

The book cover features a classical-style illustration of a woman's face and upper torso. She has dark, curly hair adorned with a laurel wreath. Her eyes are light and looking slightly to the left. She wears a red garment. The background is a landscape with a body of water, a distant shore, and a potted plant on the right. The title and author's name are printed in a serif font over the lower part of the illustration. The entire cover is framed by a decorative border with a repeating geometric pattern.

The Left Handed Spirit:

The Left-handed Spirit Ruth Nichols, 1978 **The 7 Evil Spirits** Noe Leon, 2008-02-01 A Biblical insight into the 7 types of evil spirits that mankind are to fight against These evil spirits are a distorted manifestation of the 7 faceted nature of God and man **The Left Hand of God** Adolf Holl, 2012-05-16 Adolf Holl's divine biography examines the life of the Holy Spirit in the context of the history of Christianity Judaism and Islam Interweaving scholarship with religion myth and culture Holl expertly traces the influence of the Holy Spirit on men and women from all walks of life over the course of centuries The result is quite unlike anything written before The Holy Spirit inspired a few Galilean fishermen to find the courage to preach a new world religion The Jews recognized it as the breath of God Mohammed was inspired by it in the dictation of the Koran Yet this same spirit has moved individuals to rebel against convention authority and even sanity Through Holl's freewheeling yet always crystal clear discourse we see how the Holy Spirit informs an incredible array of beliefs including those underlying the rituals of Appalachian snake handlers and ideas the works of Freud and James Joyce are among the many discussed When the book was published in Germany Der Spiegel wrote Holl has presented a formidable history linking together the most distant things in a surprising way and leaving the whole as a paradox He leaves it to the reader to judge the encounter with the Holy Spirit as a manifestation of the divine in the human being or as a case for the psychiatrist Whatever the reader's conclusion may be The Left Hand of God is sure to be hailed as a major religious publishing event
