Sins Of A Shaker Summer:

Sins of a Shaker Summer Deborah Woodworth, 2014-12-23 Rose Callahan newly appointed eldress of the community of Believers at the Kentucky Shaker village of North Homage confesses to a nagging resentment toward Andrew sent by the lead ministry in Mount Lebanon to act as trustee She knows little about the man except that he's taken charge of the Medicinal Herb Garden over which Rose previously had control and he's been expanding the tiny industry and experimenting with new medicinal herbs Now two little girls have suddenly become deathly ill and Rose's attention turns to the herb garden Suspecting that the girls may have taken a notion to nibble on pretty but poisonous plants she fears their hallowed land may have accidentally been turned into a killing ground But as Rose investigates mysterious death invades the gentle oasis of their spiritual world and some chilling secrets come to light secrets that bring Rose closer to a truth that even a nonviolent Believer might kill to keep

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

Historical Dictionary of the Shakers Stephen J. Paterwic, 2017-06-15 Shakerism teaches God's immanence through the common life shared in Christ's mystical body Like many religious seekers throughout the ages they honor the revelation of God but cannot be bound up in an unchanging set of dogmas or creeds Freeing themselves from domination by the state religion Mother Ann Lee and her first followers in mid 18th century England labored to encounter the godhead directly They were blessed by spiritual gifts that showed them a way to live the heavenly life on Earth The result of their efforts was the fashioning of a celibate communal life called the Christlife wherein a person after confessing all sin through the indwelling of the Holy Spirit can travel the path of regeneration into ever increasing

holiness Pacifism equality of the sexes and withdrawal from the world are some of the ways the faith was put into practice This second edition of Historical Dictionary of the Shakers contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on Shaker communities industries individual families and important people This book is an excellent resource for students researchers and anyone wanting to know more about the Shakers

Sleuths in Skirts Frances A. DellaCava, Madeline H. Engel, 2002 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew* and includes extensive discussions of the play's various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality

A Summer in Leslie Goldthwaite's Life Adeline Dutton Train Whitney, 1887 A summer in Leslie Goldthwaite's life, by the author of 'Faith Gartney's girlhood'. By A.D.T. Whitney Adeline Dutton Train Whitney, 1891
