Vol. XXXV

The Locator catalogues in alphabetical order every name in all the Social Registers and indicates the family's head under which it may be found and the city in which the name appears.

It is invaluable for identifying and locating the names of new acquaintances, and is a key to all of the Social Registers. The name may be in your own Social Register and yet escape your attention if grouped under the family name, out of alphabetical order.

Reference to the Locator shows at once under what city to look for any desired name and there all required information may be gleaned

A subscriber to the Locator may obtain a transcript of the desired entry in any Social Register by telephoning or writing to the Association.
