 addresses given before the American Society for Value Inquiry since its first meeting in 1970 Contributions are by Richard

 Burton Leiser Abraham Edel Sidney Axinn Robert Ginsberg Patricia Werhane Lisa M Newton Thomas Magnell Sander Lee
 John M Abbarno Ruth Miller Lucier and Tom Regan Autobiographical sketches by all of the living contributors and one
 recently deceased biographical statements of the remainder together with photographic portraits of all the contributors make
 this volume a unique record of value inquiry during the past quarter century indicates previously unpublished or unpublished

 speaker is afforded the opportunity to hold forth on a topic at once intensely personal and believed to be of wide interest
 While some societies publish presidential addresses in newsletters or informal proceedings and occasionally in professional
 bulletins or journals rarely have a substantial bloc of a society s presidential addresses been collected and published under

one cover Too often the presidential address is delivered discussed by those present perhaps summarized in a paragraph in a newsletter to members and filed as a fond memory of a moment of honor in the papers of the author sometimes to be forgotten lost discarded or otherwise removed from availability to scholars of the history of philosophy This volume inaugurates a series aiming at preserving presidential and other major addresses before philosophical societies It seeks to be a historical record not only of the address but also of the reflections and recollections of the author It seeks to preserve as a part of the historical record a photograph of the author And with the personal character of an autobiographical statement it seeks to humanize and render lively and real the professi
