AND ROBERT MORRIS, PH.D.

# Social Work At The Millennium

**Xiaolong Qi**

## **Social Work At The Millennium:**

*Social Work At The Millennium* Robert Morris, 2007-09-12 For the last century social workers have attended to those in need and sought to improve the social and economic conditions of the disadvantaged At the dawn of a new century the country's leading social work practitioners and educators have come together in one stellar volume to assess the successes and failures of the field in its first hundred years They lay out the road social work must take to face the challenges ahead Along with two chapters by the editors June Gary Hopps and Robert Morris *Social Work at the Millennium* includes ten chapters from an exceptionally strong group of contributors offering a range of interpretations of the future of social work By looking with a critical eye at the past century and at the present day the authors come to varying conclusions that will stir debate within the field for years to come But all agree that social workers need a place at the policy drafting tables as well as in the human services triage rooms and that much work needs to be done to ensure that this happens *Social Work at the Millennium* presents the top voices of the social work field as they begin to craft the future of the profession and issues a challenge to social workers students scholars and policy makers to continue the discussion to shape a better future for the profession and the people it serves

*Comprehensive Handbook of Social Work and Social Welfare, The Profession of Social Work*, 2008-03-11 *Comprehensive Handbook of Social Work and Social Welfare Volume 1 The Profession of Social Work* features contributions from leading international researchers and practitioners and presents the most comprehensive in depth source of information on the field of social work and social welfare

*Handbook of International Social Work* Lynne M. Healy, Rosemary J. Link, 2012 Global knowledge is increasingly essential for all aspects of social work Today's professionals respond to concerns including permeable borders the upheavals of war displaced workers natural disasters international adoption and human trafficking Everywhere social workers work with service users and colleagues from diverse cultures and countries Globally relevant concepts such as human rights development and inclusion offer new perspectives to enhance policy and practice and facilitate the international exchange of ideas This handbook is the first major reference text to provide a solid foundation of knowledge for students and researchers alike The extensive collection of 73 chapters confirms the integral and necessary nature of international social work knowledge to all areas of practice policy and research Chapters systematically map the key issues organizations competencies training and research needs and ethical guidelines central to international social work practice today emphasizing the linkages among social work development and human rights practice In depth country case studies and policy examples encourage readers to understand how their practice in social work touches on international issues regardless of whether the work is done at home or abroad Representing all regions of the world a wide range of contributors that are leaders in their fields have put together an exhaustive collection that represents the state of play of international social work today

*The Profession of Social Work* Catherine N. Dulmus, Karen M. Sowers, 2012-08-21 An expert introduction to the foundations of the social work profession from its

historical roots to its evolution in an era of evidence based practice The Profession of Social Work provides a broad overview of the history scope values ethics and organizational framework of the social work profession Exploring professional ethics and human rights evidence based practice and practice guided research as well as emerging trends and issues this important book presents topics of critical importance to anyone considering a career in social work Each chapter in the text offers an array of pedagogical features including Key Terms Review Questions for Critical Thinking and Online Resources Ideal for introductory courses for both undergraduate and graduate students The Profession of Social Work features coverage closely aligned with social work accreditation standards EPAS and includes chapters authored by established scholars on topics including Social work history Social work education Professional credentialing and regulations Values and ethics The strengths perspective in social work practice Evidence based practice and improving the scientific base for social work practice Contemporary issues in social work With a wealth of insider insights into and guidance on the profession of social work this book is essential reading to prepare for a career in this field Comprehensive Handbook of Social Work and Social Welfare, Social Policy and Policy Practice ,2008-03-31 Comprehensive Handbook of Social Work and Social Welfare Volume 4 The Profession of Social Work features contributions from leading international researchers and practitioners and presents the most comprehensive in depth source of information on the field of social work and social welfare

*Professional Social Work in East Africa* Helmut Spitzer,M. Twikirize,2014-10-28 Prevalent poverty and related problems in the East African region call for substantial action from various stakeholders including social workers This book based on comprehensive empirical research portrays an emerging yet powerful profession that has a significant role to play in the endeavour towards social development social justice human rights and gender equality The book is the first of its kind to provide first hand theoretical and empirical evidence about social work in East Africa The Role of Social Work in Poverty Reduction and Realization of MDGs in Kenya Wairire, Gidraph G.,Zani, Agnes P.,2015-10-19 This publication addresses the extent to which social work curricula in Kenya prepares graduates to handle issues of poverty and social development the specific knowledge and skills that they are equipped with an existing gaps therein In addition the challenges that confront the training and practice of social workers and what needs to be done to ensure that there is an enabling environment for social work education and practice in the country have also been addressed The publication which is the outcome of a study on the promotion of professional social work towards social development and poverty reduction in East Africa analyses the role that professional social work plays in the efforts to reduce poverty enhance social development and realise the Millennium Development Goals MDGs in Kenya Consequently emphasis has been laid on the status of professional social work education and practice in preparing social workers to address issues of poverty and MDGs in the country Cross cutting gender issues that impact on social work education and practice which in turn affect the efforts to address poverty in Kenya have also been analysed Given that the time span for MDGs was to end in 2015 the authors envisage that the lessons learnt

through this study and the gains made with regard to MDGs should not end in the set time span but rather that social work educators and practitioners together with other stakeholders in policy formulation and implementation still have more to do in making sure that these gains are consolidated into social work training and practice with additional efforts being made towards sustainable poverty reduction efforts in Kenya

**International Social Work** Lynne Moore Healy, Rebecca Leela Thomas, 2020-07-30 International Social Work Professional Action in an Interdependent World Third Edition is a comprehensive treatment of all dimensions of international social work The authors four part framework includes domestic practice and policy influenced by global forces professional exchange international practice and global social policy The text is enlivened by numerous case examples drawn from many parts of the world The history chapters include brief biographies of noted social workers on the international scene whose accomplishments serve as inspiration for readers The text is extensively referenced with updated professional literature and intergovernmental documents Carefully selected items in the appendix expand the usefulness of the book

**Global Social Work** Gina Chowa, 2024-07-31 The essential skills based guide for navigating global social work and ethical practice A comprehensive guide for global practitioners this text challenges unfettered adaptations of Eurocentric approaches and equips social workers with essential skills for effective context specific global practice throughout the lifespan Integrating insights from both the Global South and North it fosters a robust knowledge base emphasizing using self to promote the wellbeing of the populations that social workers work with This book is a crucial resource for both classroom learning and fieldwork The text covers competencies practice methods theory and research for global social work with diverse populations It encourages observation and modeling of roles at micro mezzo and macro levels preparing students to implement locally driven solutions and amplify marginalized voices Addressing sustainability in resource limited contexts it provides strategies for stakeholder engagement and cross sectoral approaches Learning is reinforced through review questions skills related exercises and application challenges throughout the chapters Spotlight boxes toolkits and case studies also strengthen understanding of global social work and navigating ethical challenges Key Features Defines the parameters of global social work Explores cultural participatory methods to engage diverse populations Tackles theories ethical dilemmas and reflexivity in global social work Evaluates theoretical frameworks from both Global North and Global South perspectives Develops a toolkit for culturally competent practice Provides frameworks for self awareness cultural competence locally driven development capacity building and cross sectoral social work Builds competencies for navigating ethical tensions related to poverty oppression discrimination social justice and diversity

**Social Work Education for and Beyond Sustainable Development** Rajendra Baikady, 2025-10-24 This volume looks at social work education and its role in achieving Sustainable Development Goals SDGs across the globe It examines the incorporation of SDGs in curriculum and pedagogy devising SDG centered modules for social work practice during teaching and developing SDG focused teaching programs in social work Part of the Social Work and Society series the book

Turner,2006-01-01 All of us as Canadians are touched throughout our lives by some aspect of social welfare either as recipients donors or taxpayers But despite the importance of the social network in our country there has been no single source of information about this critical component of our society Even professionals in the field of social work or social services have not had a comprehensive volume addressing the myriad features of this critical societal structure The Encyclopedia of Canadian Social Work fills this need Over five hundred topics important to Canadian social work are covered written by a highly diverse group of social workers covering all aspects of the field and all areas of the country Practitioners policy makers academics social advocates researchers students and administrators present a rich overview of the complexity and diversity of social work and social welfare as it exists in Canada The principal finding from this project underscores the long held perception that there is a Canadian model of social work that is unique and stands as a useful model to other countries The Encyclopedia of Canadian Social Work will be an important source of information both to Canadians and to

interested groups around the world The Encyclopedia of Canadian Social Work is available in e book version by subscription or from university and college libraries through the following vendors Canadian Electronic Library Ebrary MyiLibrary and Netlibrary

*Social Work Evaluation* James R. Dudley, 2020-03-06 Social workers are increasingly faced with the demands of evaluating their own programs and practice to maintain accountability to funding agencies secure funding and remedy a number of social problems facing our society One of the nine basic competencies required by the social work accreditation agency is to be able to conduct evaluations Evaluation is a critical area of practice for demonstrating accountability to clients communities numerous other stakeholders and funding and regulatory agencies Social Work Evaluation Third Edition offers a straightforward guide to a broad range of social work evaluations at both the program and practice levels Author James R Dudley s seven step approach to evaluation makes use of qualitative quantitative and mixed research methods to provide oversight and address important issues at the planning implementation and outcome stages of a program or practice intervention His unique focus on involving clients in the evaluation process ensures that social workers consistently improve their capacity to impact their clients well being and remain accountable to them and others they serve Case examples from the extensive evaluation experience of the author and others illustrate a wide range of logic based methods discussed throughout the text for real world application This comprehensive text effectively aims to enhance student and practitioner skill sets to meet these demands of a changing field
