Sixties People:

Sixties at 40 Ben Agger, 2015-12-22 Based on recent interviews this unique sixties book brings together the voices of the Left leaders who spawned the sixties movements Many remain activists today and experience and the passage of time allow them to transcend nostalgia to form more realistic perspectives on past present and future They discuss the civil rights and antiwar movements the political outcome of the sixties patriotism terror and the role of young people in the future Important gains were made during the sixties but there were many setbacks too that influence today's voters leaders candidates and our day to day realities The sixties of this book are not simply a sweet memory of marijuana and album rock there were many casualties including innocence and youthful idealism Agger concludes with reflections on the possibilities of a next Left which was already faintly visible in young people's massive support of Obama's presidential candidacy

The Spirit of the Sixties James J. Farrell, 2013-10-18 The Spirit of the Sixties explains how and why the personal became political when Sixties activists confronted the institutions of American postwar culture The Spirit of the Sixties uses political personalism to explain how and why the personal became political when Sixties activists confronted the institutions of American postwar culture After establishing its origins in the Catholic Worker movement the Beat generation the civil rights movement and Ban the Bomb protests James Farrell demonstrates the impact of personalism on Sixties radicalism Students antiwar activists and counterculturalists all used personalist perspectives in the here and now revolution of the decade These perspectives also persisted in American politics after the Sixties Exploring the Sixties not just as history but as current affairs Farrell revisits the perennial questions of human purpose and cultural practice contested in the decade

Leaders from the 1960s David De Leon, 1994-06-22 The throngs at Woodstock Jane Fonda in Hanoi I Have a Dream burning draft cards fire in the streets these images of the 1960s are still very much alive today What happened to the people and principles that dominated that decade Which leaders from those turbulent years had the most lasting effect on our lives today How well have the principles for which those leaders fought so strongly withstood the test of time This thought provoking biographical dictionary allows the reader to study the leaders both conservative and liberal their ideals and their enduring influence With major sections on racial democracy peace and freedom sexuality and gender the environment radical culture and visions of alternative societies Leaders from the 1960s includes entries on a wide selection of nationally prominent activists of the 1960s In addition to those who dominated only the sixties the volume includes earlier activists who came into prominence in the 1960s and activists of the era who came into prominence since the 1960s Each entry provides a biographical sketch but the focus of the entries is on the person's basic concepts or the essence of his or her work and the public response it generated Included are extensive bibliographies on the individuals and the period

Post-Sixties Narratives as Cultural Criticism Lin Xiang, 2020-03-09 This book examines the cultural criticism led by New York intellectuals from the 1960s onwards considering the influence of such critique on American collective memory and contemporary public culture With a focus on essays that appeared in

Dissent magazine one of the most important journals of the New York intellectuals from the year of its launch in 1954 to its most recent issue as well as representative books on American culture by Daniel Bell and Russell Jacoby the author contends that post Sixties narratives constitute a special paradigm of cultural criticism that seek radical possibilities for societal change in the US based on a use of the 1960s as an index for understanding American cultural and political life A study of the ways in which narratives can move beyond story telling to have interpretative and ideological functions as a form of criticism this book will appeal to scholars of cultural studies and sociology as well as those working in the fields of linguistics and literary theory

A 1960s Childhood Paul Feeney,2010 Do you remember Beatlemania Radio Caroline Mods and Rockers The very first miniskirts Then the chances are you were born in the or around 1960 To the young people of today the 1960s seems like another age But for those who grew up in this decade school life mod fashions and sixties pop music are still fresh in their minds From James Bond to Sindy dolls and playing hopscotch in the street life was very different to how it is now After the tough and frugal years of the fifties the sixties was a boom period a time of changed attitudes and improved lifestyles With chapters on home and school life games and hobbies music and fashion alongside a selection of charming illustrations this delightful compendium of memories will appeal to all who grew up in this lively era Take a nostalgic look at what it was like to grow up during the sixties and recapture all aspects of life back then PAUL FEENEY is a writer and part time business consultant He has also written a local history of Highgate and A 1950s Childhood from Tin Baths to Bread and Dripping He lives in Surrey If you grew up in the Swinging Sixties you ll love Paul Feeney s A 1960s Childhood Reviewed in Yours Magazine 23rdFeb 10 The author captures the atmosphere and furniture of the Sixties to perfection even recreating a typical family Christmas of the time Whether you were a child or an adult in that most eventful decade this excellent book with charming black and white illustrations will throw up lots of talking points Reviewed in This England Summer 2010 edition

Men to Boys Gary S. Cross,2008 When did maturity become the ultimate taboo Men have gone from idolizing Cary Grant to aping Hugh Grant shunning marriage and responsibility well into their twenties and thirties Gary Cross renowned cultural historian identifies the boy man and his habits examining the attitudes and practices of three generations to make sense of this gradual but profound shift in American masculinity Cross matches the rise of the American boy man to trends in twentieth century advertising popular culture and consumerism and he locates the roots of our present crisis in the vague call for a new model of leadership that ultimately failed to offer a better concept of maturity

Violent Class Struggles and The Need for Revolutionary Change: Anti-WTO Organized Labor Protest vs Seattle Police Marco T.

Ntobi,2016-04-28 In this book I have attempted to trace as clearly and briefly as I can the nature of the capitalist and imperialist systems and the rising world class struggles against it a bitter life and death conflicts which are now only in their middle phase Much in this book of course has been said before and has been happening and it will be said again and again in many different ways by many different people before this enormous conflict is finally resolved The whole purpose of

revolutionary violence is to destroy at its very roots the institutionalized system of greed which is also the institutionalized system of violence Today with the phoney cry of law and order the rulers of the imperialist nations attempt to throw the onus of violence on those who are protesting the system under which they live But the onus is not on them for violence is the near monopoly of the state apparatus Writing this book primarily has been a very important experience for me **Our Last Day and the Return of Christ** James Williams,2024-09-03 This book is intended to clear up many of the misconceptions being carried by the organized church for the last two thousand years Many of these misconceptions have been put into place on purpose The early Church Fathers felt the need to distance themselves from the Hebrew Bible and changed dates and church traditions to bring about what people understand today The pages of this book hold the key to understanding the truth about things to come Have you ever asked yourself or someone else why Jesus says he is coming soon but it s been two thousand years You will find the answer to that question in the pages of this book You will discover what the book of Daniel was told to shut up is and why he was told to do this The truth about the last days is simpler than you think and God s glorious mystery is now become clear **The Conquest of Cool** Thomas Frank,1997 Looks at advertising during the 1960s focusing on the relationship between the counterculture movement and commerce **Liquidated** Karen Ho,2009-07-13 An ethnography of Wall Street investment bankers and the cultural logics of finance **Unmasking the Angel** Stephen Langford,2025-05-01 This book explores the concept of an angel of the church It begins with the question that so intrigued Walter Wink Why would Jesus ask John to write to an angel in Revelation 2 3 This work develops critiques and expands Wink s answer It does so by taking the historical records of three churches in England s West Country and bringing them into conversation with Wink s understanding of the angel of the church It then goes further by introducing Wink s work to specialists in fields that include architecture demographics and church polity This scholarly conversation creates a matrix within which ministers with pastoral charge might be equipped to explore the spiritual identity or angel of their own congregations *Reefer Madness* Larry "Ratso" Sloman,1998-11-15 *Reefer Madness* a classic in the annals of hemp literature is the popular social history of marijuana use in America Beginning with the hemp farming of George Washington author Larry Ratso Sloman traces the fascinating story of our nation s love hate relationship with the resilient weed we know as marijuana Herein we find antiheroes such as Allen Ginsberg Robert Mitchum the first Hollywood actor busted for pot Louis Armstrong who smoked pot every day the Beatles and more rascals standing up for supporting smoking and politicizing the bounties of marijuana With a new afterword by Michael Simmons who has written for Rolling Stone LA Weekly and High Times on the progress of the hemp movement and the importance of medical marijuana *Reefer Madness* is a classic that goes on

Activists Speak Out NA NA,2019-06-12 In *Activists Speak Out* a group of fifteen American activists speak candidly about how and why they struggle for change Their causes and strategies vary in the areas of civil rights gay and lesbian rights the environment women s issues health youth education labor freedom of expression and the arts But the lessons learned

resonate across geographic and ideological boundaries Whether working as grass roots organizers or corporate insiders in cities or in rural areas the through line of their observations is constant Change is slow and may take shape in unexpected ways Small victories count And whatever the initial motivation to become engaged in the struggle for change anger compassion frustration the very process of engagement is itself transformative You cross that line and nothing is ever the same Black Lives, White Lives Bob Blauner,2022-02 The oral history of 16 blacks and 12 whites who fought for racial change and civil rights *Princess Diana* Jon King,John Beveridge,2002 Was Princess Diana murdered Or was she just the victim of a tragic traffic accident If she was murdered who did it Who ordered the assassination and what were the motives behind it Were the same powers behind England s recent Butler Scandal Based on information received from a veteran CIA contract agent one week prior to the crash in Paris plus further evidence obtained from other highly placed British Intelligence sources this investigative work presents an uncompromising inquiry into Diana s death Included are exclusive new interviews with named MI5 officers who will confirm British Intelligence s involvement in Diana s death

Conversations with Michael McClure David Stephen Calonne,2024-06-20 Conversations with Michael McClure features twenty interviews from 1969 to 2015 that chronicle the capacious scope of McClure s creativity McClure 1932 2020 is notable not only for his considerable achievements as a poet and prose writer of the Beat Generation but also for the many collaborative connections he forged over seven decades From the 1950s to his death McClure worked with an astonishing range of important figures in the worlds of painting filmmaking music and science McClure counted among his friends and acquaintances Bruce Conner Harold Pinter Amiri Baraka Richard Brautigan Wallace Berman George Herms Lawrence Jordan Dennis Hopper Bob Dylan Janis Joplin Jim Morrison Ray Manzarek Sterling Bunnell Francis Crick Gary Snyder Francesco Clemente and Diane di Prima During his early years in San Francisco McClure attended Kenneth Rexroth s literary evenings and formed significant lifelong friendships Among those friends were poets Philip Lamantia and Robert Duncan who became a mentor to McClure He also learned much from Charles Olson and adopted several features of Olson s concept of Projective Verse in his own work McClure s exchange of letters with experimental filmmaker Stan Brakhage lasted for four decades During his illustrious career McClure published fourteen books of poetry eight books of plays and four collections of essays Conversations with Michael McClure reveals the many contributions of this central personality in the evolution of the American counterculture Sex, Art, and American Culture Camille Paglia,2011-08-31 A collection of twenty of Paglia s out spoken essays on contemporary issues in America s ongoing cultural debate such as Anita Hill Robert Mapplethorpe the beauty myth and the decline of education in America *Finding God In Unexpected Places* Philip Yancey,2005 Presents the unexpected places where God can be found and which present Christians with opportunities to make him visible such as in slums prisons animal reserves artworks and events which occur in the news **Routledge Library Editions: Education Mini-Set G Higher & Adult Education 11 vol set** Various,2021-07-14 Mini set G Higher and Adult Education re issues 11

volumes originally published between 1974 and 1992 They discuss and analyze adult education from both theoretical and practical standpoints and look at the challenges facing adult education during the 1970s and 80s as well as examining the history of higher adult education in the UK The mini set includes one volume which although previously available with another publisher and out of print for some years is now available for the first time from Routledge Adult Learning in the Social Context Peter Jarvis, 2012-04-27 This book is a logical progression from The Sociology of Adult and Continuing Education The author takes a completely new approach to the subject and puts forward a model of adult learning which is analysed in depth This model arises from the results of a research project in which adults analysed their own learning experiences
