesus has been writing popular books on talking with Jews about the Messiah for years Now he takes those discussions even further with this newest volume of *Answering Jewish Objections to Jesus* It focuses on the New Testament and traditional Jewish objections to Jesus giving believers the important background information they need when discussing matters of faith with people who share many of their beliefs This book is the perfect starting point for gentile and Jewish Christians who wish to speak intelligently with their Jewish friends or family *Jesus of History, Christ of Faith* Thomas Zanzig, 1999 A textbook study of the life and teachings of Jesus Christ The Compelling Faces of Jesus Christ William Powell Tuck, 2008 In seeking to explore who Jesus is the author has explored the meaning of the Incarnation Christ as Teacher and healer and the rejected crucified and risen one Finally he probes the meaning of the Christ as a present reality and how he can still be known Tuck writes in a nontechnical way to draw reader into the realization of the importance of personal commitment to Christ if one is to more fully grasp the meaning of Christ's person and presence The ink drawings by Israel Galindo invite the reader to probe in a visual manner the rich interpretation of the compelling faces of Jesus **BOOK JACKET** *Orthodoxy, Liberalism, and Adaptation* Bob Becking, 2011-08-25 Liberalism and Orthodoxy can only be successful as strategies for coping with change in society when they will be able to outline a recognisable and

authentic framework for religiously informed practices and ethics He Chose You Max Lucado,2002-01-06 He Chose You is a personal message to tweens of God's unconditional love for them His perfect understanding of the needs of tweens today is shown in each detail revealed to us when Christ's chose to die on the cross for all Illustrating his points with stories today's tweens will be able to apply to their lives Lucado reveals to tweens the gifts of the cross **Three Testaments** Brian A. Brown,2014-01-02 From disagreement over an Islamic Center in New York to clashes between Christians and Muslims in Egypt tension between the three Abrahamic faiths often runs high Yet for all their differences these three traditions Judaism Islam and Christianity share much in common Three Testaments brings together for the first time the text of the Torah the New Testament and the Quran so that readers can explore for themselves the connections as well as the points of departure between the three faiths Notable religion scholars provide accessible introductions to each tradition and commentary from editor Brian Arthur Brown explores how the three faiths may draw similarities from the ancient Zoroastrian tradition This powerful book provides a much needed interfaith perspective on key sacred texts **Stones the Builders Rejected** Mark S. Kinzer,2024-06-04 Since the groundbreaking publication of Postmissionary Messianic Judaism 2005 Mark Kinzer has challenged theologians and religious leaders to consider the essential ecumenical vocation of Jewish disciples of Jesus Proposing a bilateral ecclesiology in solidarity with Israel he argued that the overcoming of Christian supersessionism required a robust affirmation of the distinctive calling of Jews within the community of Jesus the Messiah In this way Kinzer's work put the issue of Jewish followers of Jesus on the theological agenda for those seeking a reparative reconfiguration of the relationship between the church and the Jewish people In recent years Kinzer has attended to the theological implications of this perspective and has widened his focus to include not only the Messianic Jewish movement but also Jews within Catholic Orthodox and Protestant churches The present collection of essays reflects this wider concern According to Kinzer the theological stones of contention are Christology conceived of as Messianology ecclesiology understood as Israelology and eschatology imagined as Zionology Moreover it is the presence of Jewish disciples of Jesus that concretizes these theological abstractions in the form of Jewish flesh and blood summoning Jews and Christians to rethink their relationship to one another in ways that express their essential mutual dependence An Episcopal Dictionary of the Church Robert Boak Slocum,Don S. Armentrout,2000-01-01 A comprehensive quick reference for all Episcopalians both lay and ordained This thoroughly researched highly readable resource contains more than 3 000 clearly entries about the history structure liturgy and theology of the Episcopal Church and the larger Christian church worldwide The editors have also provided a helpful bibliography of key reference works and additional background materials This tool belongs on the shelf of just about anyone who cares for works in or with or even wonders about the Episcopal Church The Episcopal New Yorker **Reading the Bible Missionally** Michael Goheen,2016-11-27 Academy of Parish Clergy's Top Ten Books for Parish Ministry Insights from a noteworthy convergence of top scholars in biblical studies and missiology Over the past half century it has become clear

that mission is a central theme in the Bible's narrative and moreover is central to the very identity of the church. This book significantly widens and deepens the emerging conversation on missional hermeneutics. Essays from top biblical and missiological scholars discuss reading the Scriptures missionally using mission as a key interpretive lens. Five introductory chapters probe various elements of a missional hermeneutic followed by sections on the Old and New Testaments that include chapters on two books from each to illustrate what a missional reading of them looks like. Essays in two concluding sections draw out the implications of a missional reading of Scripture for preaching and for theological education.
