Situation And The Story The Art Of Personal Narrative:

The Situation and the Story Vivian Gornick, 2002-10-11 A guide to the art of personal writing by the author of *Fierce Attachments* and *The End of the Novel of Love* All narrative writing must pull from the raw material of life a tale that will shape experience transform event deliver a bit of wisdom In a story or a novel the I who tells this tale can be and often is an unreliable narrator but in nonfiction the reader must always be persuaded that the narrator is speaking truth How does one pull from one's own boring agitated self the truth speaker who will tell the story a personal narrative needs to tell That is the question *The Situation and the Story* asks and answers Taking us on a reading tour of some of the best memoirs and essays of the past hundred years Gornick traces the changing idea of self that has dominated the century and demonstrates the enduring truth speaker to be found in the work of writers as diverse as Edmund Gosse Joan Didion Oscar Wilde James Baldwin or Marguerite Duras This book which grew out of fifteen years teaching in MFA programs is itself a model of the lucid intelligence that has made Gornick one of our most admired writers of nonfiction In it she teaches us to write by teaching us how to read how to recognize truth when we hear it in the writing of others and in our own , A

Companion to American Literature Susan Belasco, Theresa Strouth Gaul, Linck Johnson, Michael Soto, 2020-04-02 A comprehensive chronological overview of American literature in three scholarly and authoritative volumes *A Companion to American Literature* traces the history and development of American literature from its early origins in Native American oral tradition to 21st century digital literature This comprehensive three volume set brings together contributions from a diverse international team of accomplished young scholars and established figures in the field Contributors explore a broad range of topics in historical cultural political geographic and technological contexts engaging the work of both well known and non canonical writers of every period Volume One is an inclusive and geographically expansive examination of early American literature applying a range of cultural and historical approaches and theoretical models to a dramatically expanded canon of texts Volume Two covers American literature between 1820 and 1914 focusing on the development of print culture and the literary marketplace the emergence of various literary movements and the impact of social and historical events on writers and writings of the period Spanning the 20th and early 21st centuries Volume Three studies traditional areas of American literature as well as the literature from previously marginalized groups and contemporary writers often overlooked by scholars This inclusive and comprehensive study of American literature Examines the influences of race ethnicity gender class and disability on American literature Discusses the role of technology in book production and circulation the rise of literacy and changing reading practices and literary forms Explores a wide range of writings in multiple genres including novels short stories dramas and a variety of poetic forms as well as autobiographies essays lectures diaries journals letters sermons histories and graphic narratives Provides a thematic index that groups chapters by contexts and illustrates their links across different traditional chronological boundaries *A Companion to American Literature* is a valuable resource for

students coming to the subject for the first time or preparing for field examinations instructors in American literature courses and scholars with more specialized interests in specific authors genres movements or periods *The Lab* Matthew Clark Davison,Alice LaPlante,2025-07-22 Great writing doesn't begin with form it begins with obsession Two novelists offer an inspiring guide to transforming that obsession using whatever genre fits best Writers don't need formulas they need encouragement to take risks *The Lab* offers a bold hands on approach urging writers to embrace uncertainty experiment with form and investigate what haunts them *The Lab* features ten chapters and ninety exercises challenging writers to play with fiction memoir and poetry or push toward hybrid or entirely new forms This is a book for those ready to dig deep and write fearlessly *The Telling and the Tale: an Introductory Guide to Short, Creative Prose* , *The Truth of Memoir* Kerry Cohen,2014-12-19 Baring the Truth in Your Memoir When you write a memoir or personal essay you dare to reveal the truths of your experience about yourself and about others in your life How do you expose long guarded secrets and discuss bad behavior How do you gracefully portray your family members friends spouses exes and children without damaging your relationships How do you balance your respect for others with your desire to tell the truth In *The Truth of Memoir* best selling memoirist Kerry Cohen provides insight and guidelines for depicting the characters who appear in your work with honesty and compassion You'll learn how to choose which details to include and which secrets to tell how to render the people in your life artfully and fully on the page and what reactions you can expect from those you include in your work as well as from readers and the media Featuring over twenty candid essays from memoirists sharing their experiences and advice as well as exercises for writing about others in your memoirs and essays *The Truth of Memoir* will give you the courage and confidence to write your story and all of its requisite characters with truth and grace Kerry Cohen's *The Truth of Memoir* is a smart soulful psychologically astute guide to first person writing She reveals everything you want to know but were afraid to ask about telling your life story Susan Shapiro author of eight books including *Only As Good as Your Word* and co author of *The Bosnia List* *Profile Pieces* Sue Joseph,Richard Lance Keeble,2015-10-14 This book examines the history theory and journalistic practice of profile writing Profiles and the practice of writing them are of increasing interest to scholars of journalism because conflicts between the interviewer and the subject exemplify the changing nature of journalism itself While the subject often through the medium of their press representative struggles to retain control of the interview space the journalist seeks to subvert it This interesting and multi layered interaction however has rarely been subject to critical scrutiny partly because profiles have traditionally been regarded as public relations exercises or as soft journalism However chapters in this volume reveal not only that profiling has historically taken many different forms but that the idea of the interview as a contested space has applications beyond the subject of celebrated individuals The volume looks at the profile's historical beginnings at the contemporary manufacture of celebrity versus the ordinary at profiling communities countries and movements at profiling the destitute at sporting personalities and finally at profiling and trauma *Engaging*
