The Limerick Anthology:

The Limerick Anthology Jim Kemmy,1996-01-01 *The Limerick* Sergei Mikhail Tolstoi,2005-01-01 What is a Limerick
The limerick is an erotic stanza stronger than spirits hotter than vice and a little less sensuous than the act of love In this classic collection one encounters the peoples of all nations in ribald and bawdy situations more enlightening than an X rated film This book has one of the largest collections of limericks in the world Most are in English and some in French German and Latin An extensive bibliography and notes and variants are included to make this collection one of the rarest and zaniest of its kind A team playing baseball in Dallas called the umpire a shit out of malice While this worthy had fits the team made eight hits And so did a girl in the bleachers named Alice Classic limericks however shocking in theme and language have developed an aura of respectability You ll find one or more that will titillate your spine and if you don t then certainly you ll be inspired to make up one of your own CONTENTS Sources I Little Romances II Organs III Strange Intercourse IV Oral Irregularity V Buggery VI Abuses of the Clergy VII Zoophily VIII Excrement IX Gourmands X Virginity XI Motherhood XII Prostitution XIII Diseases XIV Losses XV Sex Substitutes XVI Assorted Eccentricities XVII Weak Sisters XVIII Chamber of Horrors XIX Addenda Bibliography Notes and Variants Index of Rhymes and Index of Names **There Once Was a Limerick Anthology** Michael Croland,2022-08-17 Humor buffs and poetry lovers will laugh out loud with this captivating collection of more than 350 limericks featuring limerick legends plus renowned political figures poets and writers *The Raccoon River Anthology* Gordon K. Blenderman,2015-07-02 A lifelong writer Gordon K Blenderman possesses an imagination that goes wild with words In this collection of limericks he artfully showcases that passion for wordplay and wit through carefully crafted ditties that unlike many poems of this style can be read and enjoyed by the entire family Penned over the course of many years often on the backs of napkins or on scraps of paper the poems in this collection cover a wide variety of topics ranging from the silly to the profound While many of the limericks are meant to bring a smile to readers lips Blenderman does not hesitate to tackle weightier topics and ask thought provoking questions about the nature of life Additionally *The Raccoon River Anthology* includes an appendix of uncommon or unknown phrases and words for readers to reference adding a further level of understanding and enjoyment With joy humor and great skill Blenderman exposes readers to the delights of this often overlooked form of poetry You ll enjoy letting your imagination get carried away by these whimsical witty short verses Popular Catholicism in 20th-Century Ireland Síle de Cléir,2017-10-05 For much of the 20th century Catholics in Ireland spent significant amounts of time engaged in religious activities This book documents their experience in Limerick city between the 1920s and 1960s exploring the connections between that experience and the wider culture of an expanding and modernising urban environment Síle de Cléir discusses topics including ritual activities in many contexts the church the home the school the neighbourhood and the workplace The supernatural belief underpinning these activities is also important along with creative forms of resistance to the high levels of social control exercised by the clergy

in this environment De Clir uses a combination of in depth interviews and historical ethnographic sources to reconstruct the day to day religious experience of Limerick city people during the period studied This material is enriched by ideas drawn from anthropological studies of religion while perspectives from both history and ethnology also help to contextualise the discussion With its unique focus on everyday experience and combination of a traditional worldview with the modernising city of Limerick all set against the backdrop of a newly independent Ireland Popular Catholicism in 20th century Ireland presents a fascinating new perspective on 20th century Irish social and religious history Irish Literature Mary Ketsin,2004 Irish literature s roots have been traced to the 7th 9th century This is a rich and hardy literature starting with descriptions of the brave deeds of kings saints and other heroes These were followed by generous veins of religious historical genealogical scientific and other works The development of prose poetry and drama raced along with the times Modern well known Irish writers include William Yeats James Joyce Sean Casey George Bernard Shaw Oscar Wilde John Synge and Samuel Beckett

Melancholic Modalities Denise Gill,2017-05-01 Denise Gill analyzes how the melancholies intentionally cultivated by Turkish classical musicians typically dismissed as the remnants of Ottoman nostalgia emerge as reparative pleasurable and spiritually redeeming Melancholic Modalities intervenes in debates about music and affect and offers new innovative methodologies of rhizomatic analysis and bi aurality for researchers

What Worth the Head ,1998 **The Erotic Muse** Ed Cray,1999 If you ve ever wanted to know the correct words to Roll Me Over or wondered where the melody of Sweet Betsy from Pike came from this book can answer your questions Extensively revised and including forty more songs than its predecessor this new edition of The Erotic Muse is a unique scholarly collection of bawdy or forbidden American folksongs Ed Cray presents the full texts of some 125 songs with melodies for most of them and detailed annotations for all His lively commentary places the songs in historical social and where appropriate psychological context
