## **Sir Wilfrid Laurier The Great Conciliator:**

**Sir Wilfrid Laurier** Barbara Robertson,1991 *Wilfrid Laurier* Roderick Stewart,2002-01-01 Wilfrid Laurier's life journey took him from a small Quebec village to the Parliament of Canada. He possessed a rare combination of the common touch and political savvy which he effectively used to remain prime minister of Canada for fifteen years 1896-1911. **The Order of Canada** Christopher P. McCreery,2005-12-15 In 1966 a project to create a national honour for Canadians was begun. The first recipients of the Order of Canada were announced a year later and in the nearly forty years since the Order has become a symbol familiar to and respected by people from across the country. The spirit that motivates the Order of Canada: celebration, inclusion and democracy was born of the memories of Canada's earlier experience with honours. From initial distrust and misunderstanding to the awakening of a national identity, the development of the Order reflects the relationship Canadians have with their country, their government, their culture and their heroes. The Order itself is a product of national identity, politics and history reflected by the significance of its recipients' accomplishments. Indeed, the Order's history is as fascinating as the more than 4000 Canadians who have received it. This first book-length history of the Order of Canada and first major work on Canadian honours by Christopher McCreery is a celebration of the Order and a close examination of its unique design and various early incarnations. McCreery provides both a history of the Order's beginnings and a more general overview of trends in Canadian honours. Extensively illustrated with never before published photographs. *The Order of Canada: Its Origins, History and Developments* pays tribute to the individuals who felt the need for a system of recognition for Canadians. Electronic Format Disclaimer: Images removed at the request of the rights holder. **Order of Canada, Second Edition** Christopher McCreery, MVO,2018-01-01 The second edition of *The Order of Canada* continues the celebration of the order. Christopher McCreery sheds new light on the development of Canadian honours in the early 1930s, the imposed prohibition on honours from 1946 to 1967 and new details on those who have been removed or resigned from the Order. Wilfrid Laurier Martin Spigelman,2000 *Wilfrid Laurier* is published by Fitzhenry and Whiteside. **Let the Eastern Bastards Freeze in the Dark** Mary Janigan,2012-11-06 The oil sands. Global warming. The National Energy Program. Though these seem like modern Canadian subjects, author Mary Janigan reveals them to be a legacy of longstanding regional rivalry. Something of a Third Solitude since entering Confederation, the West has long been overshadowed by Canada's other great national debate, but as the conflict over natural resources and their effect on climate change heats up, 150 years of antipathy are coming to a head. Janigan takes readers back to a pivotal moment in 1918 when Canada's western premiers descended on Ottawa determined to control their own future, and as Margaret MacMillan did in Paris 1919, she deftly illustrates how the results reverberate to this day. **The 20th Century Go-N** Frank N. Magill,2014-03-05 Each volume of the *Dictionary of World Biography* contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history. This is not a 'who's who'. Instead, each entry provides an in-depth essay on the life and career of the

individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography Official Reports of the Debates of the House of Commons of the Dominion of Canada Canada.
