

# The Sirens

The sirens sing to each other in the street  
from asphalt to ambush  
they echo the cry of the fallen soldier

Dragging the wounded from the streets  
they race to quell the war  
the crazy time

By dawn they will collapse  
Exhausted  
and sleep the restless sleep of mothers

Then

Under cover of darkness

The pilots will fly again

And angry drunken locomotives will collide in the night  
with swollen fists and broken glass

While the sirens

Sombre

Wait

Siluk,2014-07-16 Most folks to include poets prefer poetry on death to entail mostly courage and strength I dont disagree completely with that only partly for submissive suffering is also involved yet many folks just do not want to look at both sides of the dying Nowadays things are changing and it is more permissible yet still bold to mix them together and thus here we have just that I prefer true emotions be it aggressive or passive when going through death voyages for such are during a paramount loss of a loved one dying day by day especially ones mother as in Days In the second section of the book is the prose poem Recapitulations or The Meatpackers Boy autobiographical in content Also a few additional independent poems on Vietnam America An Old Furnace and Commentary Trials of a Poet The third section four new poems Coming of Old Age In section four a letter from Pope Francis to the author quotes and the authors books Much of the poetry in this book Days is done in a free verse style long line form other than the confessional grieving poetry on the death of the poets mother

a very deserted overwhelming human undertaking Rosa Pealoza This is the poets 47th book 16th in poetry He lives in Lima Peru and in the Andes in Huancayo with his wife Rosa he is from Minnesota and has won numerous awards for his writings Presently working on several books Back picture of the author taken in Huancayo 2011 Cornfield Laughter Dennis L. Siluk Ed.D.,2009-04 The novella Cornfield Laughter is an interesting parody and tale of the lives of a number of characters in particular two Shannon O Day a retired labour worker in the Midwest a man direct with little social trappings who seems to have led an arduous life of drinking brawling to a point womanizing And Poggi Ingway past middle age a foundry worker it is 1966 Both are searching for contentment in life Shannon thought he had it until his wife left Poggi seems to have left it in San Francisco in an afternoon affair For that matter all the characters in the story are seeking in one way or another that same ingredient contentment Yet Poggi anticipates suicide The story ends as all the characters are drawn together a glimpse of their lives are given to the reader to include the promiscuous young Annabelle and her co worker Maribel Old Josh the diner cook Jake and Zam Zam a tap dancer Included in the book are ten short stories four in English and Spanish In the Eyes of the Bull Seville 1998 Hills like Green Iguanas Vietnam 1971 A Toucan against One from the Amazon The Book Story a spoof of sort and several others **All Day I Dream About Sirens** Domenica Martinello,2019-04-10 What started as a small sequence of poems about the Starbucks logo grew to monstrous proportions after the poet fell under a siren spell herself All Day I Dream About Sirens is both an ancient reverie and a screen induced stupor as these poems reckon with the enduring cultural fascination with siren and mermaid narratives as they span geographies economies and generations chronicling and reconfiguring the male centered epic and women s bodies and subjectivities **The Last of the Giant Killers** John Christopher Atkinson,1891 **A Longing Like Despair** Alan Grob,2002 A major aim of Grob s study is to show Arnold as poet to be possessed of far greater philosophic depth and subtlety than his critics have usually credited him with by identifying the deep affinities and shared weltanschauung of his poetic vision with the metaphysical pessimism of Schopenhauer the major European philosopher whose insistence on the cosmic opposition between the world as will and the world as idea provided the most important philosophic alternative in the nineteenth century to the age s otherwise dominant progressive historicism Jacket **Muckle Jock and Other Stories of Peasant Life in the North** Malcolm McLennan,1891 **The Cotton Belt** Dennis L. Siluk Ed.D.,2011-07-15 Writing the book The Cotton Belt was a seven year intermittent project for the author which includes six books within The Tobacco Kings The Cotton Belt Colored and White The Vanquished Plantations Voices out of Saigon and an updating book called The Old Folks 1650 to 2012 all interlinking creating an amazing saga which gravitates towards the South Each book contains its own chapters or episodes having its own theme or technique The main families involved are one time plantation owners although we have Captain Peron owner of a brig Mississippi Blue the gambler and Sergeant Hood the scoundrel all colorful characters The families being the Abernathys Hightowers Wallaces Ritts bankers and the Smileys living between Fayetteville North Carolina Ozark Alabama and New Orleans with unforgettable

characters such as Old Josh Langdon Burgundy the Wallace brothers Ashley and Witty from Voices out of Saigon and out of Cambodia we have Zuxin Ming and Sergeant Carter a Minnesotan This is the author's 4th Volume of his Natural Writings At the back of the book the author has added four poems Many Windows Mother of the Night Sky Three Shot Espresso and Common Sides Being awarded by declaration five times Poet Laureate *The Siren and the Seashell* Octavio

Paz, 2013-05-15 Octavio Paz has long been known for his brilliant essays as well as for his poetry Through the essays he has sought to confront the tensions inherent in the conflict between art and society and to achieve a unity of their polarities *The Siren and the Seashell* is a collection of Paz's essays focusing on individual poets and on poetry in general The first five poets he treats are Latin American Sor Juana Inés de la Cruz Rubén Darío José Juan Tablada Ramón López Velarde and Alfonso Reyes Then there are essays on Robert Frost e.e. cummings Saint John Perse Antonio Machado and Jorge Guillén Finally there are Paz's reflections on the poetry of solitude and communion and the literature of Latin America Each essay is more than Paz's impressions of one person or issue each is the occasion for a wider discussion of cultural historical psychological and philosophical themes The essays were selected from Paz's writing between 1942 and 1965 and provide an overview of the development of his thinking and an exploration of the ideas central in his works **Bulletin of the Brooklyn Public**

Steven Shankman, Stephen Durrant, 2003-09-16 The cultures of ancient China and ancient Greece have exerted immeasurable influence on later civilizations The texts and cultural values of classical China spread throughout East Asia and became the foundation of learning in Korea Japan and Vietnam Greek learning and culture receive credit for many of the intellectual paradigms of the West Probably the one which is most distinctly Western is the tradition of logical proof and the related assumption that as Aristotle put it in *Metaphysics* 980 we all desire to know In contrast the Chinese tradition as exemplified by Laozi's *Dao de jing* cautions that through our desire to know we may forfeit wisdom thus engendering a split between knowledge and wisdom *The Siren and the Sage* is a comparative study of what some of the most influential writers of ancient China and ancient Greece thought it meant to know and whether they distinguished knowledge from wisdom It surveys selected works of poetry history and philosophy from roughly the eighth through the second centuries BCE focusing on the *Odyssey* the ancient Chinese Classic of Poetry Thucydides *History of the Peloponnesian War* Sima Qian's *Records of the Historian* Plato's *Symposium* Laozi's *Dao de jing* and the writings of Zhuangzi The intention through such juxtaposition is to introduce foundational texts of each tradition texts which continue to influence most of the world's peoples It is intriguing to ask what awareness if any these distinctive cultures had of each other A considerable body of scholarship comparing ancient Greece and ancient China now exists Scholars are presenting evidence that the two cultures may actually have been aware of each other's presence even though that awareness was presumably indirect perhaps mediated by the nomadic peoples of

Central Asia While not directly contributing evidence the authors argue that comparing the cultures of Greece and China will continue to be an irresistible and important scholarly debate The book offers a provocative study which is accessible to students and general readers and at the same time contributes to the debate
