The Liberated Gospel Gilbert Bilezikian, 2010-05-01 It is generally agreed that Mark s Gospel was the first to have been written and that the Markan narrative created a literary form that inspired Matthew Luke and to a lesser extent John to follow suit with the writing of their own gospels But where did Mark go to find a framework that would shape his story This question has been debated for more than two centuries Several theories have been propounded but none without sufficient evidence to gain broad acceptance It is the thesis of this book that Mark drew on the Greek tragedy the most suitable literary genre of his time to organize the oral and written traditions that he had collected The Greek tragic genre had been created with the works of the great masters of the Fifth Century BC and later had been codified by Aristotle The extraordinary points of congruence between the form of the Gospel and the canons of Greek drama are carefully explored in the Liberated Gospel The compelling conclusion is that there is a relation of dependency whereas Mark used the form of Greek tragedy as a template without compromising the integrity of the story As the title of the book suggests the use of ancient tragedy by Mark served also another purpose The Gospel was being written at a time during the early history of the church when its Judaistic faction attempted to impose the requirements of the Mosaic law on Gentile believers as attested by Galatians and the Council of Jerusalem By telling the very Jewish but universally relevant story of Jesus in the mode of the supreme Gentile literary genre of antiquity Mark was proclaiming the manifesto that the gospel of Christ was not the exclusive property of a narrow ethnic group but that it belonged to all humanity

The Liberation of the Camps Dan Stone, 2015-01-01 A moving, deeply researched account of survivors' experiences of liberation from Nazi death camps and the long, difficult years that followed. Seventy years have passed since the tortured inmates of Hitler's concentration and extermination camps were liberated. When the horror of the atrocities came fully to light, it was easy for others to imagine the joyful relief of freed prisoners. Yet for those who had survived the unimaginable, the experience of liberation was a slow, grueling journey back to life. In this unprecedented inquiry into the days, months, and years following the arrival of Allied forces at the Nazi camps, a foremost historian of the Holocaust draws on archival sources and especially on eyewitness testimonies to reveal the complex challenges liberated victims faced and the daunting tasks their liberators undertook to help them reclaim their shattered lives. Historian Dan Stone focuses on the survivors' feelings of guilt, exhaustion, fear, shame for having survived, and devastating grief for lost family members; their immense medical problems and their later demands to be released from Displaced Persons camps and resettled in countries.

of their own choosing Stone also tracks the efforts of British American Canadian and Russian liberators as they contended with survivors immediate needs then grappled with longer term issues that shaped the postwar world and ushered in the first chill of the Cold War years ahead **Report on Portuguese Guinea and the Liberation Movement** United States.
