## Sir William Jones A Reader:

**Sir William Jones** William Jones, 1993 **Sir William Jones, a Reader** William Jones, 1993 Collection of representative works of Sir William Jones British Philologist and Orientalist **Sir William Jones, the Learned Oriental Scholar** Henry MORRIS (of the Madras Civil Service.), William Jones, 1901 **Britain's Imperial Muse** C. Hagerman, 2013-04-16 Britain's Imperial Muse explores the classics contribution to British imperialism and to the experience of empire in India through the long 19th century It reveals the classics role as a foundational source for positive conceptions of empire and a rhetorical arsenal used by commentators to justify conquest and domination especially of India Memoirs of the life, writings and correspondence of sir William Jones, by lord Teignmouth. With the life of lord Teignmouth, and notes, by S.C. Wilks Sir William Jones, 1835 **Memoirs of the life, writings and correspondence of William Jones** Charles John Shore Teignmouth, 1815 **Literature and Nation** Harish Trivedi, Richard Allen, 2000 This is the first book to deal with the culture of Britain and India over the past two hundred years in an integrated way Previously unavailable texts make this an invaluable resource for all those interested in British and Indian literature *Imperial Babel* Padma Rangarajan, 2014-09-15 At the heart of every colonial encounter lies an act of translation Once dismissed as a derivative process the new cultural turn in translation studies has opened the field to dynamic considerations of the contexts that shape translations and that in turn reveal translation's truer function as a locus of power In *Imperial Babel* Padma Rangarajan explores translation's complex role in shaping literary and political relationships between India and Britain Unlike other readings that cast colonial translation as primarily a tool for oppression Rangarajan's argues that translation changed both colonizer and colonized and undermined colonial hegemony as much as it abetted it *Imperial Babel* explores the diverse political and cultural consequences of a variety of texts from eighteenth century oriental tales to mystic poetry of the fin de siècle and from translation proper to its ethnological mythographic and religious variants Searching for translation's trace enables a broader more complex understanding of intellectual exchange in imperial culture as well as a more nuanced awareness of the dialectical relationship between colonial policy and nineteenth century literature Rangarajan argues that while bearing witness to the violence that underwrites translation in colonial spaces we should also remain open to the irresolution of translation its unfixed nature and its ability to transform both languages in which it works *Coleridge and Hinduism* Antonella Riem Natale, 2023-06-08 This book extensively investigates Samuel Taylor Coleridge's profound ties with the *Oriental Tales* he read throughout his life from a philosophical poetical and metaphysical point of view It is the only comprehensive and dedicated study on how Hindu works in particular Charles Wilkins's first translation of the *Bhagavadgītā* into English 1785 influenced Coleridge's poetic imagination affecting all his writings his poetry above all In analysing Coleridge's quest for what he calls the One life the author's wish is that readers may find some joyance in reading this book and feel inspired to go deeper into the an hata n da the unstruck sound of the heart fully enjoying the subtle inner resonances

of Coleridge's poetic word      **Jones Readers by Grades** Lewis Henry Jones, 1904      The Universal Explanatory English Reader William Pinnock, 1813      **Defending the West** Ibn Warraq, 2010-06-03 This is the first systematic critique of Edward Said's influential work *Orientalism* a book that for almost three decades has received wide acclaim voluminous commentary and translation into more than fifteen languages Said's main thesis was that the Western image of the East was heavily biased by colonialist attitudes racism and more than two centuries of political exploitation Although Said's critique was controversial the impact of his ideas has been a pervasive rethinking of Western perceptions of Eastern cultures plus a tendency to view all scholarship in Oriental Studies as tainted by considerations of power and prejudice In this thorough reconsideration of Said's famous work Ibn Warraq argues that Said's case against the West is seriously flawed Warraq accuses Said of not only willfully misinterpreting the work of many scholars but also of systematically misrepresenting Western civilization as a whole With example after example he shows that ever since the Greeks Western civilization has always had a strand in its very makeup that has accepted non Westerners with open arms and has ever been open to foreign ideas The author also criticizes Said for inadequate methodology incoherent arguments and a faulty historical understanding He points out not only Said's tendentious interpretations but historical howlers that would make a sophomore blush Warraq further looks at the destructive influence of Said's study on the history of Western painting especially of the 19th century and shows how once again the epigones of Said have succeeded in relegating thousands of first class paintings to the lofts and storage rooms of major museums An extended appendix reconsiders the value of 18th and 19th century Orientalist scholars and artists whose work fell into disrepute as a result of Said's work      *The Reader's Handbook of Allusions, References, Plots and Stories* Ebenezer Cobham Brewer, 1881      **The Silver-Burdett Readers** Ella Marie Powers, Thomas Minard Balliet, 1906      The Works of the British Poets Ezekiel Sanford, 1822      **Sir William Jones** Md. Abu Taher Mojumder, 1978

**The Lyric Theory Reader** Virginia Walker Jackson, Yopie Prins, 2014-02 Reading lyric poetry over the past century The Lyric Theory Reader collects major essays on the modern idea of lyric made available here for the first time in one place Representing a wide range of perspectives in Anglo American literary criticism from the twentieth and twenty first centuries the collection as a whole documents the diversity and energy of ongoing critical conversations about lyric poetry Virginia Jackson and Yopie Prins frame these conversations with a general introduction bibliographies for further reading and introductions to each of the anthology's ten sections genre theory historical models of lyric New Criticism structuralist and post structuralist reading Frankfurt School approaches phenomenologies of lyric reading avant garde anti lyricism lyric and sexual difference and comparative lyric Designed for students teachers scholars poets and readers with a general interest in poetics this book presents an intellectual history of the theory of lyric reading that has circulated both within and beyond the classroom wherever poetry is taught read discussed and debated today      *Handbook for Readers & Students ...* Alonzo Potter, 1845      **Lord Macaulay's Essays and Lays of Ancient Rome** Macaulay, 1885      Lord Macaulay's Essays ; And,

Lays of Ancient Rome Thomas Babington Macaulay Baron Macaulay, 1892
