Skeleton In The Closet 1st Edition:

The Making of the Modern Body Catherine Gallagher, Thomas Laqueur, 1987-02-06 Scholars have only recently discovered that the human body itself has a history Not only has it been perceived interpreted and represented differently in different epochs but it has also been lived differently brought into being within widely dissimilar material cultures subjected to various technologies and means of control and incorporated into different rhythms of production and consumption pleasure and pain The eight articles in this volume support supplement and explore the significance of these insights They belong to a new historical endeavor that derives partly from the crossing of historical with anthropological investigations partly from social historians deepening interest in culture partly from the thematization of the body in modern philosophy especially phenomenology and partly from the emphasis on gender sexuality and women s history that large numbers of feminist scholars have brought to all disciplines

Montaigne Philippe Desan,2019-01-29 A definitive biography of the great French essayist and thinker One of the most important writers and thinkers of the Renaissance Michel de Montaigne 1533-92 helped invent a literary genre that seemed more modern than anything that had come before But did he do it as he suggests in his *Essays* by retreating to his chateau and stoically detaching himself from his violent times Philippe Desan overturns this long standing myth by showing that Montaigne was constantly connected to and concerned with realizing his political ambitions and that the literary and philosophical character of the *Essays* largely depends on them Desan shows how Montaigne conceived of each edition of the *Essays* as an indispensable prerequisite to the next stage of his public career It was only after his political failure that Montaigne took refuge in literature and even then it was his political experience that enabled him to find the right tone for his genre The most comprehensive and authoritative biography of Montaigne yet written this sweeping narrative offers a fascinating new picture of his life and work

Gender Verification and the Making of the Female Body in Sport Sonja Erikainen,2019-11-13 This book critically explores the history of gender verification in international sport to show how culture politics and science come together to produce femaleness and consequently the female body as we know it Tracing gender verification policies and practices in sport since the 1930s till the present the book shows how and why medical sex tests have been used to verify women athletes femaleness in ways that both reflect and have shaped broader social and scientific ideas about femaleness in the process Exploring how geopolitics gender class and race relations intertwined with scientific ideas about femaleness and womanhood to shape gender verification the book shows how sports competitions became a battleground where new and old ideas about sex difference collided By mapping the social historical and material instability of sex and gender it shows why so much investment has been placed in distinguishing femaleness from maleness in sport and beyond The book will be of interest to researchers later year undergraduate and graduate students in a broad range of areas including gender studies sports studies social and historical studies of science and medicine It will also be relevant to sports policy as it historically and conceptually contextualises gender verification policies

The Conspiracy Trial of the Chicago Seven John Schultz,2020-10-16 One of the few great trial books of our time Any reader looking for a quick course in how a criminal trial can go wrong would do well to read it Timothy Sullivan author of *Unequal Verdicts* In 1969 the Chicago Seven were charged with intent to incite organize promote and encourage antiwar riots during the chaotic 1968 Democratic National Convention in Chicago The defendants included major figures of the antiwar and racial justice movements Abbie Hoffman and Jerry Rubin the madcap founders of the Yippies Tom Hayden and Rennie Davis founders of Students for a Democratic Society and longtime antiwar organizers David Dellinger a pacifist and chair of the National Mobilization Committee to End the War in Vietnam and Bobby

Seale co founder of the Black Panther Party who would be bound and gagged in the courtroom before his case was severed from the rest The Conspiracy Trial of the Chicago Seven is an electrifying account of the months long trial that commanded the attention of a divided nation John Schultz on assignment for The Evergreen Review witnessed the whole trial of the Chicago Seven from the jury selection to the aftermath of the verdict In his vivid account Schultz exposes the raw emotions surreal testimony and judicial prejudice that came to define one of the most significant legal events in American history In October 2020 Aaron Sorkin s film The Trial of the Chicago Seven brought this iconic trial to the screen This work aside from being a profound study of fear is investigative journalism in its highest sense Studs Terkel Pulitzer Prize winning author
