Sisters Country Weather And Climate:

Sisters Country Weather and Climate Raymond R. Hatton, 1994 **Legendary Locals of Bend** Les Joslin, 2016 A fascinating mix of local legends who could be characterized as the right people in the right place at the right time arrived in Central Oregon during the past century and a half to make Bend the fascinating city it has become Some of these people explorer John Charles Fremont publisher George Palmer Putnam economist William A Niskanen and World s Greatest Athlete Ashton Eaton among them gained national prominence and even global stature Others were and are more ordinary people who have done and continue to do extraordinary things in an extraordinary place a small but singular city of some 80 000 souls astride the Deschutes River at the eastern foot of the Cascade Range **Oregon Historical Quarterly** Oregon Historical Society, 1997 **Becoming Weather** Sarah Wright, 2024-09-17 Following a relational Indigenous led approach grounded in 25 years of collaborative work this book looks to weather and climate tracing the embodied emplaced and affective ways weather co constitutes people place and time s raising critical questions of ethics politics and becoming Becoming weather leads the reader through a reflexive engagement with weather seeking to shed light on pressing issues around climate change and its entanglements from the body where contours of weather are intimately felt and known to the ways that agencies of weather are implicated in the construction of nations to global topologies of climate in justice Reflecting on deep and ongoing collaborative work undertaken with Indigenous led research collectives in Australia and the Philippines the book traces contours of response ability learning from weathery relationships to speak back to constructions of climate that see it as aer nullius belonging to no one and that deny ongoing responsibilities becomings and belongings The book aims to support more than human and relational understandings of weather that situate us all within an ethics of differential cobecoming and that demand attention to the connections that bind and co constitute The book is intended for those interested in thinking differently about weather and climate particularly those who feel an urgent dissatisfaction with mainstream responses and understandings It will be beneficial for those who would learn from weather from and with place in ways led by Indigenous scholars and their allies though an engaged reflexive more than human and ethnographic account It does not shy away from critical engagement nor the changes desperately needed to learn and unlearn to attend to positionalities and responsibilities and to engage with what it means to weather on unceded Indigenous land **PNLA Quarterly** , 1994 **Women of Mayo Clinic** Virginia M Wright-Peterson, 2016-03-01 The story of Mayo Clinic begins on the Minnesota prairie following a devastating tornado in 1883 It also begins with the women who joined the growing practice as physicians as laboratory researchers as developers of radium therapy and cancer treatments and as innovators in virtually all aspects of patient care education and research While these women contributed to the clinic s origins and success their roles have not been widely celebrated until now Women of Mayo Clinic traces those early days from the perspectives of more than forty women nurses librarians social workers mothers sisters and wives who were instrumental in the world renowned

medical center's development Mother Alfred Moes persuaded Dr William Worrall Mayo to take on the hospital project Edith Graham was the first professionally trained nurse to work at the practice Alice Magaw developed a national reputation administering anesthesia in the operating rooms there Maud Mellish Wilson established the library and burnished the clinic's standing through widely distributed publications about its innovations Virginia Wright Peterson tells the stories of these and other talented dedicated pioneers through institutional records and clippings from the period introducing a welcome new perspective on the history of both Mayo Clinic and women in medicine **Primary Education** ,1912 **Journal of**
