allowed to rule for 30 years then he'd be ritually killed. They didn't want an old man in charge. One day a Pharaoh was nearing his 30th year and decided he didn't want to die so came up with a set of rituals that would enable him to live on. It was called Heb Sed. This sacred ceremony was more than just a life saver though it also enabled the king to merge with the Sun god. After death Egyptian kings were believed to board the Sun boat where they would shine down on their subjects for all eternity. However many things could go awry in this process particularly under the eyes of a successor. What if they bungled the funeral? What if they were a rival? Heb Sed enabled all this to occur while the king was still alive so that he could preside over proceedings ensuring its success. And the bonus of being able to do this while alive is that some part of the Pharaoh would board the Sun boat and in doing so the king would become a divinity. The Pharaoh became a living God king. But all this could only happen if they built a strange pyramid shaped structure to enable this potent magic to take place. So they built pyramids. And they got bigger and more magnificent with the passing of each King. This madness came to a head with Pharaoh Snefru who built two massive pyramids the two biggest man made structures in the World. How do you outdo this? While his son Khufu only managed to build one pyramid it was the most impressive structure ever built by humans. Still is in my book. And yes it might have functioned as his tomb although Strabo and Diodorus swear black and blue that it wasn't however it was entirely geared to the Sun god as you will find out it was entirely geared for the King's Heb Sed. This book is the sequel to *Architecture of Ra* but can be read independently of it. It also delves into the myths of Egypt as well as those of other cultures. Jason the Argonauts, Icarus, Jonah, Thor, Hercules. I don't like calling these stories myths because they actually belonged to living religions and to make that grade the stories had to include information seminal to that culture. And if the texts contain this knowledge then so did their religious buildings. The knowledge encoded in Egyptian legends is also encoded in their pyramids.

The Myth of the Goddess Anne Baring, Jules Cashford, 1993-03-25. A comprehensive scholarly accessible study in which the authors draw upon poetry and mythology, art and literature, archaeology and psychology to show how the myth of the goddess has been lost from our formal Judeo-Christian images of the divine. They explain what happened to the goddess when and how she was excluded from western culture and the implications of this loss. *A Sister's Love* W. Heimburg, 1891. Found P. C. Cast, Kristin Cast, 2020-07-07. The thrilling conclusion to the *House of Night* Other World series. Fog rolls into Tulsa and with it comes Darkness. Zoey knows something is up and that the something involves Neferet but Neferet can't possibly be freed right. Other Neferet and her companion Lynette arrive in Woodward Park to set this world's Neferet free from her grotto prison and discover there may be those who sympathize with their cause. Meanwhile Other Kevin and Other Stark are hot on their trail but how can the new friends travel to this world without invoking Old Magick and paying a costly perhaps deadly price. In *Found* the culmination of the *House of Night* Other World series a surprisingly talented fledgling immortal and the unlikeliest of allies will band together with Zoey and the Nerd Herd. Will they be powerful enough to defeat her old nemesis or will two worlds be destroyed and claimed by Darkness?

The Robber Girl Franny Billingsley, 2021-09-14 Part literary mystery, part magical tour de force, an incantatory novel of fierce beauty, lyricism, and originality from a National Book Award Finalist. A brilliant puzzle of a book from the author of *Chime* and *The Folk Keeper*, plunges us into the vulnerable psyche of one of the most memorable, unreliable narrators to grace the page in decades. *The Robber Girl* has a good dagger. Its voice in her head is as sharp as its two edges that taper down to a point. Today, the Robber Girl and her dagger will ride with Gentleman Jack into the Indigo Heart to claim the gold that's rightfully his. But instead of gold, the Robber Girl finds a dollhouse cottage with doorknobs the size of apple seeds. She finds two dolls who give her three tasks, even though she knows that three is too many tasks. The right number of tasks is two, like Grandmother gave to Gentleman Jack: Fetch unto me the mountain's gold to build our city fair; Fetch unto me the wingless bird, and I shall make you my heir. The Robber Girl finds what might be a home, but to fight is easier than to trust when you're a mystery even to yourself, and you're torn between loyalty and love. The Robber Girl is at once achingly real, wise to the nuances of trauma, and loaded with magic, action, and intrigue. Every sentence shines sharp as a blade in a beautifully crafted novel about memory, identity, and the power of language to heal and reconstruct our lives.
