Social Work Health And Equality:

Social Work, Health and Equality Paul Bywaters, Eileen McLeod, 2012-10-12 What impact can social work make on inequalities in health Social Work Health and Equality opens up a new direction in the practice and theory of social work Focussing on the profound human suffering which arises from social inequalities in health it shows how social work can make a significant contribution to creating more equal experiences of health and illness describes the major shifts in conceptualisation practice and organisation necessary to bring about change The authors explore these questions in relation to four key aspects of health health maintenance illness at home hospitalisation and facing death Grounding the text in everyday lived experience they show how social work must change its discourse and its practice if it is to respond effectively to the challenges of its new role in tackling health issues

Social work and global health inequalities Bywaters, Paul, McLeod, Eileen, 2009-09-16 Tackling inequalities in health is an essential social work task Every day social workers grapple with the impact on people's lives of the social inequalities that shape their health chances and experience This book examines the relationship between social work and health inequalities in the context of globalisation Based on the practice expertise and research of social workers from developing and developed countries worldwide and using specific examples this book demonstrates the relevance of health inequalities to social work practice and policy across the lifecourse analyses barriers to good health that result from global social economic environmental and political trends develops core ideas on how social workers can act to combat negative effects of globalisation by adopting a health inequalities lens Social work and global health inequalities is a unique snapshot of a new global social work that is responsive to local conditions and circumstances but seeks partners in the international struggle for equity rights and social justice This groundbreaking collection is essential reading for social work students academics and researchers and for policy makers managers and social workers

Promoting Health and Well-being in Social Work Education Beth R. Crisp, Liz Beddoe, 2013-10-18 Social work educators can play an important part in ensuring that the promotion of health and well being is firmly on the social work agenda for service users as well as for students and educators Nevertheless this has not been a priority within social work education and presents a challenge which requires some re thinking in terms of curriculum content pedagogy and how social workers respond to social problems Furthermore if the promotion of health and well being is not considered a priority for social workers this raises important questions about the role and relevance of social work in health and thus poses challenges to social work education both now and in the future This book contains contributions from social work educators from Australia America Canada New Zealand and the UK They reflect on how best to prepare students to put health and well being to the forefront of practice drawing on research on quality of life subjective well being student well being community participation and social connectedness religion and spirituality mindful practices trauma and health inequalities This book is an extended version of a special issue of Social Work Education

A Dictionary of Social Work and Social Care John

Harris,Vicky White,2013-01-24 This new dictionary provides A Z definitions of terms from the broad field of social care Accessible coverage of social work theories methods policies organizations and statutes as well as key terms from interdisciplinary topics such as health and education make this an ideal reference for students as well as qualified social workers

The Blackwell Companion to Social Work Martin Davies,2013-02-25 Fully revised and restructured this fresh edition offers students and trainee social workers an incisive and authoritative introduction to the subject As well as entirely new sections on theory and practice the expert contributions which have shaped the companion s leading reputation have been updated and now include innovative standalone essays on social work theory Comprehensively reworked new edition comprising six substantive sections covering essential topics for trainee social workers in effect six books in one Includes an extensive introduction and chapters by leading experts on the focus and purpose of social work Provides a unified textbook for trainees and an invaluable professional reference volume Features a wealth of new material on theory and practice alongside detailed expositions of the social and psychological framework stages in the human life cycle and the objectives and core components of social work Each chapter lists five key points to remember questions for discussion and recommendations for further reading

Social Work Practice for Promoting Health and Wellbeing Liz Beddoe,Jane Maidment,2013-12-17 Promoting health and wellbeing is an essential part of all effective social work not just for practice in healthcare settings In fact the IFSW holds that social workers in all settings are engaged in health work and physical and mental resilience can make a major difference to all service users lives Drawing on international literature and research the authors collected here encourage thinking about the social political cultural emotional spiritual economic and spatial aspects of health and wellbeing and how they impact on the unique strengths and challenges of working with particular populations and communities Divided into three parts the first section outlines the major theoretical paradigms and critical debates around social work and ideas of wellbeing globalisation risk and vulnerability and the natural environment The second part goes on to explore how diverse understandings of culture identity spirituality and health require different strategies for meeting health and wellbeing needs The final part presents a variety of examples of social work research in relation to health and wellbeing with specific populations including mental health Exploring how structural inequality oppression and stigma can impact upon people and drawing upon a social model of health this book is an important read for all practitioners and researchers interested in social work public health and social inclusion

Handbook of Health Social Work Sarah Gehlert,Teri Browne,2019-08-20 The updated third edition of the definitive text on health social work Thoroughly revised and updated the third edition of Handbook of Health Social Work is an authoritative text that offers a comprehensive review of the diverse field of health social work With contributions from a panel of international experts in the field the book is theory driven and solidly grounded in evidence based practice The contributors explore both the foundation of social work practice and offer guidance on effective strategies policies and program development The text provides information that is essential to

the operations of social workers in health care including the conceptual underpinnings and the development of the profession The authors explore the practice issues such as theories of health behavior assessment communication and the intersections between health and mental health The authors also examine a wide range of examples of social work practices including settings that involve older adults nephrology oncology and chronic diseases such as diabetes heart disease HIV AIDS genetics end of life care pain management and palliative care as well as alternative treatments and traditional healers This is the only handbook of its kind to unite the body of health social work and Offers a wellness rather than psychopathological perspective and contains treatment models that are evidence based Includes learning exercises further resources research suggestions and life course information Contains new chapters on topics such as international health insurance and payment systems and implementation of evidence based practice Presents information on emerging topics such as health policy in an age of reform and genomics and the social environment Reviews new trends in social work and health care including genetics trans disciplinary care and international national and state changes in policy Written for social work educators administrators students and practitioners the revised third edition of Handbook of Health Social Work offers in one volume the entire body of health social work knowledge Social Work in Europe Charlotte Williams,Mekada Graham,2013-09-13 It is an acknowledged if not accepted fact that all European societies are being fundamentally transformed and indeed perceptively unsettled by increased migrations across nations and by the asserted presence of established minorities within their borders The scale and speed at which these transformations have taken place have brought in their wake considerable social impacts and no small measure of fear and anxiety Encounters with such diversity are part and parcel of the social work task and learning how to negotiate them should be a de facto aspect of the training and continuous professional development of social workers and other social professions However the moral and political dimensions of the role scope and nature of the social work task in responding appropriately to these changed and changing realities are rather more contested This volume addresses many dimensions of the response to issues of race and ethnicity in social work practice in Europe It extends the debates on inter cultural and race equality practice in social work through a stimulating and innovative collection of contributions This book was originally published as a special issue of the European Journal of Social Work *Social Work* Mark Lymbery,Karen Postle,2007-03-29 This engaging and stimulating book is well placed to become a key text in many student social workers redaing lists Journal of Interprofessional Care An excellent book abounding with conceptual insights bursting with research and evidence based reasoning and pretty comprehensive in the spread of topics It contains plenty of though provoking material in nice sized chunks that challenged me to think about my practice in different ways and also made me want to find out more The range of contributors is impressive and students could do a lot worse than digest and reference their work in assignments Professional Social Work a comprehensive account of the issues related to social workers personal development and latest developments in social work practice I have no doubt that this book will provide an

invaluable reference guide for social workers who are interested in the development of the profession Social Policy and Social Work SWAP This book is put together in an accessible and engaging way which serves to stimulate the reader by posing questions and creating opportunities for reflecting on the key learning points of each chapter It should be an essential reading item on the book list of every social work student and act as a training resource to those training future social workers and those already established within the profession Health Social Care in the Community In recent years social work has been devalued by politicians and the media However it requires practitioners equipped with key skills to empower individuals and communities and rooted in values which stimulate them to promote social justice It is heartening that social work educators are at the forefront of equipping social workers with the skills and values to promote a better society This book will open hearts and minds to achieve these ends Bob Holman former Community Worker and Professor of Social Policy Social Work A Companion to Learning is an exciting and definitive new book that will equip readers with the core knowledge and skills they need to successfully complete their social work training and go on to be an effective practitioner The text takes a holistic and critical approach not only enabling students and practitioners to understand how to practise social work effectively but also how to locate this practice within its societal context Written and edited by leading experts in the field each chapter skilfully explores key themes issues and concepts underpinning social work theory and practice in an engaging authoritative and accessible way The selection of topics serves to establish the contexts through which social work education can best be understood the core requirements and processes that characterise social work courses the issues involved in continuing professional development The chapters comprise a wide range of key issues such as communication skills partnership working the values of social work supervision management law and research mindedness as well as two unique chapters written exclusively from service users perspectives Case studies interactive questions key points and further reading sections are used throughout the book to bring the material to life and aid readers understanding Social Work A Companion to Learning will be a core text for students and practitioners at all levels providing the most up to date and comprehensive companion they will need to help them progress in their careers Mark Lymbery has taught social work at the University of Nottingham since 1995 He is the author of Social Work with Older People 2005 also published by SAGE Karen Postle is a lecturer in social work at the University of East Anglia Both authors have a background as social work practitioners

Social Work in a Diverse Society Williams, Charlotte, Graham, Mekada J., 2016-04-13 Understanding how to work with racially and ethnically diverse populations is crucial to effective social work practice and planning and it will only become more so as society continues to become more diverse This textbook brings together academics and practitioners who draw on real life scenarios and detailed case studies to help social workers consider the many dimensions of working in a diverse society and to enable them to uncover innovative well tailored ways to ensure successful delivery of essential services

The SAGE Handbook of Social Work Research Ian Shaw, 2009-12-10 This is an ambitious book It aims at nothing less

than a comprehensive account of the state of the art of social work research internationally and an intellectually original statement that will help to define and shape social work research Those with a serious interest in social work research will agree that this is a major undertaking and one that should put social work research on the map Ian Sinclair University of York UK This terrific Handbook provides an essential map for navigating the complex currents of social work research today It resists polemical and simplistic binaries to chart a course that emphasizes diversity pluralism and sensitivity to political contexts in many featured exemplars As key chapters note inherent tensions at the heart of social work itself are mirrored in current debates about the purposes and methods of social work research Rather than patch over differences the volume invites us to understand historical roots of unresolvable tensions and live with them The international scope of the volume is unique scholars from more than a dozen different countries were involved and its broad scope counters the tendency toward parochialism of much North American literature The Handbook should be essential reading for students and academics Catherine Riessman Boston University USA The SAGE Handbook of Social Work Research provides a comprehensive internationally focused account of leading social work research offering an original and defining statement on contemporary theory and practice within the field The groundbreaking Handbook engages critically with the nature and role of social work research and evaluation in contemporary societies around the globe and asks four key questions What is the role and purpose of social work research What contexts shape the practice and purpose of social work research How can we maximise the quality of the practice of social work research How can the aims of social work in its varied domains be met through social work research Ranging over local national and international issues and exploring questions of theory and practice this is a diverse and constructively organized overview of the field It will quickly be recognized as a benchmark in the expanding field of social work research setting the agenda for future work in the arena

Understanding Social Work Practice in Mental Health Vicki Coppock, Bob Dunn, 2009-12-04 An excellent introduction to the main themes of social work and mental health It provides a comprehensive summary of contemporary debates and perspectives around mental health practice I would recommend this to all social work students Philip O Hare University of Central Lancashire This book is a timely restatement of the central role of social work in mental health In this important work Coppock and Dunn have developed a well written and closely argued case for retaining social work skills as a key part of a truly integrated mental health system Terry Bamford Director Social Perspectives Network This book provides an authoritative overview of mental health theory policy and practice Exploring the complex moral and ethical dimensions underpinning the field the book engages with the key issues encountered by practitioners working in the modern mental health system Using real world scenarios case studies and reflective exercises it asks students to critically examine the world of mental health practice from the perspective of users of mental health services and their carers Reflecting the core values skills and knowledge frameworks required for professional social work qualification in the mental health context this book will enable students to Understand mental health

theory and practice as a contested arena Recognise professional differences and inter professional strengths Tolerate uncertainty and complexity in practice Develop critically as reflexive mental health practitioners Included in the text are practice dilemmas chapter summaries and resources to aid further study *Social Work Practice with the LGBTQ Community* Michael P. Dentato,2018 This text broadly examines many important aspects of effective and affirming practice methods with the LGBTQ community along with considering health mental health history and policy factors The content was written by social work scholars educators practitioners and students to reach across professions e g social work health mental health and across audiences e g students faculty researchers and practitioners **Social Work and Social Welfare** Katherine S. Van Wormer,Rosemary J. Link,2018 Infused with relevant personal narratives and photographs Social Work and Social Welfare provides a global human rights perspective on social welfare policies that are at the forefront of controversy in today s world e g immigration policies environmental sustainability health care housing food insecurity and income wealth inequality *Social Work and Social Welfare* Katherine van Wormer,Rosemary J. Link,2018-03-28 Infused with relevant personal narratives and photographs Social Work and Social Welfare provides a global human rights perspective on social welfare policies that are at the forefront of controversy in today s world e g immigration policies environmental sustainability health care housing food insecurity and income wealth inequality **Social Work with Lesbians and Gay Men** Helen Cosis-Brown,Christine Cocker,2011-01-19 The book clearly links knowledge and practice and is structured in such a way so that theories relevant to social work practices with lesbians and gay men are covered before specific areas of practice are addressed **Tackling Social Exclusion** John Pierson,2003-09-02 The concept of social exclusion is a central focus of government policy and is rapidly moving to the core of practitioner activity This textbook shows how social workers can combat the social exclusion experienced by service users and at the same time promote social inclusion Tackling Social Exclusion covers the meanings of social exclusion and the common elements of practice needed to reverse it the skills needed when working with specific groups of people including children and families young people and vulnerable adults the neighbourhood dimension in social exclusion the link between race and ethnic minorities and social exclusion and the implications of the Macpherson Report for practice how service agencies can change their organisation to promote inclusion how to work with communities to effect change Each chapter is grounded in real practice examples and explores through activities case studies and exercises how the perspective of social exclusion is changing social work today **Social Work and Social Welfare** Marla Berg-Weger,2016-02-05 Social Work and Social Welfare An Invitation is a best selling text and website for introduction to social work courses It provides students with the knowledge skills and values that are essential for working with individuals families groups organizations communities and public policy in a variety of practice settings The new edition calls students to become engaged in some of society s most challenging issues through diverse case studies and an emphasis on global issues Students will read accounts of real world social work such as in Chapter 8 where thirteen social

workers share their experiences in twelve different practice settings including health and mental health criminal justice school public health and rural settings Social workers describe working with children and families immigrants and refugees military veterans and families older adults persons with addictions and persons with disabilities This edition also includes new profiles of social workers and one older adult that depict individual journeys contemporary practice areas and challenges The fourth edition of Social Work and Social Welfare is in full color with more visuals and photos throughout As with previous editions this book is an up to date profile of the world in which today s social workers practice with current demographic statistical legislative policy and research information and sensitive discussions of contemporary ethical issues The text includes exercises from six interactive cases including the new case Brickville Visit www.routledgesw.com for the detailed cases and companion materials that teach students about social work through practice Social Work, Health, and International Development Serge Dumont, Myreille St-Onge, 2013-05-13 Sharpen your social work in health care knowledge and skills Social Work Health and International Development Compassion in Social Policy and Practice presents leading international experts from a range of disciplines providing the latest in research theory and practical solutions to advance social work in health care issues Readers get a refreshed view on ways to put social policy into a compassionate and empathetic framework with strategies to more effectively meet today s challenges in social work and health care This superb selection of papers from the Fourth International Conference on Social Work in Health and Mental Health held in Quebec provides a unique perspective on social work and the development of a more compassionate world Social Work Health and International Development Compassion in Social Policy and Practice focuses on areas essential to every social worker no matter where they practice The book explores the increased importance of compassion and solidarity among social workers the essential need to effectively address the HIV AIDS pandemic strategies to more fully address aging issues and best practices The latest research findings and data are discussed to modify approaches and revitalize the field all to help the world become a more caring compassionate place Topics in Social Work Health and International Development Compassion in Social Policy and Practice include social work interventions to lead needy countries from health to economic growth the concept of solidarity as a fundamental notion in social work the need to revisit social work s ethical foundations cultural competence in responding to the HIV AIDS pandemic a comprehensive action plan to deal with HIV AIDS a study on grandparents caring for children of AIDS victims multilevel interventions to promote elderly people s mental health forming partnerships that promote the diverse voices of older people recognizing deficiencies to increase cultural competency in staff best practice case management approach to improve patient adherence to care Internet based intervention for caregivers of persons with dementia dyadic peer support pilot intervention for parents of children with lung disease continual education for increased professional competence much more Social Work Health and International Development is invaluable reading for social workers health practitioners researchers and clinicians **Social Work in Wales** Wulf Livingston, Jo

Redcliffe, A. Quinn Aziz, 2023-06-27 With a foreword by First Minister of Wales Mark Drakeford this book is the first to offer an in depth look into what makes the Welsh Social Work context unique It includes the move towards joint children families and adult provision and the emphasis on early intervention future generations and partnership considerations Covering the subject knowledge required by the Welsh regulator Social Care Wales it provides essential reading for students and practising social workers in Wales and rich contextual analysis for other international social work practitioners and writers Each chapter includes dialogue on the distinctive Welsh way that underpins the nation's social work approach focus on application responses and implications for professional practice the giving of voice section demonstrating the key emphasis in Welsh practice of ensuring that multiple stakeholder perspectives are actively heard key resources for further independent exploration of the topics
