Sir Ernest Macmillan:

MacMillan on Music Ernest MacMillan, 1997-09-01 In addition to his activities as conductor administrator educator composer and organist Sir Ernest MacMillan 1893 1973 found time to write more than one hundred essays and lectures on music Always ready to use his enormous prestige to further the causes of music MacMillan took every opportunity to admonish Canadians to develop our own composers to honour our own performers to educate our children musically and to offer opportunities for all to hear learn about and enjoy great music This selection of twenty essays and lectures covers the period from 1928 to 1964 and ranges over the gamut of MacMillan's life and interests the cause of the Canadian composer music education for adults as well as children critical reviews his early years as an organist internment in a German prison camp during the First World War Shakespeare and music church music and the lighter side in two humorous send ups of academic lectures on Bach and Wagner Here is a panorama of music over thirty five years at mid century through the eyes of one of Canada's most brilliant and all embracing musicians **Portrait**, 1994 **Sir Ernest MacMillan** Ezra

Victor Feldbrill Walter Pitman, 2010-11-08 This is an account of the life and cultural contribution of one of Canada's most talented conductors He was known for his limitless enthusiasm and support of Canadian music and young musicians as well as for his insistence on playing music by Canadian composers *Speechsong* Richard Cavell, 2020 Speechsong is a work of imaginative musicology that addresses the enigmas of Schoenberg and Gould of singing and speaking of Moses und Aron of technology and being Its point of departure is Gould's last public performance given at the Wilshire Ebell Theatre in Los Angeles where a number of Schoenberg's works were performed during his California exile It is here after that last performance that Gould encounters a spectral Schoenberg in a staged conversation that explores Schoenberg's travails in rethinking the fundamentals of Western music This first part of Speechsong recalls Schoenberg's operatic masterpiece Moses und Aron in which the divinely inspired Moses seeks the help of his brother to relate his vision Moses speaks and Aron sings Written as a twelve tone composition the opera produces an involution of harmonics that was Schoenberg's response to Richard Wagner's diatribes about synagogue noise For Gould Schoenberg's is a formalist revolution Schoenberg's life however suggests that it was a search for personal and political freedom The second half of Speechsong is a critical essay in

twelve moments that re-articulates the staged conversation as an inquiry into the intersections of music and mediation Gould's turn to the recording studio emerges as a post-humanist inquiry into recorded music as a repudiation of the virtuoso tradition and a liberation from unitary notions of selfhood Schoenberg's exodus from musical tradition likewise takes his twelve-tone invention beyond musical performance where it emerges along with Gould's soundscapes as a prototype of acoustic installations by artists such as Stephen Prina and Cory Arcangel In these works music abandons the concert hall and the exigencies of harmony for an acoustic space that embraces at once the recordings of Gould and the performances of Schoenberg that have found their home on the internet Richard Cavell has written extensively on Marshall McLuhan and on media theory generally He is the co-founder of the Media Studies program at the University of British Columbia and the curator of the website Spectres of McLuhan Speechsong his second critical performance piece was preceded by Marinetti Dines with the High Command 2014

Mapping Canada's Music Helmut Kallmann, 2013-05-25 Mapping Canada's Music is a selection of writings by the late Canadian music librarian and historian Helmut Kallmann 1922-2012 Most of the essays deal with aspects of Canadian music but some are also autobiographical including one written during retirement in which Kallmann recalls growing up in a middle-class Jewish family in 1930s Berlin under the spectre of Nazism Of the seventeen selected writings by Kallmann five have never before been published many of the others are from difficult-to-locate sources They include critical and research essays reports reflections and memoirs Each chapter is prefaced with an introduction by the editors Two initial chapters offer a biography of Kallmann and an assessment of his contributions to Canadian music The variety, breadth and scope of these writings confirm Kallmann's pioneering role in Canadian music research and the importance of his legacy to the cultural life of his adopted country In the current climate of cuts to archival collections and services the publication of these essays by and about a pre-eminent collector and historian serves as a timely reminder of the importance of cultural memory

Music Papers John Beckwith, 1997 What is music where does it come from and what does it mean If music is in the background and no one listens to it does it still exist Why do composers write music and how do they learn their profession What about Canadian music a regional dialect of this universal language How has it been created inside the country how well is it understood abroad Music papers are reflections from a life of composing and teaching These articles, talks and reviews whether intended originally for general or professional audiences communicate a passion for music rooted in a North American culture and place informed by long and loving familiarity with masterpieces from elsewhere Also included are alternative versions of the early life of Glenn Gould proofs of the existence of musical life in Toronto and some questions still unanswered

1991 Uncovering Calvert's oeuvre by analyzing representative arrangements Kinder also documents the complete catalogue of Calvert's works bringing to light many unpublished compositions that would otherwise be lost to performers And Harmony Abound is a compelling picture of Morley Calvert's contribution to musical composition education and the cultural fabric preserving a vital strand of the Canadian musical tapestry
