1

Pave Your Path

Learn what you can about a social work career and start to think about which specialty would be the best fit for you.

2

3

Prepare for Admission

5

Work Under Supervision

Many states require a period of board-approved supervised work. This can last 2-3 years.

6

Take Licensing Exams

Research your state's licensing requirements and make sure you have all requirements taken care of to obtain a license, if necessary.

8

Obtain a Credential

Credentials are optional, but they may boost your resume or make it easier to get a license in a new jurisdiction.

7

Get Hired

Network with others in the industry, perfect your resume, and take advantage of all available resources to help land your ideal job in social work.
