GEORGE ELIOT

THE LIFTED VEIL AND
BROTHER JACOB

The Lifted Veil And Brother Jacob Penguin Classics

Mark Knight, Emma Mason

The Lifted Veil And Brother Jacob Penguin Classics:

The Lifted Veil George Eliot, 2001 Latimer the narrator of *The Lifted Veil* possesses an uncanny ability to see into the minds of others and to divine the future including the moment of his own death The gift of being able to read the private thoughts and emotions of his fellow men soon becomes a curse to Latimer for he is horrified by what he discovers Afflicted by his burden of knowledge he is driven to marry the cold hearted coquette Bertha the only person whose mind seems closed to him until it is too late This volume also includes George Eliot's only other short fictional work the satirical fable *Brother Jacob* in which the mercenary schemes of a devious confectioner are unconsciously thwarted by the childlike innocence of his idiot brother *British Women's Writing from Brontë to Bloomsbury, Volume 2* Adrienne E. Gavin, Carolyn W. de la L.

Oulton, 2020-08-26 This five volume series *British Women's Writing From Brontë to Bloomsbury 1840-1940* historically contextualizes and traces developments in women's fiction from 1840 to 1940 Critically assessing both canonical and lesser known British women's writing decade by decade it redefines the landscape of women's authorship across a century of dynamic social and cultural change With each of its volumes devoted to two decades the series is wide in scope but historically sharply defined Volume 2 1860s and 1870s continues the series by historically and culturally contextualizing Victorian women's writing distinctly within the 1860s and 1870s Covering a range of fictional approaches including short stories religiously inflected novels and comic writing the volume's 16 original essays consider such developments as the sensation craze the impact of new technologies and the career opportunities opening for women Centrally it reassesses key nineteenth century female authors in the context in which they first published while also recovering neglected women writers who helped to shape the literary landscape of the 1860s and 1870s **George Eliot** Jan Jedrzejewski, 2008-03-25 This

comprehensive guide to one of the most successful yet controversial writers of the Victorian period introduces the contexts and many interpretations of her work from publication to the present **Feminist History of Philosophy: The Recovery and Evaluation of Women's Philosophical Thought** Eileen O'Neill, Marcy P. Lascano, 2019-06-26 Over the course of the past twenty five years feminist theory has had a forceful impact upon the history of Western philosophy The present collection of essays has as its primary aim to evaluate past women's published philosophical work and to introduce readers to newly recovered female figures the collection will also make contributions to the history of the philosophy of gender and to the history of feminist social and political philosophy insofar as the collection will discuss women's views on these issues The volume contains contributions by an international group of leading historians of philosophy and political thought whose scholarship represents some of the very best work being done in North and Central America Canada Europe and Australia *Nineteenth-Century Religion and Literature* Mark Knight, Emma Mason, 2006-11-16 This work introduces key debates movements and ideas relating to the Christian religion and connects these to literary developments from 1750-1914 The authors provide close readings of popular texts and use these to explore complex religious ideas The Real

George Eliott Lisa Tippings,2021-06-09 The Real George Eliot revisits the life of the groundbreaking nineteenth century novelist Eliot was a writer who explored such important questions as the role of women in society and the education they were allowed to access religion and the restrictions it could sometimes place on individuals and the struggle between a person s public and private persona Her own private life was the cause of much speculation and notoriety Eliot chose to ignore most of the conventions of Victorian society in order to pursue her own happiness and her relationship with George Henry Lewes scandalized many members of polite society Regardless of this however she overcame such prejudice and in later life enjoyed the company of some of the greatest thinkers and academics of the time and this is a testament to her formidable intelligence The fact that she is still so widely read today is a sign of the longevity of her skills as a writer

George Eliot Jean Arnold,Lila Marz Harper,2019-03-09 This collection brings together new articles by leading scholars who reappraise George Eliot in her bicentenary year as an interdisciplinary thinker and writer for our times Here researchers students teachers and the general public gain access to new perspectives on Eliot s vast interests and knowledge informed by the nineteenth century British culture in which she lived Examining Eliot s wide ranging engagement with Victorian historical research periodicals poetry mythology natural history realism the body gender relations and animal studies these essays construct an exciting new interdisciplinary agenda for future Eliot studies *Nineteenth-century Literature* ,2001 Contains articles which focus on a broad spectrum of significant figures in fiction philosophy and criticism such as Austen Carlyle Dickens Thackeray the Brontes Tennyson Browning Arnold Emerson Hawthorne Thoreau Whitman Twain and Henry James **Eliot's Angels** Bernadette Waterman Ward,2022-06-15 Ren Girard s mimetic theory opens up ways to make sense of the tension between the progressive politics of George Eliot and the conservative moralism of her narratives In this innovative study Bernadette Waterman Ward offers an original rereading of George Eliot s work through the lens of Ren Girard s theories of mimetic desire violence and the sacred It is a fruitful mapping of a twentieth century theorist onto a nineteenth century novelist revealing Eliot s understanding of imitative desire rivalry idol making and sacrificial victimization as critical elements of the social mechanism While the unresolved tensions between Eliot s realism and her desire to believe in gradual social amelioration have often been studied Ward is especially adept at articulating the details of such conflict in Eliot s early novels In particular Ward emphasizes the clash between the ruthless mechanisms of mimetic desire and the idea of progress or as Eliot stated growing good Eliot s Christian sympathy for sacrificial victims against her general rejection of Christianity and her resort to Nemesis to evade the systemic injustice of the social sphere The angels in the title are characters who appear to offer a humanist way forward in the absence of religious belief They are represented in Girardian terms as figures who try to rise above the snares of the mimetic machine to imitate Christ s self sacrifice but are finally rendered ineffectual Very few studies have tackled Eliot s short fiction and narrative poetry Eliot s Angels gives the short fiction its due and it will appeal to scholars of mimetic and literary theory Victorianists and students of

the novel Everyone and Everything in George Eliot George Newlin, 2006 Includes a thematic concordance of various aspects of life written about by George Eliot Using Eliot's own words this work presents all the characters in the novels and other fiction as well as useful plot and content summaries and bibliographic data It presents seven Eliot novels three novellas and two short stories
