The Lincoln Reader History United States Series

Peter J. Parish

The Lincoln Reader History United States Series:

A Literary History of the American West Western Literature Association (U.S.),1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long knowns to be of historical importance are also experiences that need and deserve a literature of importance Reader's Guide to American History Peter J. Parish,2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history Reader's Adviser and Bookman's Manual ,1921 Teaching American History in the Middle Grades of the Elementary School Mary Gertrude Kelty,1928 **Yankees in the Hill City** Clifton W. Potter, Jr.,2024-08-30 With three railroads and a canal passing through the city Lynchburg Virginia was a major hospital center during the Civil War far from the remote battlefields A transit camp where Union soldiers remained before being paroled or transferred to another prison opened in June 1862 at the Fair Ground just outside the city limits Upon arrival the sick and wounded were assigned to one of the 32 hospitals regardless of the uniform they wore Union POWs who died were buried in the City Cemetery by the local funeral service which also carefully recorded their personal data Local ministers daily performed burial services for all soldiers regardless of their race or the color of their uniforms and all their expenses were paid by the Confederate government This book presents the complete history of this Union POW camp in Lynchburg the context of its founding its operations and its fate after the war Two appendices present burial records for the POWs and Lynchburg Campaign casualties *Catalogue of the New York Free Circulating Library* New York (N.Y.). Free Circulating Library. George Bruce Branch,1890 **Subject Index of the Modern Books Acquired by the British Museum in the Years ...** ,1927 **Thurgood Marshall** Teri Kanefield,2020-04-21 This biography for young readers examines the life of a brilliant lawyer who successfully argued the case that ended legal racial segregation in America Thurgood Marshall the great grandson of a slave was born at a time when African Americans were denied equal rights in America Segregation was legal Lynching was common In some places African Americans were entirely excluded from public life they were forbidden to enter public parks and museums or use public swimming pools and restrooms After being denied admission to the University of Maryland Law School because of his

Thurgood Marshall enrolled at Howard University. He graduated first in his class and set out as a young lawyer determined to achieve equality for all Americans. Here is the story of how he did it, how he devised his legal strategy for expanding the people to include all people. Thurgood Marshall explores the life of the brilliant lawyer who successfully argued the case that ended legal racial segregation in America, following his childhood in Baltimore to his trailblazing career as a civil rights lawyer and finally his years as a United States Supreme Court justice. This book includes a timeline, excerpts of Marshall's writings, source notes, a bibliography, and an index. Provides a well-rounded look not only at the life of Marshall but at the events in the world that shaped him into the man he was and how he in turn helped shape the world for future generations.
