

*The Life of the Prophet Muhammad [S.A.W.]**

Lo! My worship and my prayers and my life and my death are for Allah, Lord of the worlds. He hath no partner. This I am commanded, and I am the first of the Muslims(those who surrender (unto Him)).

(al-Qur'an, 6:163-164)

The Muslims form a nation over thirteen centuries old, and comprise at present more than six hundred million human beings in all parts of the world. The Prophet Muhammad [S.A.W.] was the first citizen of this nations, its teacher and its guide. He lived and died in the full memory of history. The evolution of his personality, religion, and nation assumed the force of a human drama of the greatest magnitude, witnessed not only by his contemporaries but also by the rest of the world in subsequent times.

The hero of this drama did not die until his Message was delivered and a Muslim nation established in the Arabian peninsula. Says Bernard Lewis, 'In an essay on Muhammad [S.A.W.] and the origin of Islam Ernest Renan remarks that, unlike other religions which were cradled in mystery, Islam was born in the full light of history. "Its roots are at surface level, the life of its founder is as well known to us as those of the Reformers of the sixteenth century".¹

The Life Of Muhammad:

The Life of Muhammad Muḥammad Ḥusayn Haykal, 1976 **The Messenger** Tariq Ramadan, 2008 The life of the Prophet Muhammad to whom the Angel Gabriel revealed the verses of the Quran has provided inspiration to Muslims for hundreds of years In **The Messenger** leading Muslim scholar Tariq Ramadan considers the ways in which the Prophet's actions words and teachings can guide us in the modern world Interspersed with spiritual and philosophical meditations this profound and stimulating biography shows how Muhammad's message can be used to address some of today's most controversial issues from the treatment of the poor and the role of women to the interpretation of jihad and relations with other religions It offers Muslims a new understanding of Muhammad's life and introduces non Muslims to the story of the Prophet and to the riches of Islam **The Life of Muhammad** 'Abd al-Malik Ibn Hishām, Muhammad Ibn Ishak (d), 1955 *Sirat Rasul Allah* Life of the Messenger of God or *al Sirat al Nabawiyah* Prophetic biography is the Arabic term used for the various traditional Muslim biographies of Muhammad from which most historical information about his life and the early period of Islam is derived Ibn Ishaq's *Sirat Rasul Allah* is the earliest surviving traditional biography and was written just over 100 years after Muhammad's death It survives in the later editions of Ibn Hisham and al Tabari The translator used Ibn Hisham's abridgement and also included many additions and variants found in the writings of early authors The book thus presents in English practically all that is known of the life of the Prophet In the introduction the translator discusses the character of the *Sira* in the light of the opinion of early Arabian scholars noting especially the difficulties of the poetry As the earliest monument of Arabian prose literature the *Sira* remains a work of the first importance **In the Footsteps of the Prophet** Tariq Ramadan, 2007-02-05 Here is a fresh and perceptive look at Muhammad capturing a life that was often eventful gripping and highly charged Ramadan provides both an intimate portrait of a man who was shy kind but determined as well as a dramatic chronicle of a leader who launched a great religion and inspired a vast empire More important Ramadan presents the main events of the Prophet's life in a way that highlights his spiritual and ethical teachings The book underscores the significance of the Prophet's example for some of today's most controversial issues such as the treatment of the poor the role of women Islamic criminal punishments war racism and relations with other religions Selecting those facts and stories from which we can draw a profound and vivid spiritual picture the author asks how can the Prophet's life remain or become again an example a model and an inspiration And how can Muslims move from formalism a fixation on ritual toward a committed spiritual and social presence The Life Of Mahomet Washington Irving, 1882 The poverty of our literature in reference to Mahomet and Mahometanism is so conspicuous and so inconvenient that we may well receive with gratitude the author's very able endeavour to relieve it With freedom from prejudice and independence of judgment he combines an extensive and intimate knowledge of the most authentic sources of information and after several years of labour has produced this volume in the hope of contributing to the complete elucidation and final settlement of Mahomet's real

character and claims After a careful examination of them and after comparing them with those of sundry of his predecessors and contemporaries it appears to us that the author has abundant reason to be gratified with the success he has achieved Most conscientiously prepared and based on authorities whom the Moslems themselves appeal to as decisive his work may be used with equal confidence both by the historian and the controversialist We heartily commend it to every one who on so important a subject desires to have what on the whole is probably the best and most complete book in any language and shall avail ourselves of it and of other sources of information in this paper to present a few of the leading events of the Prophet s life with a view to a brief illustration of his character and of the means and meaning of his success Fiqh Us Seerah
