Methodology: A Skills Handbook for the Caribbean Human Services Worker Emmanuel Janagan Johnson, Camille L. Huggins, 2019-10-11 This brief is a practical reference contextualizing social casework methodology in a specifically Caribbean cultural and historical context It emerged from the experiences of human services workers and educators working

in the Caribbean The concepts of social welfare policy and programs are relatively new to the Caribbean as historically Christian based organizations and local communities took the responsibility of caring for those in need As social problems grew more complicated and threatened the security of the nation e g gang violence it became clear that governments of these small island states needed to provide a systematic approach in dealing with these social problems to help their citizens have a better quality of life

Social Casework Methodology A Skills Handbook for the Caribbean Human Services Worker outlines a systematic approach that human services workers will find useful while working with clients in the Caribbean It also is an easy to use text that defines social casework methodology components of the methods case histories and exercises for social work students interested in working in the human services sector in the Caribbean *Social Workers' Desk Reference* Kevin J. Corcoran, Albert R. Roberts, 2015 In the first and second editions of the Social Workers Desk Reference the changes that were occurring in social work practice education and research were highlighted and focused upon This third edition continues in the same tradition and continues to respond to the changes occurring in society and how they are impacting the education research and practice of social work as a whole *Social Workers' Desk Reference* Albert R. Roberts, 2009 This is a new edition of the wildly successful everyday reference for social workers Like the first edition it has been crafted with the help of an extensive needs assessment survey of educators and front line practitioners ensuring that it speaks directly to the daily realities of the profession It features 40% new material and a more explicit focus on evidence based practice

Safeguarding Adults in Social Work Andy Mantell, Terry Scragg, 2011-06-09 This fully revised Second Edition looks at how practitioners and students can achieve best practice when working with vulnerable adults The first part of the book explores the evolution of concepts and policies for safeguarding adults with particular reference to the Human Rights Act 1998 and the Capacity Act 2005 In the second section the focus shifts to good practice in empowering vulnerable adults The final section focuses on developing effective professional and inter professional practice *Engaging with Social Work* Christine Morley, Phillip Ablett, Selma Macfarlane, 2019-01-17 Equips students with a critical perspective and develops their understanding of social work practice
