Sixty Years of Great Fiction from Partisan Review William Phillips, 1936 Have there been ten quarterlies in the literary history of the West that have meant as much to the readers of their time as Partisan Review I would guess not Norman Mailer Collected from Partisan Review this anthology showcases the work of many of the great writers of this century Their stories range from the social to the personal from political experience to private life They are all part of the pantheon of modern literature This impressive array of fiction exhibits the significant role Partisan Review has played in the development of our literary culture     The Life of Saul Bellow Zachary Leader, 2015 Professor Leader marks the centenary of Bellow's

birth with an account of the novelist's life The biography will be published in two volumes     **American Jewish Year Book 2003** David Singer, Lawrence Grossman, 2003 The Library owns the volumes of the American Jewish Yearbook from 1899 current     **Italian Literature since 1900 in English Translation** Robin Healey, 2019-03-14 Providing the most complete record possible of texts by Italian writers active after 1900 this annotated bibliography covers over 4 800 distinct editions of writings by some 1 700 Italian authors Many entries are accompanied by useful notes that provide information on the authors works translators and the reception of the translations This book includes the works of Pirandello Calvino Eco and more recently Andrea Camilleri and Valerio Manfredi Together with Robin Healey's Italian Literature before 1900 in English Translation also published by University of Toronto Press in 2011 this volume makes comprehensive information on translations from Italian accessible for schools libraries and those interested in comparative literature     **Saul Bellow**

Gerald Sorin, 2024-04-30 Saul Bellow I Was a Jew and an American and a Writer offers a fresh and original perspective on the life and works of Saul Bellow the Nobel Prize winner in Literature in 1976 Author Gerald Sorin emphasizes Bellow's Jewish identity as fundamental to his being and the content and meaning of his fiction Bellow's work from the 1940s to 2000 when he wrote his last novel at the age of 84 centers on the command in Deuteronomy to Choose life as distinct from nihilistic withdrawal and the defense of meaninglessness Although Bellow disdained the label of American Jewish Writer Sorin conjectures that he was an outstanding representative of the classification Bellow and the characters in his fiction not only choose life but also explore what it means to live a good life however difficult that may be to define and regardless of how much harder it is to achieve For Sorin Bellow realized that at least two obstacles stood in the way the imperfection of the world and the frailty of the human pursuer Saul Bellow I Was a Jew and an American and a Writer provides a new and insightful narrative of the life and works of Saul Bellow By using Bellow's deeply internalized Jewishness and his remarkable imagination and creativity as a lens Sorin examines how he captured the shifting atmosphere of postwar American culture
